Court Order:

With recent Acquisition plan without any notice/Compensation as per resettlement guidelines (As per acquisition act 2013) to actual owner. However from last 5 year we have made several written/oral request to taluk forest rage officer, Districts forest officer and special DC of acquisition not to cut the Tamarind trees and in case if these tree are really a problem for road widening then provide us fair compensation and allow us to cut trees from our end by providing approval and applicable govt fee will be paid to Govt/Forest department/Concern authority.

We are not getting any response from the forest department and DC. We believe justice will be served from ADB.
