Dear Mr. Zhamishev and Ms. Ibragimova:

Subject: MFF 0048-KAZ: Small and Medium Enterprise Investment Program Amendments to Framework Financing Agreement

1. We refer to the framework financing agreement (FFA) dated 12 May 2011 among JSC "Entrepreneurship Development Fund 'Damu' " (Damu), Republic of Kazakhstan (RoK) and Asian Development Bank (ADB). The FFA was entered into for the purpose of assisting Damu in financing projects under the above-captioned investment program (Investment Program) through a multitranche financing facility (MFF) provided by ADB. All capitalized terms used but not defined herein shall have the meaning given thereto in the FFA, unless the context requires otherwise.

2. Following a request from Damu during the ADB review mission held from 17 to 30 April 2013, ADB approved, on 19 August 2013, changes to the indicator definitions, baseline and achievement years and data sources of the design and monitoring framework (DMF) for the MFF. In addition, following a request from Damu dated 22 November 2013, ADB approved, on 5 December 2013, changes to the MFF in respect of (i) the margin which Damu may charge on subloans to participating financial institutions (PFIs), (ii) the permissible environmental impact of subprojects financed by PFIs under the Investment Program, (iii) the maximum amount that may be borrowed by any single small or medium-size enterprise (SME) or group of related SMEs under the Investment Program, and (iv) the MFF availability period. To give effect to the changes, ADB proposes that the FFA be amended as follows:

(a) The reference to the year "2015" in the heading of the table under the sub-section of the FFA titled "Financing Plan" (under the heading "Multitranche Financing Facility") is deleted and replaced with the year "2018".

(b) The sub-section of the FFA titled "Availability Period" (under the heading "Financing Terms") is deleted and replaced by the following: "The last date on
which any disbursement under any tranche may be made will be 31 December 2018. The last financing tranche is expected to be executed no later than 31 December 2017."

(c) In Schedule 1, MFF Constituents, of the FFA, all references to the year “2015” are deleted and replaced with the year “2018”.

(d) Schedule 2, Design and Monitoring Framework (for the Multitranchne Financing Facility), of the FFA is deleted and replaced by the Attachment hereto.

(e) Paragraph 1 of Schedule 3, Implementation Framework, of the FFA is revised to include the underlined language indicated below:

“1. Damu will use withdrawals of loan proceeds under each tranche to make subloans to PFIs in accordance with subloan agreements (SLAs) with PFIs. Damu, in close coordination with ADB, will screen and qualify PFIs. The selection criteria will consider, among other things, the financial soundness of the PFIs (solvency, liquidity, profitability), risk management, corporate governance, branch network, portfolio in non-subsidized SME intermediation, and internal environmental and safeguard procedures. Damu may apply market-based margins to subloans to PFIs to reflect their creditworthiness, cover associated costs and earn a reasonable return on investment. PFIs will, in-turn, on-lend loan proceeds to SMEs at market-based interest rates in accordance with policies and procedures set out in the SLAs and the FAM. Damu will monitor each PFI’s performance in accordance with the relevant SLA. The SLAs and the FAM will set out ceilings on subloans from Damu to PFIs, and on SME loans from PFIs to SMEs, respectively; provided, however, that Damu’s total exposure to any single SME or group of related SMEs under the Investment Program will not at any point in time exceed $3 million equivalent on an outstanding basis. Subloans may also include other terms and conditions as agreed to among ADB, Damu and PFIs. The PFIs will bear the credit risk associated with their loans to SMEs.”

(f) Paragraph 2 of Schedule 3, Implementation Framework, of the FFA is deleted and replaced by the following: “The overall implementation period for the MFF is expected to commence in September 2011 and completed by December 2018.”

(g) Paragraph 2 of Schedule 5, Social and Safeguard Requirements, of the FFA is deleted in its entirety and replaced by the following:

“2. The SME loans made by PFIs under any subprojects shall conform to ADB’s Safeguard Policy Statement (2009) (SPS) and shall comply with all applicable requirements of Kazakhstan’s labor and environmental legislation and regulations. Damu shall ensure that no PFI uses the proceeds of any financing provided under the Facility to finance a subproject by an SME that has either (i) involuntary resettlement or indigenous peoples impacts within the meaning of the SPS or (ii) environmental impacts which can be categorized as Category A, in each case within the meaning of the SPS. Furthermore, no PFI shall use the proceeds of any financing provided under the Facility to make a loan to an SME which engages in any activity listed in 'Prohibited Activities List' attached hereto (Attachment 2)."
3. Save and except to the extent set out above, the FFA remains unchanged.

4. Pursuant to ADB's Public Communications Policy (PCP) on disclosure and exchange of information, the amendments to the FFA will be posted on ADB's website within two weeks from the date that the amendments become effective, after removing any information that falls within the PCP exceptions as specified by Damu and RoK.

5. Please indicate the concurrence of Damu and RoK to the amendments set out in paragraph 2 of this letter agreement and to the terms of this letter agreement by countersigning each of the two original of this letter agreement in the space indicated below. Please retain one signed original of this letter agreement for your records and return the other to ADB. The proposed amendments shall take effect on the date of receipt by ADB of a signed original of this letter agreement.

Yours sincerely,

Klaus Gerhaeusser
Director General
Central and West Asia Department

---

A. Accepted and agreed.
B. Confirmed that the amendments to the FFA do not contain information falling within the PCP exceptions.

For and on behalf of

JSC "Entrepreneurship Development Fund 'Damu'"
