Notes: Numbers may not sum precisely because of rounding. For other details, see table on Statement of Subscriptions to Capital Stock and Voting Power (OCR-8) in the Financial Statements of Annual Report 2013.

<sup>a</sup> Subscribed capital refers to a member's subscription to shares of the capital stock of ADB.

<sup>b</sup> The total voting power of each member consists of the sum of its basic votes and proportional votes. The basic votes of each member consist of such number of votes as results from the equal distribution among all members of 20% of the aggregate sum of the basic votes and proportional votes of all members. The number of proportional votes of each member is equal to the number of shares of the capital stock of ADB held by that member.
