1. INTRODUCTION

1.1 Brief Description of the Project

1. The project road MZ 02; Serchhip-Buarpui is a part of North Eastern State Roads Improvement Program (NESRIP) – Tranche 2, being implemented with the funding support from the Asian Development Bank (ADB). Ministry of Development of North Eastern Region (MDONER) is the executing agency who in turn is implementing the projects through the State Public Works Department (PWD) of Government of Mizoram. The road improvement project covers 55 kilometers of the existing major district road, which is in two parts (Viz. Part I and II) intercepted by the Aizawl - Lunglei State Highway. This project was classified as **Category B** as per ADB's Safeguards Policy Statement, 2009.

Name of Road	Road Type	From	To	Length (Km)
Serchhip – Buarpui Road	State Highway	Serchhip	Buarpui	55

.2. Part I starts from the junction (Serchhip - Sialsuk junction) on NH 54, about 4 km south of Serchhip town and terminates at the junction with Aizawl-Lunglei State Highway (SH) near Sitvan - Hanging Garden, Sialsuk. This part is covering a length of 15.2 km (Figure 1).

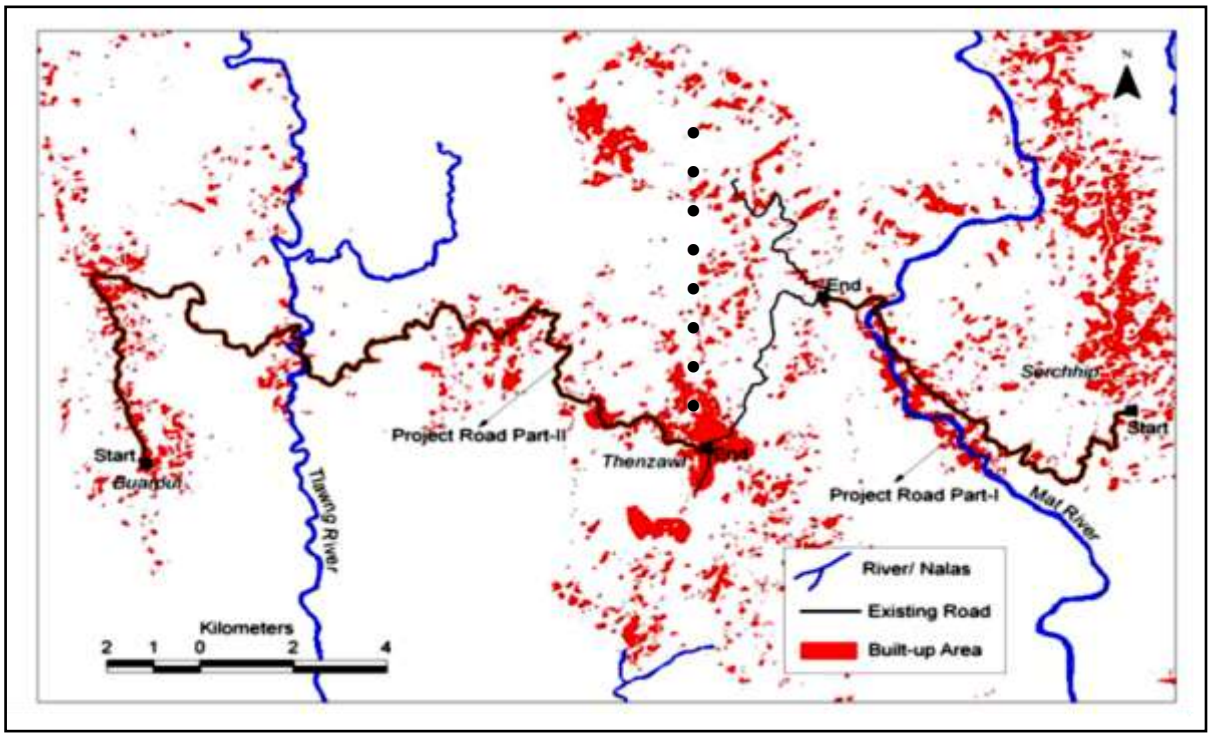
3. Part II (Thenzawl – Buarpui) starts from its junction on Aizawl-Lunglei SH near Thenzawl and ends at Buarpui. Length of this part is 39.8 km (Figure 1).

1.2 Road improvement and up-gradation project involves:

- Widening to intermediate lane with earthen shoulder on valley side and paved shoulder on the hill side;
- Improvement of existing road curves;
- Rehabilitation of existing and construction of new cross drainage structures and roadside drains;

- Improvement of junctions / intersections;
- Incorporating road safety measures; and
- Provide protection works to stabilize the slopes to control slides and erosion.

Figure 1: Project Corridor Location Map



4. The impact on the environment due to up gradation of the existing road pertains to cutting of trees, temporary deterioration of the ambient air quality during construction from clearing of land, silt run off, cutting of hill slope, camp operations and rock blasting, though not being / proposed to be undertaken at close proximity of habitations.

1.3 Overall progress achieved during the reporting period

5. The salient project information like name of the contractor, details of road sections and overall progress achieved in the parts of the total road length during the reporting period are provided in the Table 1.

Table 1: Overall project information

S.No.	Road section	Name of the contractor	Road length (km)	Overall physical progress (as on December 2020)
1	Part I: Serchhip - Sialsuk junction	M/s Tantia Constructions Ltd.	15.2	94.39%
2	Part II : Thenzawl – Buarpui		39.8	
Total Length (km)			55.0	
Last 6 months physical progress (July to December, 2020)				3.29%

2. INSTITUTIONAL SET-UP

6. Ministry of Development of North Eastern Region (MDONER) and Government of Mizoram are the respective executing agencies (EA) at the national level and state level. The public works department through its Project Implementation Unit (PIU), is the implementing agency of the project. The Project Director is heading the PIU and is supported by other staff members. The PIU has nominated a Junior Engineer as safeguards specialist to monitor and review the issues related to environment (Annexure -1). The PIU has engaged construction supervision consultant (CSC) to supervise the construction activities including implementation of Environmental Management Plan (EMP) by the contractor. Institutional setup for EMP implementation during the reporting period of EA, Consultant and Contractor is provided in table 2.

7. M/s Tantia Constructions Limited is the civil contractor entrusted with the execution of the subject project, they are committed to protect and conserve the environment during the road construction activities and also make value additions to the environmental and social conditions of the project area. Being fully aware of their environmental and social responsibilities and obligations, the company has accordingly, taken a holistic and pragmatic approach in fulfilling their responsibilities in protecting and sustaining the environment. Environment cum Social Officer and full time Safety Officer have been deployed since February 2016. Both these persons have made genuine efforts and made positive contributions in creating awareness among the site staff and the labours for protecting and achieving the goals in respect of environmental compliances / safeguards, safety and health as per EMP.

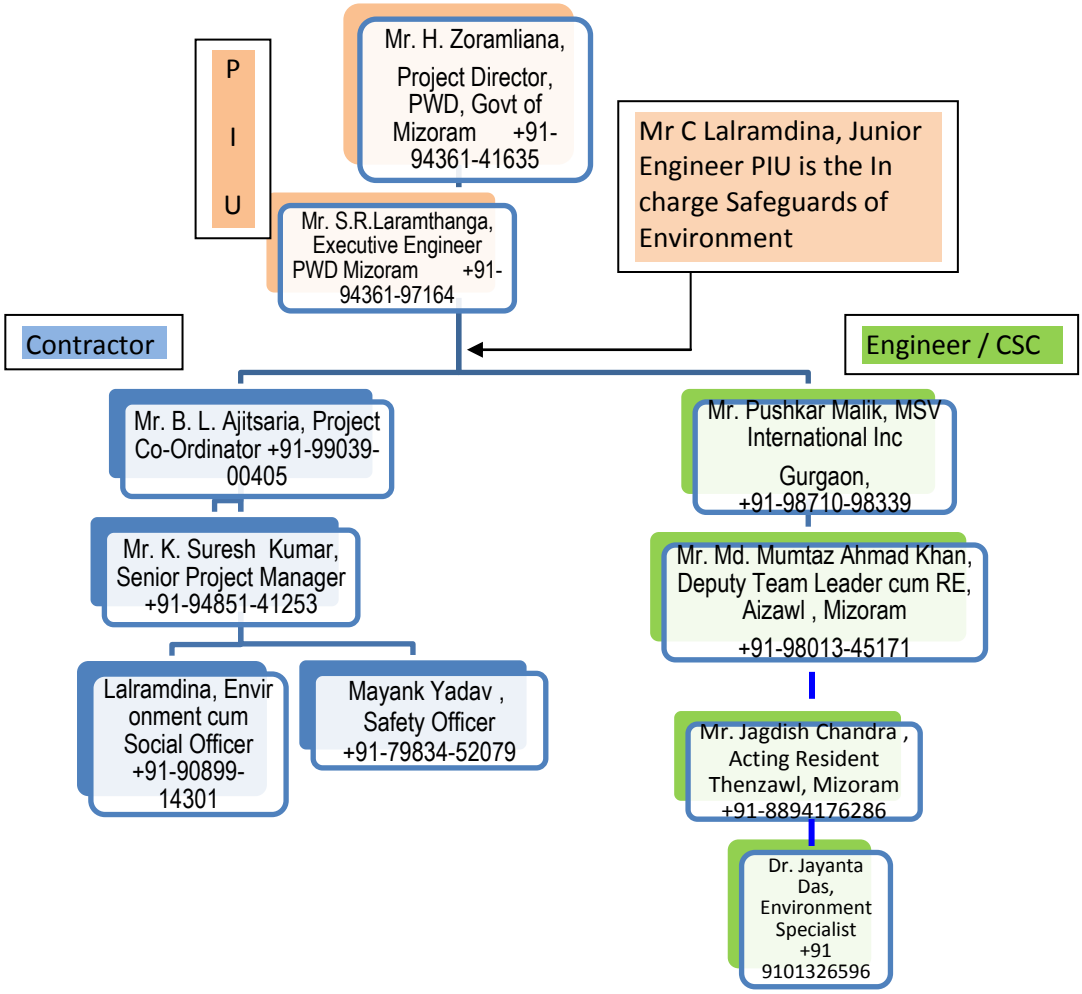
Table No.2: Details of Institutional set up for EMP implementation during the reporting period

Sl No.	Name of the Officer	Designation	Since
	Executing Agency		
1	Mr. H. Zoramliana	Project Director, PWD, Govt of Mizoram	
2	Mr. S.R. Laramthanga	Executive Engineer PWD Mizoram	
3	Mr C Lalramdina	Junior Engineer PIU is the In charge Safeguards of Environment	Sept-2017
	Consultant		
4	Mr. Pushkar Malik	CSC, MSV International Inc,Gurgaon,	
5	Mr. Md. Mumtaz Ahmad Khan	Deputy Team Leader cum RE, Aizawl , Mizoram	
6	Mr. Jagdish Chandra	Acting Resident Engineer, CSC, Thenzawl, Mizoram	
7	Dr. Jayanta Das	Environment Specialist, CSC	July-2016
	Contractor		
8	Mr. B. L. Ajitsaria	Project Co-Ordinator	
9	Mr. K. Suresh Kumar	Senior Project Manager	
10.	Lalramdina	Environment cum Social Officer	Feb- 2016
11	Mayank Yadav	Safety Officer	Feb- 2016

2.1 Project Organization Chart

8. All staffs members and workers involved in this project on a continuous basis are being made aware with refreshing of their knowledge, to the extent those relate to their work and operations in the project, in respect of the various stipulations of the EMP document. The Organizational hierarchy of the Environmental Management Team for the contract package is depicted in Figure – 2.

Figure 2: Environmental Management Team Hierarchy



3. STATUTORY COMPLIANCE

3.1 Status of approvals / clearances from the respective statutory authorities

9. Implementations of the project works require clearances from statutory authorities and other line agencies which were obtained from time to time and their present status are shown in the Table No.3 below.

TABLE 3: Statutory Clearances

Sl. No.	Activities for which clearances are required	Location (Km.)	Statutory Authority	Present status and reference no. of approval document	Annexure
1	Stone crusher plant, concrete batching & mixing plant, sand washing plant & hot mix plant	Serchip to Buarpui Road	Pollution Control Board, Mizoram	Consent to operate is valid till 3-Mar-2028. Ref: No. H.88088/Poltn/9 (83)/06-MPCB/913 dated 4-Mar-18	ANNEXURE 2
2	Stone crusher Plant, WMM plant & hot mix plant	Camp at Sailam(15 Km Tenzawl Village)	Pollution Control Board, Mizoram	Consent to operate is valid till 14th Feb-2027. Ref: No. H.88088/Poltn/9 (83)/06-MPCB/130 dated 15-Feb-2017	ANNEXURE 3
3	Hume pipe production facility	Camp at Sailam (15 Km Tenzawl Village)	Pollution Control Board, Mizoram	Consent to operate is valid till 13-Nov-2033 Ref: No. H.88088/Poltn/9 (83)/06-MPCB/232dated 14-Nov-2018.	ANNEXURE 4
4	Stone crusher Plant	Camp at Km 9 (in Part 2)	Pollution Control Board, Mizoram	Consent to operate is valid till 13-Nov-2028. Ref: No. H.88088/Poltn/9 (83)/06-MPCB/233-234 dated 14-Nov-2018.	ANNEXURE 5
5	Stone crusher plant, hot mix plant &sand washing plant	Camp at Km 21 (in Part 2)	Pollution Control Board, Mizoram	Consent to operate is valid till 26-Aug-2028. Ref: No. H.88088/Poltn/9 (83)/06-MPCB/224-225 dated 27-Aug-2018.	ANNEXURE 6

Sl. No.	Activities for which clearances are required	Location (Km.)	Statutory Authority	Present status and reference no. of approval document	Annexure
6	License of possession for use of explosives from Magazine	Camp at Sailam (71Km on Aizawl Thenzawl Road)	Ministry of Petroleum & Explosives Safety Organization (PESO)	License No. E/EC/MZ/22/34(E38508) renewed on 5-Apr-16and valid till 31-Mar-2022	ANNEXURE 7
7	Grant for carriage of explosives by road van	Camp at Sailam (71Km on Aizawl Thenzawl Road)	Ministry of Petroleum & Explosives Safety Organization (PESO)	Renewed License No. E/EG/MZ/22/34(E38508) valid till 31-Mar-2022	ANNEXURE 8
8	Shot Firer's Certificate	Camp at Sailam (71Km on Aizawl Thenzawl Road)	Ministry of Petroleum & Explosives Safety Organization (PESO)	Certificate No. E/EG/MZ/30/24/(E61588) revalidated till31-Mar-2021	ANNEXURE 9
9	Labour License	For labours engaged in the project.	District Labour Employment & Industrial Training, Govt. of Mizoram	Renewed till 8-June-2021 vide letter no. IMW(A)-17/2020 dated 21st May, 2020	ANNEXURE 10
10	Workman Compensation Policy	For labours engaged in the project	Obtained from TATA AIG General Insurance Co.	Covered for 150 workers (75 skilled, 75 unskilled) and valid till 17-January-2022.	ANNEXURE 11
11	PUC of all vehicles/ construction machinery	Project area	Transport Department, Govt. Of Mizoram	Mandatory as per Transport Dept. for all commercial vehicles. Timely renewal of the certificates from the Transport Department are being obtained.	
12	Sand quarry		Purchase from local suppliers		

Sl. No.	Activities for which clearances are required	Location (Km.)	Statutory Authority	Present status and reference no. of approval document	Annexure
13	Appointment of physician	Arranged for all inhabitants of camps being run by us	Doctor from Ayush Hospital, Thenzawl (Dr. David C. Laltanpuia)	Letter of appointment issued and acceptance obtained from him dated 4-Apr-2018	ANNEXURE 12

3.2 **Compliances in respect of : Agreements with landlords** for the leased lands for running of Camps and stone quarries are shown in the table 4.

TABLE 4: Required consent for camp site and quarries

Sl. No.	Action in respect of authorised use of leased land for	Location (Km.)	Document to be in place	Present Status and Reference No.	Enclosure
1	Stone quarry	77Km (on Aizawl Thenzawl Road	Agreement with the landowner	Agreement renewed on 1-Jul-19 is valid till 31-Mar-2022	ANNEXURE 13
2	Camp	Ch. 9+000 (inPart 2)	Agreement with the landowner	Lease deed with the Land owner is valid till 31 May-2021.	ANNEXURE 14
3	Camp	71 Km (on Aizawl Thenzawl Road	Agreement with the landowner	Lease deed with the landowner is renewed till 31stDecember, 2023.	ANNEXURE 15
4	Camp	Km 21 (in Part 2)	Agreement with the landowner	Lease deed with the landowner is valid till 30thJanuary, 2022	ANNEXURE 16

10. The expansion of the project road does not attract the provision of EIA Notification and require any Environmental Clearance from the MOEFCC. No part of the project road is falling within the core, buffer or eco-sensitive areas of national parks, sanctuaries, biospheres, and protected wetlands; and the project roads are away from the legally protected monuments of archeological importance. Forest area diversion of 0.9963 ha was done under Tlawng Riverine Reserve Forest (Annexure 17) and amount for compensatory afforestation was deposited to Forest Department account (Annexure 18).

4. ENVIRONMENTAL & SAFETY MANAGEMENT AT SITE

4.1 Management of Spoil

11. Earth spoil generated from the cutting and landslides are disposed off at identified and authorized locations with the prior approval from the PIU / CSC. In case of the area is falling under the jurisdiction of the Village Council, consent for use of the land for the said purpose is obtained from the concerned VCP. In case of few other private lands which are used for the disposal of earth, NOC from the respective landowners had been obtained. PIU, PWD has also provided disposal sites to those lands which are owned by Government. Some of disposal sites are shown in photo 1, photo 2 and photo 3. Status of dumping sites are shown in table 5 and table 6.

4.2 Management of Stone Quarries

12. As per the quality and quantity requirements in respect of stone spalls / chips etc, at present only two quarries are being operated. These quarries are in privately owned land and mining is being continued after having obtained due consent (Agreement and renewal thereof) / clearances from the respective landowners. List of stone quarry and the present status are shown in table 7 and photograph 4.

Table 7: List of stone quarries being operated and their present status

S. No.	Name / Identification of the stone quarry	Location	Name of the landowner	Agreement with the land Owner	Status
1	Sentezel (Airport Quarry) (Km 77)	On Aizawl-Thenzawl MSRP Road	Mr. R Chhuntluanga of Sailam Village	Lease deed with the land owner, ref: ANNEXURE 13	In operati -on

4.3 Details of Base Camp and other Camps

13. The project road is divided into two parts and for the logistics and expediency of the work one base camp and three other camps have been established. Base camp is

established in the Part 1 at km12 near Mat river bridge. Three other camps have been established in Part 2 at km 9.0, km 21.0 and km 71.0. Potable drinking water, adequate sanitary and first aid facilities have been provided in all the camps. LPG/ kerosene fuel are being used for cooking purposes. Toilets with connected piping to septic tanks and soak pits are provided. The solid wastes generated are being collected in dustbin sand the garbage is disposed off at regular intervals at designated ground. To ensure no water logging during monsoon, drainage facilities are provided and maintained at the camp sites. Camp photographs (5) are shown below.-

4.4 Compliance with Safety at work place

Traffic Management:

14. Although the volume of traffic movement is low in the work locations, priorities are always given to the road users to minimize inconvenience during construction. Traffic management comprising of temporary diversion of road, display of signages, deployment of flagmen as required are generally followed as, when and where those are required. Instructions are given to the concerned supervisors for adherence to these requirements to mitigate inconvenience to the public. There are no issues / complaints, so far in respect of any non-compliance of the above. Interactions and consultations are carried out with the Village Councils and NGOs from time to time to address any likelihood of inconvenience to the villagers from the planned road construction operations, which also help both the parties in maintaining a cordial relationship and in getting support from each other.

4.5 Environment, Health and Safety (EHS)

15. Workers are made aware of the risk from human transmitted diseases due to uncontrolled mixing and the related precautionary measures to be taken to safeguard from acquiring diseases and remain as healthy. Importance of use of right and adequate PPE and good work practices while at work to ensure safety of the individual and that of his co-workers. Every staff of M/s Tantia Constructions Ltd. deployed in this project is made aware of the project specific Environmental and Safety Policy (Photograph 6). It is also disseminated to all persons concerned with the contractor in the execution of the project that the Environmental Management Plan (EMP) being a part of the contract document, it is obligatory on the part of the contractor as well as all his staff and workmen to comply with the provisions / stipulations mentioned in the EMP document in full.

4.6 Medical Assistance

16. First-aid boxes with medicines and accessories are kept in each camp site as well as at work sites. Regular health check-up is arranged at the nearest hospitals in

Thenzawl and Serchhip for those staff and workers who need medical assistance. Due to non-availability of any privately managed hospitals in the project area and shortage of doctors, agreement for providing medical assistance to our workmen and staff could not be made with a hospital. However, one Doctor from Ayush Hospital (GoI) Thenzawl was appointed on 4-Apr-18 as our Medical Advisor/ Instructor (Ref: ANNEXURE 14) to visit all camps once in a month for conducting health check-up of our workers. Health check-up of dwellers at Tlawng River base camp at Km 21 was conducted by the said appointed doctor on 29thSep, 2020. During the reporting period July to December 2020 only one health camps were organized due to COVID 19 where 24 staff and workers were screened. Photograph (7) showing health check-up underway at 21 KM base camp on 24-Dec 2020 (Last 6 months).

Photographs - 6

Emergency contact details displayed at the camp	Sand buckets for firefighting in the camp

Photograph 7 :Showing health check-up on 24-Dec 2020

17. Besides health check-up during the reported period, Mizoram State Aids Control Society (MSACS) Unit at Serchhip Hospital could not conduct HIV AIDS Awareness Programme for the workers and staff members.

4.7 Covid 19 related issues

18. This ***Site Specific Health and Safety Plan*** has been prepared on the basis of ***Standard Operating Procedure (SOP) : Health and Safety Plan*** prepared by the Project Implementation Unit, Public Works Department, Govt. of Mizoram. This document is intended to supplement formal H&S policies, procedures and plans that the contractor has in place for its employees and staff working under M/s Tantia Constructions Limited, in Serchhip-Buarpui Road project.

Details of COVID-19 Officer :
Name: Ramdina Hrahsel
Contact Numbers : 94851 40521

Emergency Contact No :
Dr. Davida - 81189 08475
Dr. Tma - 87876 79989

19. Mitigation measures : Following measures were taken at site :

1. **Thermal Screening** :
    a. All work places have adequate arrangements for temperature screening.
    b. Mandatory thermal scanning of everyone entering and exiting the work place is done.

2. **Provision of hand wash and sanitizer** preferably with touch free mechanism will be made at all entry and exit points and common areas. Sufficient quantities of all the items will be available.

Thermal Scanner placed at all the entry points and camps	Thermal Scanning at entry point of camp or work site

Hand washing facility with sanitizer- Work site	Hand washing facility with sanitizer - Camp

3. **Practice of good hygiene** (Mandatory hand washing):-
    a. Washing of hands frequently using soap and water:
        i. After coming to the camp from work place.
        ii. After having touched your face, coughing or sneezing.
        iii. Before preparing food, eating.
        iv. Before and after using toilet, cleaning etc.
    b. Avoid touching eyes, nose and mouth with unclean hands.

c. While coughing or sneezing cover nose and mouth with handkerchief. Wash the handkerchief at least daily.

d. It is preferable to cough/sneeze into bent elbow rather than in the palms.

e. Spitting should be strictly prohibited.

f. Do not shout in public places to avoid the spread of droplets.

g. Ensure that the surfaces and objects are regularly cleaned.

Sample Posters displayed at work site

4. There is a **strict ban of use of gutka, tobacco** etc, at site.

5. **Wearing of face cover** is compulsory in all work places.

How to use masks (or cloth covering the nose and mouth)

a. Wash hands before putting on the mask
b. Make sure that it covers both mouth and nose and is not loose.
c. Do not touch the mask from the front, touch only from the sides.
d. Make sure to wash your hands after changing the mask
e. Change the mask every 6-8 hours or when it becomes moist
f. If using disposable masks, have a dustbin with cover and a plastic bag lining to throw the masks in.
g. If using cloth masks, wash them at least daily

Poster displayed – How to use hand made face cover / Mask

6. All **areas in the premises** including the following **shall be disinfected** completely using user friendly disinfectant mediums :

a. Entrance Gate of living quarters, office, etc.
b. Canteen
c. Entrance gate of site, bunkers, cabins.

d. Equipments
e. Washroom, toilet, sink, water points etc.
f. Walls / all other surfaces.
g. Contractor shall sanitize their workplaces between shifts.

7. Work places have **a gap of one hour between shifts** and will stagger the lunch breaks of staff, to ensure social distancing.

8. All persons in charge of work places and transport ensure social distancing as per the guidelines issued by Ministry of Health and Family Welfare.

9. **Practice of social distancing** :-
   a. Avoid gatherings such as during meals, work places, etc.
   b. Maintain a safe distance of at least one Metre between you and other people.
   c. Avoid physical contact like handshakes, hand holding or hugs.
   d. Avoid touching surfaces such as table tops, chairs, door handles etc.
   e. Stay in the camp when there is no work.

Sanitization of office	Sanitization of Camp

10. **Large gatherings of 10 or more people to be discouraged**. Seating at least 6 feet away from others on work sites.

11. **Total ban on non-essential visitors at Labour camps**.

12. Hospital / clinics in the nearby areas, which are authorized to treat COVID – 19 patients, were identified and list available at work place all the times.

13. **Transportation**:
    a. For workers coming from outside, special transportation facility are arranged without any dependency on public transport system. These vehicles allowed to work only with 30 – 40 % passenger capacity.
    b. All vehicles and machinery entering the premise disinfected by spray.

20. 5 positive cases COVID-19 during the reporting period July to December 2020.

So far 5 positive cases were reported. All were treated at hospital and now working in good health. Details of the positive cases and their recovery are noted in the table 8.

Table 8: COVID 19 + ve cases and their release

SL. NO	NAME	Designation	Quarantine center	Mode of Transport	DATE OF ARRIVAL	Date of tested Positive	Date of tested Negative and released

5. STATUS OF COMPLIANCE WITH EMP & SAFETY NORMS

21. The Contractor was briefed about the Environmental Management Plan (EMP) which is a part of their contract agreement. The contractor from time to time is being instructed to implement the EMP and submit the compliance reports on regular basis. Monitoring of all work is being carried out by the Environment and Safety Officer of the Contractor on a regular basis. Environmental compliance report of the same is being sent to PIU, PWD and CSC on a monthly basis, which is compiled in the monthly report. Compliances are being monitored through check list provided by the CSC which is updated every month. The Table no.9 is showing below the status report of Environmental Compliance for the reporting period and table no.9for EHS status.

Table 9: Status of Environmental Compliances

(Reporting Format compiled for 6 months)

Improvement and Up gradation of Serchhip to Buarpui Road (MZ 02) (Project - 2 Road in the state of Mizoram)	
Agreement No: PIU/NESRIP/MZ02/CW/2014/3	Name of the Environmental Inspector: Mr. Lalramdina
Contractor : M/s Tantia Constructions Limited	
Date of Contract Agreement : 11-Nov-2014	Name of the Safety Inspector: Mr. Mayank Yadav
Project start date :3-Dec-2014	
Original Date of Completion : 10-Nov-2017	
Contract Period : 36 months	Report for the Period of : July - December , 2020
Extended up to :31-Mar-2021	

Environmental Compliances

S.No.	Description	Status	Remarks
1	Contractor's EMP approved by the Engineer		
2	Environment		
2.1	Sources of materials		
2.1.a	Use of quarry sites and material sources of materials as permitted by the Government during the reporting period	Complied	All operated quarries are having valid permits from the concerned authorities.
2.1.b	Verify suitability and approval by the PIU		Materials are used after acceptable test results.

2.1.c	Submission of documentations of all material sources monthly	Complied	Submitted along with the Monthly Environmental Report
2.2	Air		
2.2.a	Spray water on dry surfaces to reduce dust in the air		Not required due to humidity and continuous rains.
2.2.b	Use of tarpaulins to cover sand and other loose materials when transported in open vehicles	Being complied as and when so required	Need to cover with tarpaulins has not arisen since the ambient air humidity are generally high and also trucks are not fully loaded with sand.
2.2.c	Clean wheels and undercarriages of vehicles while leaving the site	As a part of the regular upkeep of vehicles	Vehicle maintenance team is available at the campsite and taking care of this requirement.
2.2.d	Certificates on vehicular emission of all the vehicles being used in the site	Complied	Statutory requirement as per state traffic police, hence valid certificates of emission are accompanying each vehicle.
2.2.e	Check air quality by PCB approved lab	Complied	Air, Water & Noise tests are being carried out
2.3	Noise		
2.3.a	Plan activities in consultation with Engineer, community to reduce noise level	Complied	At present work is being carried out away from the settlement area, hence when such situation arises activities will be so planned in consultation with the concerned.
1.3.b	Provide information to public about work schedule	Complied	Regular interaction / consultation with the VCP(representative of the villagers) is carried out.
2.3.c	Horns not used, unless essential	Complied	
2.3.d	Minimize the noise by silencers	Complied	Silencers are already installed.
2.3.e	Do not allow workers to an exposure of 80 dBA or above without ear plug	Complied	
2.3.f	Use of Generators KVA from to	Yes	At stone quarries particularly, during operations.
2.3.g	Check Noise level by PCB approved lab	Complied	Monitoring by third party / PCB approved laboratory being done.
2.4	Surface water quality		
2.4.a	Avoid stockpiling of earth, especially during monsoon unless covered by tarpaulin or	Complied	No such piling of earth takes place; spoil accumulated from cutting are disposed off a the disposal site(s)

	plastic sheets		and spread out .
2.4.b	Install temporary silt traps or sedimentation basins along the drainage leading to water bodies	Noted	As such no such situation is encountered. However will be provide, as an when required, at the bottom of the disposal sites.
2.4.c	Store fuel and lubricants away from the drains	Complied	
2.4.d	Check surface water quality by PCB approved lab	Complied	Third part monitoring carried out in PCB approved laboratory.
3	Land Use		
3.a	Has the contractor preserved the topsoil for replacement after construction	Complied	Used in return filling as the work progresses.
3.b	Status of the surface vegetation on the construction site prior to the initiation of the work (Detail report with number of trees cut and initial photographs of the area)	Being done	Photographs kept.
3.c	Compaction of soil	Being done as per technical specifications	Carried out during the rod sub grade work
3.d	New dumping area started	No	Only approved disposal areas are in use.
4	Pollution		
4.a	Spills of oils on the site and on the stream regularly checked	Yes	No spillage noticed, so far
4.b	Necessary measures taken to stop it		Vehicles are regularly checked for leakage of oil / lubricant; drip trays are used underneath the vehicle to avoid spillage on the ground.
4.c	What measures are taken to remove the used engine oils	Yes	The Change Mobil are kept in proper barrels to sent it to reprocess unit at Silchar
4.d	Surface discharges from the camps are to be monitored	Complied	The Change Mobil are caped in proper barrels to sent it to reprocessed unit at Silchar
5	Dumping ground		
5.a	List of dumping grounds	In place	
6	Disruption of agricultural activities	No	
6.a	Any measures taken to	Not	No such situation has arisen, so far.

	minimize the impact on agricultural activities undertaken along the road	encounte red	
6.b	Any loss or damage of agricultural land and crops due to project construction activities	No	No such situation has arisen, so far.
7	Access routes		
7.a	All the access roads inspected for their appropriateness for moving construction equipment.	Yes	In order.
7.b	If found inappropriate, strengthened by the Contractor	Noted	Corrective work carried out, as and when so required.
7.c	Due to the movement of the heavy vehicles, the access road is degraded more than normal use	No	Any degradation of the access road is restored for proper movement of heavy vehicles.
7.d	Contractor repaired the degraded access road	Complied	Being done, as and when so required.
7.e	Access road for the fringe community is used / blocked and alternative route is provided	Yes	Due to low traffic intensity and volume, this was not an issue so far.
7.f	Conduct the work during light traffic	Complied	As it is the traffic movement is very less in the project road, which is under widening.
8	Sand Excavation		
8.a	Whether the sand excavation area was approved by the Engineer.	Yes	Sand is purchased from a third party having valid permit for extraction of sand from river bed.
8.b	Whether contractor has submitted a map indicating the area of planned sand excavation	Yes	Location map of the sand extraction quarry already submitted.
8.c	Whether the royalty payment slips are submitted	Yes	
9	Site Installations		
9.a	Protection of trees for their preservation	Complied	Afforestation against felling of each tree done. Fresh plantation is done as per IEE.
9.b	Whether temporary roads were constructed ?	Yes	Where diversion of road was required.
9.c	Whether environmental friendly waste disposal system properly monitored and executed in the	Complied	Waste disposal sites are located with sufficient clearance with respect to the elements (surface / water

	work sites ?		course) of environment to avoid any possibility of damage.
10	Labour Camps		
10.a	Consult Engineer and fringe community for establishing the temporary office shed, camp and plant	Done	Constructed as per approved locations and after consultation with the concerned VCP.
10.b	Layout to be approved	Done	Layouts of temporary office, camp and installed plant are approved.
10.c	Minimize removal of vegetation and do not allow cutting of trees	Done	Selection of Camp , plant and office locations were done considering aspects which will cause minimum damage to the environment.
10.d	Provide safe drinking water to the camp inhabitants	Complied	Safe drinking water is supplied at the camp locations.
10.e	Sanitation facility to the camp inhabitants	Complied	No open defecation is allowed. Closed toilets with sewerage, septic tank , soak pit etc are provided in all camps.
10.f	Solid waste management practiced in the camps	Complied	Pits at designated locations are provided for disposing of solid wastes within the camp site.
10.g	First aid box	Complied	Available and maintained at all camps and worksites.
10.h	Emergency contact details displayed	Displaye d	In the camp premises.
10.i	Report Engineer and fringe community before vacating the camp after the work	Noted	Not applicable at the moment.
11	Reuse of construction materials	Noted	
12	Homestead Loss		
7.a	Any home stead loss (including loss of trees, ponds, shifting of any other installations)	Not applicabl e	
13	Shifting utility	Not applicabl e	
8.a	Electric Pole	Not applicabl e	
13.b	Water pipeline	Not applicabl e	
14	Drainage from adjacent areas		
14.a	Natural drainage system blocked or disrupted.	Yes	Only under unavoidable circumstances this was so done but

			reinstated to normal drainage on the same way.
14.b	Number of culverts		229 nos
15	Wildlife		
15.a	Sighting of any wildlife	No	No wildlife was seen along the project road alignment, so far
15.b	Hunting by villager	Not noticed	Can't say.
15.c	Hunting by camp labour	No	Never.
15.d	Road kill	Not known	No record / knowledge.
15.e	Awareness	Yes	It is followed as part of a continuous process.
15.f	Posters distributed/ displayed	Yes	
16	Health and Safety		
16.a	Provision of First Aid and medical service available	In place	Hospitals are situated near by the project site and medical assistance is taken , whenever needed.
16.b	Health camp	Done	On 24-Dec-2020
16.c	AIDS awareness	Not Done	Not done during July to December 2020
17	Display Materials		
17.a	Signs like "Only Staff", "Restricted Area" displayed in relevant area	Not required.	Only at the camp premises
12.b	Safety (including traffic signs), notice board is available	In place	Available inside the camp premises.
17.c	Barricades / safety barrier (New)	Complied	Installed as and when required.
17.d	Safety barrier	Complied	Same as above
17.e	Reflective ribbon	Complied	Same as above
18	Statuary clearances		
18.a	Camp (for each camp separately)	Complied	
18.b	HMP (for each separately)	Complied	
18.c	Batching plant (for each separately)	Complied	
18.d	Crusher plant	Complied	
18.e	Quarry	Complied	
18.f	Use and storage of explosives	Complied	
18.g	Storage of fuel, lubricant,	Complied	
18.h	Extraction of ground water (if)	Complied	
18.i	Use of surface water		Water is drawn from natural stream
18.j	Labour license	In place	Copy of License is attached
18.k	Insurance of workers	In place	Copy enclosed

18.l	Other statutory clearances	In place	Copy enclosed
19	Plantation		
19.a	Tree plantation along the hill section (slope) to control soil erosion	Noted	To be carried out after completion of the pavement construction work
20	Fuel storage		At base camp, fuel storage – 20 KL Safety Measures : 1. sand buckets placed near the underground storage tank 2. Smoking is prohibited in the area.
21	PPE		
21.a	Weekly PPE Drill	In place	Through Tool Box Talk
22	Safety		
22.a	Safety Barrier (New in current month)	Installed	Photographs are enclosed
23	Plans at site		
23.a	Environment Management Plan	In place	Under implementation and monitoring.
23.b	Safety Plan	In place	As per site conditions
23.c	Traffic Management Plan		The project road is having very less traffic volume and intensity, however, when such issues arise same are duly taken care of through planning.
24	Training		
24.a	On Health and Safety		During tool box meeting in each camp
24.b	On AIDS		Conducted in camp on 07-Oct-2020
24.c	On Tool Box		Continuous
24.d	On Environment Safeguards		Continuous
24.e	On Safety		Continuous
25	Diesel Generator		Used at stone quarry sites
26	Shifting of utility		
26.a	By PIU		Prior to commencement of the work
26.b	By contractor		Not encountered
27.	Enhancement of cultural properties		If encounter
28	Excavation of road side derbies and disposal		Derbies are disposed at approved dumping sites only
29	Grievance		
29.a	Grievance Redressal Mechanism		No Grievance recorded
29.b	Grievance display board		Provided
30	Registers to be kept at site		
30.a	Material Source		

30.b	Labour		
30.c	Pollution monitoring results		
30.d	Public complaints	Not applicable	No complaints registered during the recorded period.
30.e	PPE issue register	In place	Maintained at every camp site
31	Report submission		
31.a	Environment Monthly Report	Complied	Submitted every month
31.b	Monthly Safety Report	Complied	Submitted every month
32	Claim under IPC from Environmental budget (item 9)		39,03,465.152/-
33	Environment Officer	Deployed	Attendance – 123 days present
34	Safety Officer	Deployed	Attendance – 92 days present

Table 10: EHS Status from July to December 2020

Manpower

S No.	Description	For July-December 2020	Remarks
1	Average daily manpower engaged during the period	82	
2	Working hours per head	8	
3	Total man-hours worked during this period	1,19,767	

Reportable Accidents

S No.	Description	For July-December 2020	Remarks
1	No. of fatalities	0	
2	No. of major LTIs	0	
3	No. of minor LTIs	0	
4	Total nos. of LTIs	0	
5	No. of first aid cases	3	Minor injury
6	No.of medical treatment cases	5	Including First aid cases

Incidents Data

S No.	Description	For July-December 2020	Remarks
1	No. of vehicle incidents	0	
2	No. of fire incidents	0	

3	No. of property damage	0	
4	No. of environment related incidents	0	
5	Nos. of man-days lost	0	
6	Last LTI date	-	
7	Safe man-hours after last LTI	-	
8	Incident Rate of FAC [(Nos. of FAC X 1000) / Average nos. of workmen]	0	
9	Frequency Rate [(Total nos. of reportable LTIs X 1000000) / Total man-hours worked]	0	
10	Severity Rate [(Nos. of man-days lost due to reportable LTIs X 1000000) / Total man-hours worked]	0	

Training

S No.	Description	For July-December 2020	Remarks
7	No. of Tool Box meetings conducted	6	
8	Nos. of persons participated in the Tool Box meetings	51	
9	No. of Safety meetings and conducted by	3	By Safety Officer
10	Nos. of training / awareness campaign and conducted by	0	Health and AIDS

6. ENVIRONMENTAL MONITORING

22. Besides regular on-site monitoring for the implementation of Environmental Management Plan, air quality, water quality and noise levels are required to be monitored to check any adverse impact due to construction activities and to ensure that plants and machineries working on project do not pollute the surrounding environment. The Contractors is required to hire the services of environmental monitoring laboratories; accredited by NABL /MOEF&CC to monitor the environmental parameters like air, noise and water quality parameters as per the agreed Environmental Monitoring Plan. Results of the Test of ambient environment are shown in Table 11, 12 and 13.

Table 11 : Monitoring of Air Quality

Sampling Station	Date of testing	PM 10(µg / m^3)	PM 2.5(µg / m^3)	SO2 (µg / m^3)	NOs (µg / m^3)	CO (µg/ m^3)	Remarks
Limits as per Gazette Notification dtd.18-Nov-2009		80	80	100	60	04

7. Status of Compliance with Safeguards Loan Covenants

23. `The schedule-5 of this Loan Agreement (Loan Number 3073-IND) provides the details of safeguards related to implementation and the reporting requirements. The PIU, PWD Mizoram is making best efforts to comply with all the requirements and obligations included in the Loan Agreement. The status of compliances with the safeguards loan covenants are given in the Table-14.

Table 14-Status of Compliances with respect to the Safeguards Loan Covenants

Safeguards Covenants	Description	Status of Compliance/ Remarks
Schedule 5 Para 4	The Borrower shall cause the relevant Project Executing Agency to ensure that the preparation, design, construction, implementation and operation of each Sub project comply with (i) all applicable laws and regulations of the Borrower and the relevant State relating to environment, health, and safety; (ii) the Environmental Safeguards; (iii) the EARF ;and (iv) all measures and requirements set forth in the relevant IEE and EMP, and any corrective or preventative actions set forth in a Safeguards Monitoring Report.	Being Complied
Schedule 5 Para 8	<u>Human and Financial Resources to Implement Safeguards Requirements</u> The Borrower shall cause the relevant Project Executing Agency to ensure that all necessary budgetary and human resources to fully implement the EMPs, the RPs and the IPPs as required, are made available. Each Project Executing Agency shall designate at least one expert to supervise implementation of the EMPs and RPs for the Subprojects in its State.	Being Complied
Schedule 5 Para 9	<u>Safeguards – Related Provisions in Bidding Documents and Works Contracts</u> The Borrower shall cause the relevant Project	Safeguards related provisions included in the bidding documents and

Safeguards Covenants	Description	Status of Compliance/ Remarks
	Executing Agency to ensure that all bidding documents and contracts for Works contain provisions that require contractors to:	works contract.
	(a) comply with the measures and requirements relevant to the contractor set forth in the relevant IEE, EMP, RP and IPP (to the extent they concern impacts on affected people during construction), and any corrective or preventative actions set out in a Safeguards Monitoring Report;	a) Requirements are being complied
	(b) make available a budget for all such environmental and social measures;	b) are being complied
	(c) provide the Project Executing Agency with a written notice of any unanticipated environmental, resettlement or indigenous peoples risks or impacts that arise during construction, implementation or operation of the Project that were not considered in the relevant IEE, EMP, RP or IPP;	c) Shall be complied with if situation so arises.
	(d) adequately record the condition of roads, agricultural land and other infrastructure prior to starting to transport materials and construction; and	d) Complied
	(e) fully reinstate pathways, other local infrastructure, and agricultural land to at least their pre-project condition upon the completion of construction.	e) will be restored as practicable after completion of the project
Schedule 5 Para 10	<u>Safeguards Monitoring and Reporting</u> The Borrower shall cause the Project Executing Agencies to ensure the following:	Being complied
	(a) submit semi-annual Safeguards Monitoring Reports to ADB and disclose relevant information from such reports to the affected persons promptly upon submission;	Being complied

Safeguards Covenants	Description	Status of Compliance/ Remarks
	(b) if any unanticipated environmental and/or social risks and impacts arise during construction, implementation or operation of the Project that were not considered in any IEE, EMP, RP or IPP (as applicable), promptly inform ADB of the occurrence of such risks or impacts, with detailed description of the event and proposed corrective action plan; (c) no later than three months from the commencement of RP implementation of the first Subproject, engage qualified and experienced external experts or qualified non-governmental organizations under a selection process and terms of reference acceptable to ADB, to verify information produced through the project monitoring process for resettlement, environment and indigenous peoples (if any), and facilitate the carrying out of any verification activities by such external experts; and (d) report any breach of compliance with the measures and requirements set forth in any EMP, RP or IPP promptly after becoming aware of the breach.	Being complied Being complied
Schedule 5 Para 11	<u>Prohibited List of Investments</u> The Borrower shall cause the Project Executing Agencies to ensure that no proceeds of the Loan are used to finance any activity included in the list of prohibited investment activities provided in Appendix 5 of the Safeguards Policy Statement.	EA to ensure that no part of the Loan under the project shall be used to finance any activity included in the list of prohibited investment activities provided in Appendix 5 of ADB's Safeguards Policy Statement 2009.

Safeguards Covenants	Description	Status of Compliance/ Remarks
Schedule 5 Para 12	Labor Standards The Borrower shall cause the Project Executing Agencies to ensure that the Works contracts under the Project follow all applicable labor laws of the Borrower and the State and that these further include provisions to the effect that contractors; (i) carry out HIV/AIDS awareness programs for labor and disseminate information at worksites on risks of sexually transmitted diseases and HIV/AIDS as part of health and safety measures for those employed during construction; and (ii) follow and implement all statutory provisions on labor(including not employing or using children as labor, equal pay for equal work), health, safety, welfare, sanitation, and working conditions. Such contracts shall also include clauses for termination in case of any breach of the stated provisions by the contractors.	Being complied

8. Public Consultations and Grievance Redressed

24. Informal consultations are being held regularly with the local people, village chiefs and affected people in the project area including with relevant government agencies. PIU on regular basis is guiding contractor and CSC to ensure that the following issues are addressed with utmost care and priority:

- Controlled construction activities in settlement locations;
- Safety issues related to traffic diversion;
- Environment Health and Safety related aspects.

In general the local residents are supporting the project and happy with the construction of the road. No formal public consultation done during the period July to December 2020. Public consultation should be carried out in the next reporting period.

25. The project specific grievance redress committee (GRC) was established since March 2014 (Annexure -19) to address concerns and grievances of the local communities and affected parties pertaining to resettlement benefits, compensation, and relocation issues. No grievance has been received during this reporting period from public regarding any environmental safeguards issue.

9. Conclusion and Recommendations

26. In order to have a sustainable development in the project the emphasis on the implementation of EMP has been given topmost priority. Contractors are implementing mitigation measures provided in civil work contract; however, there is scope for further improvement in areas like personnel safety equipment use by workers, safety provisions for traffic, debris / construction waste disposal, camp site management etc. The contractors assured that they will try their level best to comply with the suggestions given by CSCs /PIU from time to time for better implementation of EMPs. The contractor will arrange AIDS awareness camp and also arrange public consultation in the next reporting period.

27. The implementations of the project have not led to any impact on any component of environment and is contributing for the development of region as expected during planning and implementation stage.

LEASE DEED

THIS LEASE AGREEMENT MADE ON THIS 11th DAY OF May 2015

BETWEEN

Pu Lalruatliana , S/o Rova(L) , a permanent resident of Thenzawl , Dist. Serchip , Mizoram, hereinafter referred to as the **"LESSOR"** (which term or expression shall, unless excluded or repugnant to the subject or context be deemed to mean and include his heirs, legal representatives and assigns)

AND

TANTIA CONSTRUCTIONS LTD., a Company incorporated under the Companies Act 1956, having its Registered Office at 25/27 Netaji Subhas Road, Kolkata 700 001 and its Local (Aizawl) Office at D/72 Ramhlun North, Aizawl, hereinafter referred to as **"the LESSEE"** (which term or expression shall, unless excluded or repugnant to the subject or context be deemed to mean and include its successors and assigns).

1

R. Lalrinmawia

WHEREAS

A) The Lessor is the owner and is in possession of a piece of Land measuring 20 (Hectare) situated at near by kilometer 9 between Thenzawl – Buarpui Road , Dist. Serchip, in the State of Mizoram, more fully described in the Schedule herein below referred to as the said **"Land" (the Camp)** issued by The Village Council President , Thenzawl , District Serchip , Mizoram .

B) The Lessee is engaged in the business for construction of Road and other works for various Government and other Agencies.

C) The Lessee requires a plot of land situated at near by kilometer 9 between Thenzawl – Buarpui Road, Dist. Serchip, in the State of Mizoram to set up a Camp, hutment for staff and labour, Crusher, Hot Mix Plant, WMM Plant, Extruction & Collection of Boulder, GSB, and river sand and other construction materials in connection with the work of - **"Improvement & Upgradation of serchip-buarpui road(mz-02)(project 2 road in state of Mizoram).** The execution of a Contract awarded by PWD, Government of Mizoram.

D) The Lessee has requested the Lessor to grant a lease of the said Land (the Camp) measuring 20(Hectare) issued by The Village Council President , Thenzawl , District Serchip , Mizoram .

E) The Lessor has agreed to grant a lease to the Lessee for the said land (the Camp) pursuant to the terms and conditions herein set out.

NOW THIS AGREEMENT WITNESSETH and it is hereby agreed by and between the Parties hereto as follows:-

1. That, in consideration of payments to the Lessor as provided herein, by the Lessee the Lessor hereby grants to the Lessee and the Lessee accepts a Lease for the Camp from 1st June 2015 to 31st May 2019 ("the Term"). The Lessee may, by written notice to the Lessor for extension of the Term prior to the expiry of the Term, extend the Term by Three Years on the same terms and conditions.

2. That, the Lessee shall pay to the Lessor rent of Rs.12,000/- (Rupees Twelve thousand only) per year . The Lessee shall pay to the Lessor advance of Rs.12,000/- (Twelve thousand Only) at the time of signing the agreement .

3. That, the yearly rent of Rs. 12,000/- (Rupees Twelve thousand only), set out in Clause 2, shall not be revised during the Term of the Agreement and any extension thereof.

4. That, the Lessor and the Lessee shall abide by the terms and conditions agreed in this Agreement.

R. Lalnunmawia

5. That, all regulatory approvals/permissions shall be obtained by the Lessor on behalf of the Lessee in order that the Lessee may use the land for their base camp without any hindrances. The Lessor has agreed to cut the trees/forest clearance as required by the Lessee in his expenses. The Lessor has agreed to cutting , leveling and earth filling as required by the Lessee and the lessor not claiming any extra for tree , crops and plantation etc .

6. That, the Lessee may establish and erect the necessary Plant and Machinery and construct Buildings or any type of structure as may be required for the establishment of the said base camp within the land of the Lessor as detailed below:

   (a) Installing the Crushing Plant, Hot Mix Plants and other Plants.

   (b) Workshop for maintenance of Plants and Equipments.

   (c) Construct buildings and structures for Office and Staff and Labour Accommodation

   (d) Machinery and Equipment parking area.

   (e) Weighbridge

   (f) Extraction & Collection of Boulder, GSB, and river sand and other construction materials and Stockpiles of raw materials and finished products.

   (g) Any other temporary structures to be erected etc.

7. That, the Lessor shall not cause, directly or indirectly, any hindrances or obstructions or disturbances in the establishment of the base camp and for stay of the personnel of the Lessee within the said land (**the Camp**) during the Term of Lease or any extension thereof.

8. That, on the expiry of the Term including any extension thereof, the Lessee shall demobilize all Plant and Machinery and demolish the structures. The said land shall revert back to the Lessor in the state and condition on the date of termination of the Lease. However, any digging made for foundation will be filled-up by the Lessee. The Lessee shall remove all the Plant and Machinery and the dismantled structure within 6 (six) months from the termination of the said Lease.

9. That, the Lessor shall pay all statutory taxes pertaining to land laws during the period of this Lease.

R. Lalnunmawia

10. That, the Lessor shall not divulge or make public, in any way, any term and conditions of this Lease to others.

11. That, the Lessor shall make all necessary arrangements and render all possible support for the peaceful possession of the said Land by the Lessee.

12. That, the Parties agree that all Civil Courts, having territorial jurisdiction in respect of the said Land/Camp or where one of the defendant's resides shall have jurisdiction to determine all disputes relating to this Lease.

SCHEDULE

F) All that piece and parcel of the Land measuring 20 (Hectare) , issued by The Village Council President , Thenzawl , District Serchip , Mizoram , as per APPENDIX 'B', which shall form an integral part of this Agreement.

IN WITNESS WHERE OF the parties hereto have hereunto set their hands on the day and year first above written.

LEASE DEED

This Third Supplementary Lease Deed for lease is made on this 01 day of January 2018.

BETWEEN

Pu R.Chhuansanga , S/o Patea, aged about 47 years, a permanent resident of Sailam, Post Office, P.S , Dist.: Aizawl, Mizoram (*hereinafter* referred to as the **"LESSOR"**, which term or expression shall, unless excluded or repugnant to the subject or context, be deemed to mean and include his heirs, legal representatives and assigns);

AND

M/s. Tantia Constructions Ltd., a Company incorporated under the Companies Act 1956, having its Registered Office at 25/27 Netaji Subhas Road, Kolkata 700 001 and Local Office at D/7, Basic Mual, Ramhlun North, Aizawl 796 001 (*hereinafter* called **"The Lessee"**, which term or expressionshall, unless the same is repugnant to the context, be deemed to mean and include the successors and assigns).

The Lessee and the Lessor are collectively referred to as **"Parties"** and each of them is individually referred to as a **"Party"**.

AND WHEREAS, The Lessor has granted the Lessee by an agreement dated 1st March 2006, a lease of the site covered by the VC Pass No.115 more particularly described in the Schedule below to establish the sub-base Camp by the Lessee for a period of **3 years** ending on 28th day of February 2009 with the option to renew for both Parties (*hereinafter* referred to as the **"Lease Agreement"**).

AND WHEREAS the Parties had agreed to extend the period of the lease for a further period commencing on 1st March 2009 and ending on 31st December 2012 *vide* Supplementary Lease Deed dated 29.02.2009 (*hereinafter* referred to as the **"Supplementary Lease Deed"**).

AND WHEREAS the Parties had agreed to extend the period of the lease for a further period commencing on 1st January 2013 and ending on 31st December 2017 *vide* Second Supplementary Lease Deed dated 01.01.2013 (*hereinafter* referred to as the **"Second Supplementary Lease Deed"**).

AND WHEREAS the parties have entered into another agreement for the Extended Land from Blasting House towards Western Boundary to south side up to PWD-Pitch Road (Sialsuk – Thenzawl Road) Side for a period of 1st January 2014 to 31st December 2017 *vide* Extended Land Agreement dated 01.01.2014 (*hereinafter* referred to as the **"Extended Land Agreement"**) .

The Lease Agreement, the Supplementary Lease Deed, the Second Supplementary Lease Deed and the Extended Land Agreement are collectively referred to as **"Agreements"**.

AND WHEREAS the Parties have agreed to prepare a single agreement against the Lease Agreement and the Extended Land Agreement for extending the period of the lease for a further period of 6 (Six) years commencing on 1st January 2018 and ending on 31st December 2023 (*hereinafter* referred to as the **"further extended term"**) by revising the monthly rent payable by the Lessee to the Lessor. Pursuant to this, the Parties hereto agree to modify the Agreements to the following extent:-

1. That, the period of the lease is for a period of 6 (Six) years commencing on 1st January 2018 and ending on 31st December 2023.

2. That, the monthly rent payable for the extended term shall be Rs.12500/- (Rupees Twelve thousand Five hundred Only) per month totaling Rs.900000/- (Rupees Nine Lacs Only) (*hereinafter* referred to as the **"Total Rent"**) for the whole extended period of 6 years commencing from 1st January 2018 and ending on 31st December 2023. The Lessor has requested the Lessee to prepare a cheque in the name of LALCHHUANSANGA as the Lessor has a bank account in this name, and that the payment of the Total Rent is made in the following 3 (Three) Instalment:-

   1. In January 2018: Rs.3,50,000/- (Rupees Three lacs Fifty thousand Only) .
   2. In June 2018: Rs.3,00,000/- (Rupees Three lacs Only)
   3. In December 2018: Rs.2,50,000/- (Rupees Two lacs Fifty thousand Only)

3. In addition to the Total Rent, the Lessee shall supply 4 cubic metres of 20 MM chips at the residence of the Lessor. The Lessee shall bear the cost of transportation or pay Rs.1000/- (Rupees One thousand Only) for transportation in case the Lessor lifts the material from the camp of Lessee for which the Lessee will not claim any extra charge.

4. The Agreements stand modified to the above extent and all other terms and conditions stipulated in the Agreements remain the same.

5. The Agreements between the Parties shall form a part and parcel of this Third Supplementary Lease Deed.

D) The Lessee has requested the Lessor to grant a lease of the said Land (the Camp) measuring $2^{1}/_{2}$ Bigha issued by The Village Council President , Buarpui , District Lunglei , Mizoram .

E) The Lessor has agreed to grant a lease to the Lessee for the said land (the Camp) pursuant to the terms and conditions herein set out.

NOW THIS AGREEMENT WITNESSETH and it is hereby agreed by and between the Parties hereto as follows:-

1. That, in consideration of payments to the Lessor as provided herein, by the Lessee the Lessor hereby grants to the Lessee and the Lessee accepts a Lease for the Camp for 5(Five) Year from 1st February 2017 to 31st January 2022 (**"the Term"**). The Lessee may, by written notice to the Lessor for extension of the Term prior to the expiry of the Term, extend the Term by Three Years on the same terms and conditions.

2. That, the Lessee shall pay to the Lessor rent of Rs.1,500/- (Rupees One thousand five hundred only) per Month.

3. That, the Monthly rent of Rs.1,500/- (Rupees One thousand five hundred only) per Month , set out in Clause 2, shall not be revised during the Term of the Agreement and any extension thereof.

4. That, the Lessor and the Lessee shall abide by the terms and conditions agreed in this Agreement.

5. That, all regulatory approvals/permissions shall be obtained by the Lessor on behalf of the Lessee in order that the Lessee may use the land for their base camp without any hindrances. The Lessor has agreed to cut the trees/forest clearance as required by the Lessee in his expenses. The Lessor has agreed to cutting , leveling and earth filling as required by the Lessee and the lessor not claiming any extra for tree , crops and plantation etc .

6. That, the Lessee may establish and erect the necessary Plant and Machinery and construct Buildings or any type of structure as may be required for the establishment of the said base camp within the land of the Lessor as detailed below:

   (a) Installing the Crushing Plant, Hot Mix Plants and other Plants.

   (b) Workshop for maintenance of Plants and Equipments.

   (c) Construct buildings and structures for Office and Staff and Labour Accommodation

   (d) Machinery and Equipment parking area.

   (e) Weighbridge

   (f) Extraction & Collection of Boulder, GSB, and river sand and other construction materials and Stockpiles of raw materials and finished products.

   (g) Any other temporary structures to be erected etc.

7. That, the Lessor shall not cause, directly or indirectly, any hindrances or obstructions or disturbances in the establishment of the base camp and for stay of the personnel of the Lessee within the said land **(the Camp)** during the Term of Lease or any extension thereof.

8. That, on the expiry of the Term including any extension thereof, the Lessee shall demobilize all Plant and Machinery and demolish the structures. The said land shall revert back to the Lessor in the state and condition on the date of termination of the Lease. However, any digging made for foundation will be filled-up by the Lessee. The Lessee shall remove all the Plant and Machinery and the dismantled structure within 6 (six) months from the termination of the said Lease.

9. That, the Lessor shall pay all statutory taxes pertaining to land laws during the period of this Lease.

10. That, the Lessor shall not divulge or make public, in any way, any term and conditions of this Lease to others.

11. That, the Lessor shall make all necessary arrangements and render all possible support for the peaceful possession of the said Land by the Lessee.

12. That, the Parties agree that all Civil Courts, having territorial jurisdiction in respect of the said Land/Camp or where one of the defendant's resides shall have jurisdiction to determine all disputes relating to this Lease.

SCHEDULE

F) All that piece and parcel of the Land measuring $2^{1}/_{2}$ Bigha , issued by The Village Council President , Buarpui , District Lunglei , Mizoram , as per APPENDIX 'B', which shall form an integral part of this Agreement.

IN WITNESS WHERE OF the parties hereto have hereunto set their hands on the day and year first above written.

No. 3-MZ B 107/2013-SHI 702-03 June, 2014

To

The Principal Secretary
Environment and Forests Department,
Government of Mizoram,
Aizawl

APCCF

4/7.

Sub: Proposal for diversion of 0.9963 ha of forest land for upgradation and improvement of Serchhip-Buarpui road by Mizoram PWD.

Sir,

This has reference to the State Govt letter No.G.20015/13/2013-FST dated 27.02.2013 of Govt of Mizoram on the subject mentioned above, seeking prior approval of the Central Government in accordance with Section 2 of the FCA, 1980.

After careful consideration of the proposal, In-principle approval was granted vide this office letter of even number dated 20.11.2013 subject to fulfillment of certain conditions. The State Government has furnished compliance report in respect of the conditions stipulated in the in-principle approval and has requested the Central Government to grant final approval.

In this connection and on the basis of the compliance report furnished by the State Government vide letter No.G.20013/3/201/PCCF/286 dated 25.03.2014 of Govt of Mizoram and confirmation of Ad-hoc CAMPA, New Delhi letter No 1-24/2013-CAMPA dated 31.03.2014, **'Final Approval'** of the Central Government is hereby granted under Section-2 of the Forest (Conservation) Act, 1980 for diversion of 0.9963 ha of forest land for upgradation and improvement of Serchhip-Buarpui road by Mizoram PWD subject to the following conditions :

(1) The legal status of the forest land shall remain unchanged.
(2) Compensatory afforestation shall be raised and maintained over 2.0 ha of degraded forest land identified in Tlawng RPF at Tuihnial chhuah with the State Forest department.
(3) Permanent demarcation of forest land proposed for diversion shall be done on the ground at project cost before handing over the forest land to the User Agency.
(4) The forest land shall not be used for any purpose other than that specified in the proposal.
(5) The User Agency shall not expand its occupation or use surrounding forest/forest land in any manner otherwise expressed in this clearance.
(6) Land so diverted shall revert back to the Forest Department in case it is not needed for the above use after due restoration to its original status (as far as possible and to the satisfaction of state Forest Deptt.).
(7) The User Agency shall take all possible precautions & care all the time not to impact adversely the surrounding forests and forest land by their actions/activities.
(8) The user agency will undertake comprehensive soil and water conservation measures at the project cost.
(9) Overburden shall not be dumped outside the width of the road. The muck generated in the earth cutting will be disposed off at the designated dumping sites and in no case the muck/debris will be allowed to roll down the hill slopes.

7/7/14

2661
4/7/14

(10) Wherever possible and technically feasible, the user agency shall undertake afforestation measures along the road within the area diverted under this approval, in consultation with the State Forest Department at the project cost.

(11) Tree felling shall be done only when absolutely unavoidable and such removal, if any, shall be done under the supervision of the Forest Department.

(12) No damage to the flora fauna of the area shall be caused.

(13) No labour camp shall be established inside the forest area.

(14) The user agency shall provide fuel wood preferably alternate fuel to the labourers working at the site to avoid damage/felling of trees or buy the fuel wood from the extracted timber from the Forest Department to be used by labourers.

(15) The muck dumping area shall be stabilized and plantation of suitable species shall be carried out over stabilized dumps on the cost of the user agency under the supervision of State Forest Department.

(16) The designing of culverts/ bridges, if any, over the natural streams/rivers/canals should be done in such a manner that it does not hamper the natural course of the water, does not give rise to water logging and also does not hamper the movement of the wild animals.

(17) All the site specific engineering structures like retaining walls, breast wall and drainage shall be constructed to avoid any soil erosion and slope stability of the concerned hills.

(18) The user agency shall obtain the Environment Clearance under Environment (Protection Act, 1986, if applicable.

(19) The user agency will have to obtain the Forest Conservation) Act, 1980 clearance for removal, if any, of the stone, river sand, river boulders in forest land.

(20) The proposal will be implemented under the overall supervision of the concerned Divisional Forest Officer.

(21) In case of any violation of the stipulated conditions immediate action is to be taken by the Forest Department as per Ministry's letter No 5-5/86/FC dated 07.12.1999 and this office letter No 2-1-51/2004/RONE/Vol II/3181-02 dated 28.12.2006.

(22) The layout plan shall not be changed without the prior approval of the Central Government.

(23) All other clearances / NOCs under different rules / regulations / local laws and under Forest Dwellers (Recognition of Forest Rights) Act, 2006 as required vide MoEF, New Delhi guideline No. 11-9/1998-FC(Pt) dated 03.08.2009 shall be complied with.

(24) Any other conditions as may be found appropriate in future for the betterment of environment & wildlife, may be imposed by North Eastern Regional Office, MoEF, Shillong.

(25) This approval may be revoked if the above conditions of approval are not complied to the satisfaction of the North Eastern Regional Office, Shillong.

Yours faithfully,

(R.L. Sanga)

Tuikhuahtlang,
Aizawl, Mizoram.

Sub: **Proposal for diversion of 0.9963 ha. of Forest Land for Upgradation and Improvement of Serchhip-Buarpui Road by Mizoram PWD.**

Sir,

Please find enclosed a copy of the Ministry's letter No.3-MZ B 107/2013-SHI/3656-57 dt.20.11.2013 conveying "In-Principle Approval" for diversion of 0.9963 ha. of forest land for upgradation and improvement of Serchhip-Buarpui road by Mizoram PWD, received from the Ministry of Environment & Forests, Regional Office, Shillong. In this connection, you are requested to fulfill the following conditions:

(i) To pay Rs.73,920/- (Rupees seventy three thousand nine hundred twenty) only to the Principal Chief Conservator of Forests, Environment & Forests Department, Mizoram, preferably by cheque towards the cost of Compensatory Afforestation over double the area diverted i.e. over 2.0 ha of degraded forest land..

(ii) To pay Net Present Value (NPV) of forest land diverted i.e Rs.7,27,299/- (Rupees seven lakh twenty seven thousand two hundred ninety nine) only to the Principal Chief Conservator of Forests, Environment & Forests Department, Mizoram, preferably by cheque, as per the Judgment of the Hon'ble Supreme Court of India dt.28.03.2008, 24.04.2008 & 09.05.2008 in Writ Petition (C) No.202/1995 and as per the guidelines issued by the Ministry vide its letter no. 5-3/2007-FCdt.05:02.2009 in this regard.

(iii) To pay Rs.2,500/- (Rupees two thousand five hundred) only to the Division Forest Officer, Thenzawl Forest Division, towards the cost of extraction of project affected trees for 20.18 cft. @ Rs.50/cft. and 300 culms of bamboo @ Rs. 5/culm.

(iv) To furnish an undertaking to pay the additional NPV of the diverted forest land, if any, becoming due after finalization/revision of the same by the Hon'ble Supreme Court of India.

(v) To demarcate the land proposed for diversion on the ground by erecting at least 4' high cement-concrete pillars duly numbered, forward and backward bearing and distance from pillar to pillar written on the pillars at project cost.

The grand total amount of (i)+(ii)+(iii) = Rs.(73,920 +7,27,299 +2,500)/-
=[redacted]

(Rupees eight lakh three thousand seven hundred nineteen) only.

In order to obtain final approval from the Central Govt., the above mentioned conditions have to be fulfilled from your end and compliance report have to be submitted to the undersigned at an early date.

Enclo : As above.
