

**U.K. MiFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET** – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**U.K. MiFIR**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**U.K. MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

ADB does not fall under the scope of application of Directive 2014/65/EU (as amended, “**MiFID II**”) or U.K. MiFIR. Consequently, ADB does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of either MiFID II or U.K. MiFIR.

The Notes are denominated in COP. Since the Republic of Colombia is not an ADB member country, ADB will not enjoy in the Republic of Colombia its usual rights, immunities, privileges and exemptions which are conferred upon ADB by the Agreement Establishing the Asian Development Bank and by statutes, laws and regulations of member countries. Such

privileges include immunity with respect to exchange controls and an exemption from withholding taxes with respect to payments on ADB's debt securities.

### **Use of Proceeds**

During the life of the Notes, ADB will use its best efforts to apply an amount equal to the net proceeds thereof for use in its ordinary operations to finance a pool of projects related to the health sector, directly or indirectly through governments or rural governments of ADB members or financial institutions or investments in private sector health projects. In case it would be unable to apply an amount equal to the proceeds as provided above, ADB will apply the remaining proceeds thereof to its ordinary operations in accordance with the Agreement Establishing the Asian Development Bank.

Payment of principal of and interest on the Notes will be based solely on the creditability of ADB, and not on the performance of investments and loans under ADB's projects in the health sector.

### **Listing Application**

This Pricing Supplement comprises the details required to list the issue of Notes described herein pursuant to the listing of the Global Medium-Term Note Program of ADB.

### **Material Adverse Change Statement**

## APPENDIX

### Provisions Relating to U.S. Dollar Payments

The terms referenced below shall have the following specified meanings:

“Bogotá Business Day” means a day other than a Saturday or a Sunday on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Bogotá.

“Business Days for Payment” means a day other than a Saturday or a Sunday on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Bogotá, New York and London.

“Calculation Agent” means The Toronto-Dominion Bank.

“Maximum Days of Postponement” means fourteen (14) calendar days.

“Price Source Disruption Event” means, it becomes impossible to obtain the COP02 on the Reference Rate Fixing Date (as defined below) (or, if different, the day on which rates for that Reference Rate Fixing Date would, in the ordinary course, be published or announced by the relevant price source). The Calculation Agent shall have sole discretion to declare the occurrence of a Price Source Disruption Event on the Reference Rate Fixing Date.

“Reference Rate” means, in respect of a Reference Rate Fixing Date, the COP/U.S.\$ fixing rate for U.S.\$, expressed as the amount of COP per one U.S.\$, for settlement on the same day reported by the Superintendencia Financiera de Colombia (Colombian Financial Superintendency) on its webpage: ([www.superfinanciera.gov.co](http://www.superfinanciera.gov.co)) as the “Tasa Representativa del Mercado (TRM)” and published on Refinitiv Screen CO/COL03 Page opposite the caption “TCRM” below the heading “Hoy”, at approximately 5:00 p.m., Bogotá time, on the Reference Rate Fixing Date, but no later than 10:30 a.m., Bogotá time on the first Bogotá Business Day following the Reference Rate Fixing Date (“**COP02**”) (or such other page or service as may replace such page for the purposes of displaying the COP02), provided that the TCRM rate found on the website of the Colombian Financial Superintendency shall prevail in case of conflict with the COP02 rate published by Refinitiv, provided further that if a Price Source Disruption Event shall occur, the Calculation Agent shall apply the following procedures for the determination of the Reference Rate in respect of the Interest Payment Date, Maturity Date or other date on which an amount in respect of the Notes is due and payable in accordance with Condition 9 of the Prospectus (the “**Early Redemption Date**”), as the case may be, in the following order, until such Reference Rate can be determined:

- (i) Valuation Postponement as defined below; and
- (ii) Calculation Agent Determination of Reference Rate as set forth below.

The Calculation Agent shall notify the Issuer as soon as reasonably practicable that the Reference Rate is to be so determined.

If Annex A to the 1998 FX and Currency Option Definitions published by the International Swaps and Derivatives Association, Inc., the Emerging Markets Traders Association and the Foreign Exchange Committee (the “**FX Definitions**”) is amended such that COP02 is amended or replaced by a successor price source for the COP/U.S.\$ fixing rate in such Annex A to the FX Definitions (the “**Successor Price Source Definition**”), then the applicable COP/U.S.\$ fixing rate for the relevant Reference Rate Fixing Date will be determined in accordance with such Successor Price Source Definition.

“Reference Rate Fixing Date” means the relevant **Scheduled Reference Rate Fixing Date** (as defined below), provided:

(i) if such date is neither a Valuation Business Day (as defined below) nor an Unscheduled Holiday (as defined below), the Reference Rate Fixing Date shall be the first Valuation Business Day preceding the Scheduled Reference Rate Fixing Date;

(ii) in the event of an Unscheduled Holiday occurring on the Scheduled Reference Rate Fixing Date, the Reference Rate Fixing Date shall be the next succeeding Valuation Business Day; and

(iii) in the event that a Price Source Disruption Event occurs, the Reference Rate Fixing Date shall be subject to Valuation Postponement (as defined below).

In the event the Scheduled Reference Rate Fixing Date is postponed after the occurrence of an Unscheduled Holiday, and if the Reference Rate Fixing Date has not occurred on or before the 14th consecutive calendar day after the Scheduled Reference Rate Fixing Date (any such period being a “**Deferral Period**”), then the next day after the Deferral Period that would have been a Valuation Business Day but for the Unscheduled Holiday, shall be deemed to be the Reference Rate Fixing Date.

“Scheduled Reference Rate Fixing Date” means the date that is five (5) Valuation Business Days prior to the Interest Payment Date, Early Redemption Date or the Maturity Date, as the case may be, subject to adjustment in accordance with the Preceding Business Day Convention; provided however, that, in the event of an Unscheduled Holiday (as defined below), it is subject to adjustment in accordance with the Following Business Day Convention.

“Unscheduled Holiday” means a day that is not a Bogotá Business Day and the market was not aware of such fact (by means of a public announcement or by reference to other publicly available information) until a time later than 9:00 a.m. local time in Bogotá, two (2) Bogotá Business Days prior to the Reference Rate Fixing Date.

“Valuation Business Day” means a day other than a Saturday or a Sunday on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Bogotá and New York.

“Valuation Postponement” means, for purposes of obtaining the Reference Rate, that the Reference Rate will be determined by the Calculation Agent on the Valuation Business Day first succeeding the day on which the Price Source Disruption Event ceases to exist, unless the Price Source Disruption Event continues to exist (measured from the date, that, but for the occurrence of the Price Source Disruption Event, would have been the Scheduled Reference Rate Fixing Date) for a consecutive number of calendar days equal to the Maximum Days of Postponement. In such event, the Reference Rate will be determined on the next Valuation Business Day after the Maximum Days of Postponement in accordance with the Calculation Agent Determination of Reference Rate.

**Adjustments to Interest Payment Date, Early Redemption Date and Maturity Date:**

If a Scheduled Reference Rate Fixing Date is postponed as described in “Reference Rate Fixing Date” or “Reference Rate” above, then, in each such case, the Interest Payment Date, Early Redemption Date or the Maturity Date relating to the Scheduled Reference Rate Fixing Date shall be as soon as practicable, but in no event later than five (5) Business Days for Payment after the date on which the Reference Rate is determined.

If any Interest Payment Date, Early Redemption Date or Maturity Date is adjusted in accordance with the preceding sentence, then such adjustment (and the corresponding payment obligations to be made on such dates) shall apply only to such Interest Payment Date, Early Redemption Date or Maturity Date, as applicable, and no further adjustment shall apply to the amount payable.

Calculation Agent Determination of Reference Rate

In the event that the Reference Rate cannot be determined pursuant to and within the time periods set forth in respect of the Valuation Postponement, then the Reference Rate shall be determined by the Calculation Agent acting in good faith and in a commercially reasonable manner, having taken into account relevant market practice.

Cumulative Events

Notwithstanding anything herein to the contrary, in no event shall the total number of consecutive calendar days during which either (i) valuation is deferred due to an Unscheduled Holiday, or (ii) a Valuation Postponement shall occur (or any combination of (i) and (ii)), exceed 14 consecutive calendar days in the aggregate. Accordingly, (x) if, upon the lapse of any such 14 day period, an Unscheduled Holiday shall have occurred or be continuing on the day following such period that otherwise would have been a Valuation Business Day, then such day shall be deemed to be the Reference Rate Fixing Date, and (y) if, upon the lapse of any such 14 day period, a Price Source Disruption Event shall have occurred or be continuing on the day following such period, then Valuation Postponement shall not apply and the Reference Rate shall be determined in accordance with the Calculation Agent Determination of Reference Rate.
