CORRIGENDUM

Page number and original content:
Paragraph 5 of Foreword

PSOD is in the process of finalizing a new strategy for 2017-2020 to further strengthen its ability to support ADB's development and growth targets. The strategy will take into account operational lessons as well as findings by ADB's Independent Evaluation Department to ensure that PSOD's future projects will balance development impact with operational and financial sustainability.

Changed to:
PSOD is in the process of finalizing a new operational framework for 2017-2020 to further strengthen its ability to support ADB's development and growth targets. The framework will take into account operational lessons as well as findings by ADB's Independent Evaluation Department to ensure that PSOD's future projects will balance development impact with operational and financial sustainability.
