DBL Mangalwedha Solapur Highways Private Limited	Roads & Highways		1,93,70,487.87	B	C	C	No significant E&S issues	Approved	
Ashoka Ankleshwar Manubar Expressway Private Limited	Roads & Highways		2,16,49,210.71	B	C	C	No significant E&S issues	Approved	
Shamlaji Expresswayprivate Limited	Roads & Highways		2,17,50,141.00	B	C	C	No significant E&S issues	Approved	

Env = environment, IR = involuntary resettlement, IP = indigenous peoples.

^a Please use the sectors listed in the earlier table or any standard classification

B. Category B or A Subprojects Using ADB Funds

More information about all subprojects at category B or A approved during this reporting period.
[Need to discuss with FIs, as some info here already captured by forms in Appendix 3-4.]

Name of Sub borrower and subproject:	Ashoka Ankleshwar Manubar Expressway Private Limited Construction of Eight Lane Vadodara Kim Expressway from 279.00 to 292.00 (Ankleshwar to Manubar section of Vadodara Mumbai
--------------------------------------	--

	expressway) in the state of Gujarat under NHDP Phase-VI on Hybrid Annuity Mode (Phase 1A-Package IV)
Subproject location:	Ankleshwar to Manubar section of the Vadodara Kim expressway from Km 279.000 to Km 292.000 for a length of 13 km in district Bharuch under Gujarat state.
Industry sector:	Roads and Highways
Value of exposure (US\$ million):	2,16,49,210.71 USD (As on 31 st March,2022)
Safeguard category:	Environment: B Involuntary Resettlement (IR): C Indigenous Peoples (IP): C
Any E&S due diligence by your organization? If yes, is it desk review of safeguard documents, and/or field visit, and by whom and when?	E&S due diligence has been conducted by IIFCL based on review of safeguards documents/information provided by the developer. Field visit for this project was conducted on 11 th & 12 th November, 2021 by IIFCL safeguards team comprising of Environmental Safeguards Specialist & Manager-Social Safeguards along with ADB Consultant for Social Safeguards.
Any environmental assessment report (including EMP), IR plan, or IP plan, or audit reports reviewed by your organization? If yes, please provide the names of documents reviewed.	<p>The following documents were referred in order to prepare Environmental & Social Safeguards Due-Diligence Report:</p> <ul style="list-style-type: none"> • Project Information Memorandum • Concession Agreement • EPC Contract Document • Detailed Project Report for Phase IA (Package IV), Vol. 1, Main Report, August 2017 • Final EIA study report for Vadodara Mumbai Expressway (Phase-I) • CRZ Status Report • Environment Management Plan (EMP) and Compliance Report- March 2021 • Compliance status of statutory approvals conditions (2020-2021) submitted to SPCB and MoEF&CC • Lender's Independent Engineer (LIE) Report (March and May 2021) • Project Statutory Approvals/Permits • Project Organogram-HSE team • Project EMP Budget(2021-22) and Expenditure status (2020-21) • Project HSE implementation records and Documents prepared by Concessionaire & EPC Contractor (2020-2021 period) • Environment, Safety and Social Management System Manual • Emergency Response Plan • Environmental Quality Monitoring Report – March, April 2021 • Grievance Redressal Mechanism & Records

	<ul style="list-style-type: none"> • Avenue Plantation Plan • Public Consultation details • Project Land Acquisition Status and RoW details • R&R status in project • Employment Generation Status • Record for Covid Prevention measures implemented at project site • Corporate Social Responsibility (CSR) Report (2019-2020)
What were the main environmental, IR and IP issues associated with this subproject, and how were the issues dealt with?	<p>The sub-project has no significant environmental issues based on the site visit and due diligence findings.</p> <p>For assessment of IR & IP safeguards issues, IR & IP safeguards screening checklists has been referred and utilized for this sub-project and it is found that there are no issues on IR & IP safeguards implementation and no action is required for both IR & IP safeguards in this subproject.</p>
For category A subprojects, how were safeguards documents (EIA, RP, IPP, or audit reports) publicly disclosed? Please provide web link and the date.	The sub-project doesn't fall under category A as per ADB's safeguards requirements.
Were any conditions or covenants related to E&S issues made along with the investment? If yes, please briefly describe.	In the Common Loan Agreement for each project funded by IIFCL, necessary covenants are always incorporated reflecting concessionaire's liability to comply with applicable laws of land as required for project implementation.
Does the subproject comply with applicable domestic and ADB safeguard requirements? Any incidents of non-compliance? Please describe how you ensure subproject E&S compliant.	<p>The sub-project complies with the applicable safeguards requirements of environmental regulations of India and ADB's Safeguards Policy Statement, 2009.</p> <p>No incident of any complaint/regulatory notice and fines were reported during the reporting period as informed by project developer.</p> <p>Sub Project's E&S compliance is ensured by screening, review and analysis of safeguards compliance related data/ information, statutory approvals/ permits, periodic compliance monitoring reports, implementation check of safeguard measures at site, compliance to approvals/permits etc.</p>
How you monitor the sub-borrower and its subproject's performance? Please describe supporting docs such as E&S monitoring reports.	<p>IIFCL monitors the project through Lender's Independent Engineer Report, site visits and E&S information including safeguards compliance monitoring reports received from the project developer on periodic basis.</p> <p>For the reporting period of January-December 2021, the entire information on E&S safeguards was covered in the E&S Due Diligence Report (ESDDR), which was approved by ADB during October 2021. The ESDDR was prepared on the basis of review and analysis of E&S Safeguards compliance documents/information regarding the sub project and verification of facts regarding safeguards implementation</p>

	at project site was done during site visit.

E. Additional information for the reporting period

1. Please provide the number of subprojects where a field visit was conducted to review aspects including social E&S issues.

Field visit was conducted for the sub-project by IIFCL E&S Safeguards team during November, 2021 to verify and check all environmental and social management measures, compliances, and issues.

It was observed that there are no critical/or pending E& S safeguards issues in the sub-project during the reporting period.

2. Please provide details of any accidents/ litigation/complaints/regulatory notices and fines, their causes and corrective actions being taken.

No incidents of any accident/litigation/complaints/regulatory notices and fines were reported during the reporting period of Jan 21 to Dec 21 but during safeguards due-diligence process, project developer shared information related to 2 complaints of accumulation of dust and structural damage which were reported in the year 2020 as per the accident / incident report shared by the developer. Both the grievances were responded and resolved on timely basis.

3. Please state any difficulties related to the ESMS implementation. What are the possible causes and actions being taken by your organization? What are the recommendations of ADB's mission?

ESMS is functional at IIFCL and is being implemented at the sub projects.

Subject: Annual Safeguards Monitoring Report- ADB Line of credit -Tranche -3 (Monitoring period-January 2021 to December 2021)

Dear Dr. Garg,

Good afternoon. We hope this email finds you well.

This is in reference to the Annual Monitoring Reports submitted to us by IIFCL for the period of January 2021 to December 2021. For some of the Reports submitted, a statement confirming that the sub-project complies with the ADB's Safeguard Policy Statement (2009) has been inadvertently missed. In view of this, may we request a statement from you confirming that all the ADB-financed sub-projects have complied with ADB's Safeguard Policy Statement (2009) during this reporting period. This confirmation will be included in the documents when we prepare the reports for ADB's disclosure.

Thank you.

Sincerely,
Karen
