

# ASEAN Green Recovery Platform

Leveraging 10X for a green recovery ... \$0.7 billion for \$7 billion

The ASEAN Green Recovery Platform is an ADB-managed platform, linked to the ASEAN Catalytic Green Finance Facility, to support Southeast Asia DMCs accelerate green infrastructure pipelines to support a green recovery from the COVID-19 pandemic.

TA funds to support **financial structuring** and project development

TA support to develop **green bonds**

**De-risking loan funds** for green projects to catalyze public and private finance

**Revolving fund structure** to accelerate financing for 30+ projects

All projects must meet **green/ climate Investment** principles and criteria

Mandatory **cofinancing from ADB**, all projects subject to ADB standard process & due diligence

# ASEAN Catalytic Green Finance Facility

The ACGF is a regional green finance vehicle under the ASEAN Infrastructure Fund, owned by all 10 ASEAN member states and ADB, and managed by the ADB Southeast Asia Innovation Hub. ACGF has a 'catalytic green finance' focus and uses its resources to **de-risk green infrastructure projects**

to make them **bankable** and hence attract **multiples of capital** from PIC (PPP, investment funds, capital markets). Launched April 2019, the ACGF is embarking on spurring **green recovery** across the ASEAN region – the first such initiative across Asia.

**Leveraging AIF & Partner CAPITAL**  
Dedicated cofinancing pledged for green infrastructure
