Dear Ms. Zhang:

**Re: Technical Assistance for Yunnan Pu'er Regional Integrated Road  
Network Development Project  
(TA No. 8149-PRC)**

We are pleased to inform you that on 3 September 2012, the Asian Development Bank (ADB) approved the provision of a technical assistance (TA) to the Government of the People's Republic of China (the Government) in an amount not to exceed the equivalent of US\$750,000 for the Yunnan Pu'er Regional Integrated Road Network Development Project. The TA will be provided entirely as a grant and carried out pursuant to (i) the Technical Assistance Framework Agreement between the Government and ADB dated 23 December 1996, and (ii) the arrangements described in Appendix 5 of the TA Concept Paper attached hereto as Annex 1. The Yunnan Pu'er Municipal Government is the Executing Agency for the TA.

Approval of the Government to these arrangements shall be deemed given unless ADB has received a written objection from the Government within 21 calendar days from the date first above written.

As Director of the Transport Division, East Asia Department, I will be responsible for the implementation of the TA. All communications on this matter may, therefore, be addressed to me.

Yours sincerely,

  
Tyrrell Duncan  
Director  
Transport Division
