## **Executive Summary**

### **A. Project Description**

1. National Capital Region Transport Corporation (NCRTC)- a Joint Sector company of Government of India and States of Delhi, Haryana, Rajasthan and Uttar Pradesh is developing a rail based suburban transport system i.e. Regional Rapid Transit System (RRTS) for National Capital Region (NCR). The objective is to provide continuous availability of affordable, reliable, safe, secure and seamless transport system in the urban agglomeration of Delhi, Ghaziabad, and Meerut so as to reduce the accidents, pollution, travel time, energy consumption and anti-social incidents as well as to control urban development and land use for sustainability and regional development. The corridor will have a total length of 82.15 km (68.03 km elevated and 14.12 km underground) with 25 stations and two maintenance depots, a stabling yard common for all three RRTS corridors. About 21 km of the corridor from Meerut South to Modipuram Depot will also be used to operate local transit services (metro rail) within Meerut City.

2. The Project is being co-financed under parallel financing arrangement with Asian Development Bank (ADB), New Development Bank (NDB) and Asian Infrastructure Investment Bank (AIIB). The overall project management and coordination is conducted from NCRTC corporate office at New Delhi. NCRTC has established five Project Management Offices (PMO), headed by Chief Project Managers (CPM) in Delhi, Stabling yard at Jangpura, Ghaziabad, Modinagar and Meerut for implementing the different sections of the Project.

### **B. Project Scope**

3. The RRTS implementation is progressing as per schedule and thirty packages comprising of civil works, systems, rolling stock, etc. have been awarded. Contracts for construction of stabling yard and Modipuram depot is under preparation and shall be awarded soon.

### **C. Impact**

4. As per the LAP prepared for the proposed Project and R&R survey conducted, 170.194 hectare of land needs to be acquired under this project. As per the DPR, the analysis of land acquisition requirement for the project shows that out of total land required for the project, 138.297 hectares (81 %) is private land, 15.269 hectare (8.97%) is government land, 0.427 hectare (0.25%) is govt. Land on lease, 2.344 hectare (1.38%) is land of Ghaziabad Development Authority (GDA) leased out, 0.657 hectare (0.39%) is religious land, and 0.15 hectare (0.09%) is community land. The land requirement has now reassessed and requirement of the private, Government and temporary lands are 139.93-ha ,94.51 ha and 43.83 ha respectively.

### **D. Progress of land Acquisition**

5. The 85% of land acquisition (other than land for Modipuram Depot & station) has been carried out and LA for balance 15% is under advance stage. The land required for Modipuram Depot and station is 75.449 Ha and its acquisition is expected in this FY.

### **E. Resettlement plan Implementation**

6. Implementation of RP mainly consists of compensation to be paid for affected structures and rehabilitation and resettlement activities is under progress and likely to be completed soon.

**F. Key Findings**

- i. The overall development during this reporting period is satisfactory. No awarded civil work is affected due to land acquisition.
- ii. The RISA is assisting the PIU for relocation site plans and verification exercise. There is no work affected due to pending cases.
- iii. The Grievance Cell is functioning as per policy, RISA and Social Expert are conducting consultations to make the DPs aware.

## **I. PROJECT BRIEFING AND PROJECT BACKGROUND**

### **A. Current Project Status and Progress**

1. The Project comprises construction of a rapid rail corridor connecting the National Capital Territory of Delhi with the cities of Ghaziabad and Meerut (passing through the towns of Sahibabad, Muradnagar and Modinagar) located in the neighboring State of Uttar Pradesh. The corridor will have a total length of 82.15 km (68.03 km elevated and 14.12 km underground) with two rail tracks with support structure, 25 stations and two maintenance depots, a stabling yard common for all three RRTS corridors, overhead electrification, signalling, train control and telecommunication (S&T) systems and rolling stock etc. About 21 km of the corridor from Meerut South to Modipuram Depot will also be used to operate local transit services (metro rail) within Meerut City. The Project route map is provided in **Annexure I**.

2. The Project is being co-financed under parallel financing arrangement with Asian Development Bank (ADB), New Development Bank and Asian Infrastructure Investment Bank (AIIB).<sup>1</sup> Proceeds from NDB's Loan will be used to finance cost of: i) rolling stock; ii) S&T system including platform screen doors; iii) Civil works for the construction of stabling yard, operational control center and associated facilities; iv) civil works for construction of multi-storied staff quarters and associated facilities; and v) financing charges. Proceeds from ADB and AIIB loans are being used to finance cost of civil works, track, electrical and traction system.

3. The overall project management and coordination is conducted from NCRTC corporate office at New Delhi. NCRTC has established four Project Management Offices (PMO), headed by Chief Project Managers (CPM) in Delhi, Ghaziabad, Modinagar and Meerut for implementing the different section of the Project. A Group General Manager (GGM) under Director (Electrical & Rolling Stock) is responsible for implementing the rolling stock component. Similarly, a GGM under Director (Systems) will be responsible for implementing the S&T component. For implementation of the civil works components funded by NDB, a separate unit under Chief Engineer (Stabling Yard) has been set up. All teams are adequately staffed based on current needs. NCRTC has a total staff strength of 432 which include permanent staff of 299.

4. NCRTC has a dedicated procurement team headed by Group General Manager/Procurement. This team is assisted by the experts from the General Consultants. In addition to procurement, a separate team for Contract & Dispute resolution headed by GGM is in place. Finance team is responsible for timely processing and payment of the contractors' bills and claim reimbursement from the loan through the office of the Controller of Aid Accounts and Audit of the Government of India.

### **B. Project Implementation Status and Progress during the Reporting Period.**

5. All the contracts for the Civil works in the project for the entire 82.15 km corridor length have been awarded except construction of stabling yard, operational control centre and associated facilities and construction of Modipuram depot; and work commenced in entire length. Similarly, all the major contracts pertaining to various systems such as track including procurement of various track materials, Signalling & Telecommunication, OHE & Traction, Rolling Stock, Lifts & Escalators, TVS & ECS system have been awarded and are in progress. Status of various contracts is tabulated below:

---

<sup>1</sup> ADB and AIIB are financing under joint co-financing arrangement, with ADB partially administering the AIIB loan.

6. Procurement of Rolling stock. Contract for design, manufacture, supply, testing, commissioning and comprehensive maintenance of RRTS and MRTS trainsets and Depot M&Ps was awarded to Consortium of Bombardier Transportation India Private Limited, Bombardier Transportation Sweden AB and Bombardier Transportation UK Limited vide LOA dated 5<sup>th</sup> May 2020. Contract Agreement was signed on 10<sup>th</sup> June 2020. Date of completion is 15<sup>th</sup> January 2025.

7. First look of RRTS train was unveiled on 25<sup>th</sup> September 2020. Preliminary design has been completed. Pre-final design is in progress. Mock-up of the train to be completed by end of May 2021. Important Depot M&Ps order has been placed and design is in progress. The first set of rolling stock is planned to be delivered in Dec 2021. Construction of Duhai depot is in progress in full swing and work areas for taking up the testing of rolling stock are planned to be handed over by the end of November 2021.

8. Signalling, PSD, Train Control & Telecommunication System. Contract for design, supply, installation, testing and commissioning of Signaling & Train control, Platform Screen Doors and Telecommunication Systems was awarded to Consortium of Alstom Transport India and Alstom Ferroviaria SPA vide LOA dated 10<sup>th</sup> December 2020. Contract Agreement has been signed on 24<sup>th</sup> February 2021. Date of completion is 25<sup>th</sup> May 2025. Progress has been made in the following activities:

- Signalling and Train Control interface with Rolling stock is in progress to deliver first prototype of rolling stock.
- Preliminary Signalling & Train control design for priority section has started.
- LTE preliminary design discussions are in progress.
- Depot Point machine drawings shared with Track engineers for finalization of turnout sleeper design etc.
- 5 stations of priority section yard lay out for preparing the Interlocking design has been handed over to contractor.

9. Depots at Duhai and Modipuram.

- The work of civil construction of Duhai Depot has been awarded to M/s VNC-KEC (JV) with completion period is 730 Days from the date of commencement of work i.e., 11<sup>th</sup> Dec 2020. The construction work is in progress full swing.
- Work areas have been handed over to Traction contractor for taking up OHE works.

10. Civil Works for Stabling Yard, operational buildings, Operation Control Centre & associated facilities. Bids are planned to issue in July/August 2021.

### C. BRIEF DESCRIPTION

12. The RRTS implementation is progressing as per schedule and thirty packages comprising of civil works, systems, rolling stock, etc. have been awarded. Contracts for construction of stabling yard and Modipuram depot is under preparation and shall be awarded soon.

13. The 85% land acquisition other than land for Modipuram Depot & station has been carried out and LA for balance 15% is under advance stage. The land required for Modipuram Depot and station is 75.449 Ha and its acquisition is expected in this FY.

14. All the compliances of ADB is in place which includes RISA (Resettlement Implementation Support Agency), GRC (Grievance Redress Committee), appointment of external monitoring consultant, SHE requirement, Resettlement planning, monthly reports return, etc.

15. There is no dispute on LA received so far. There are few representations on LA at Siddhartha Extension for provision of connecting line for Sarai Kale Khan (SKK) to Jangpura stabling yard.

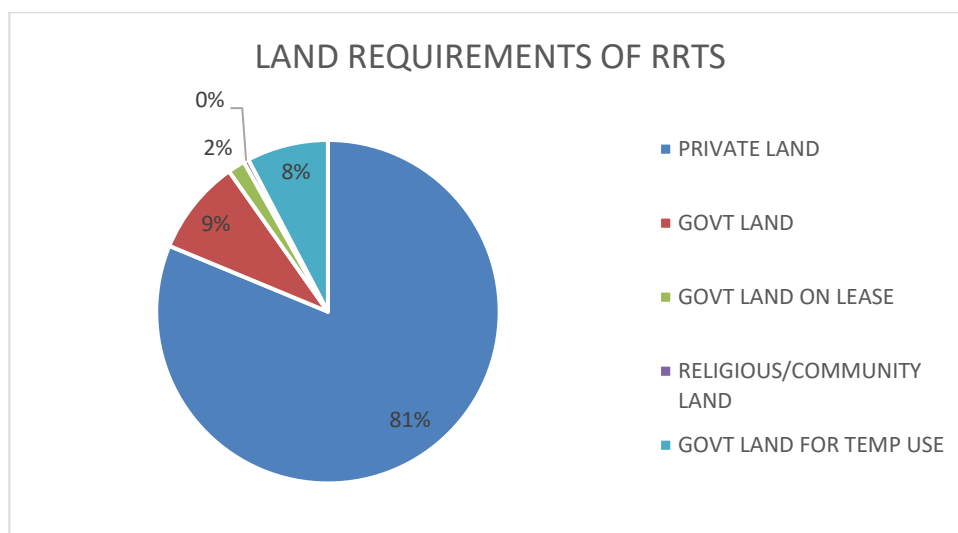

16. Despite COVID-19 pandemic situation NCRTC is committed to adhere to the projected PDC without any change.

### D. RESETTLEMENT IMPACTS

#### a) Land Acquisition Impact

17. As per the LAP prepared for the proposed Project, 170.194 hectare of land needs to be acquired under this project. The analysis of land acquisition requirement for the project shows that out of total land required for the project, 138.297 hectares (81 %) is private land, 15.269 hectare (8.97%) is government land, 0.427 hectare (0.25%) is govt. Land on lease, 2.344 hectare (1.38%) is land of Ghaziabad Development Authority (GDA) leased out, 0.657 hectare (0.39%) is religious land, and 0.15 hectare (0.09%) is community land. The project will also require 13.05 hectare (7.67%) of Govt. land for temporary use.

18. The Survey team undertook the verification exercise for stations/via-ducts Modipuram, Meerut North, Begumpul, Bhaisali, Meerut Central, Brahampuri, Partapur and Meerut South of Meerut district. The Survey/Resettlement team of the NCRTC has verified 204 structures are affected. These include 60 are Title holders and 144 are non-Title holders (71 are Squatters, whereas 73 are Tenants). Out of 144 NTH DPs identified till date, 45 DPs Micro plan is final approved. As per final Micro Plan 36 DPs are vulnerable group (WHHs) and eligible to receive compensation and allowances as per the entitlement matrix. Based on the joint verification of affected people, a Micro Plan has been prepared and approved by Project Director. The assessment has been done to evaluate the impact on the Non-Title Holders (NTHs) (squatters and encroachers) as well as the impact on the CPRs on government land. The micro-plan of Residents of Pocket- A, Pocket -D and Pocket -E at Begumpul for Shops/Commercial. In RP there is no segregation of structures pocket wise, so status of impact has covered A, D and E pockets combined. The Approved micro plan for pocket A, D & E is tabulated below:

19. Acquisition of required land is on-going on Direct Purchase Policy. Hence, no need to prepare Micro Plan for TH DPs (in Direct Purchase Policy). In case of land acquisition through RFCTLARR 2013 Act, the Micro Plan will be prepared for TH also. However, identification and verification of affected people is in progress and assessment is being done to evaluate the impact on the NTHs (squatters and encroachers) as well as the impact on the CPRs on government land. Micro Plan of 45 NTHs of Begumpul station of Meerut district has been prepared and approved by Project Director so far. Disbursement of R&R Entitlement to these affected NTHs is in progress. **Micro Plan of Non-Titleholders of pocket A(Permanent land) has been enclosed in Annexure-IIA & Micro plan of Non-Titleholders of station box, pocket D & E has been enclosed in Annexure-IIB.**

20. As per the RP there are total number of 525 structure had been affected. Out of 525 structures 96 were residential, 11 were Residential cum commercial 92 were other structures like toilets, boundary wall, gate etc, 165 were shops, 2 hotels, 12 small eatery, 69 kiosks, 2 patrol pump, 1STD Booth, 5 workshops, c1 commercial complex, 5 industry, 15 private offices and 49 other commercial including garden shops in the subproject. Identification/verification/initial after mobilization of RISA is in progress for preparation of Micro Plan. Actual impact will be figure out after preparation of Micro Plan. Micro Plan of 45 NTHs of Begumpul station of Meerut district has been prepared and approved by Project Director so far.

#### **F. Impact on Indigenous People**

24. Implementation of the IPDP is being monitored regularly. As per RP, there were no affected family belonging to Indigenous/ Scheduled tribe community and during

implementation stage also, no family is found belonging to Scheduled tribe /Indigenous community till date. The PMUs have established monitoring system involving ESMU, representative of affected IP groups, and non-governmental and community-based organizations to ensure participatory monitoring arrangements.

## **G. PROJECT ENTITLEMENTS**

25. The policy framework and entitlements for the program for the subprojects are based on national laws i.e. The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013; and the agreed Resettlement Framework between Government of India and ADB. RF has been prepared based on applicable legal and policy frameworks of the government and ADB's Safeguards Policy Statement (SPS), 2009. Thus, provision of compensation and assistance for affected persons was made in the RF.

26. The RP has provisions for compensations to the DPs for all types of losses. In addition to the compensation for affected assets, the DPs will also receive other resettlement assistance such as shifting allowance, income restoration/ training assistance. The DPs under the project will be compensated at full replacement cost based on Entitlement Matrix of RPs.

27. Entitlement matrix details are enclosed at **Annexure IV**

## **H. PAYMENT OF COMPENSATION AND ASSISTANCE**

28. The resettlement and rehabilitation framework of the project have been evolved from the ADB's SPS, 2009, relevant national, state and departmental policies. The implementation of the R & R Provisions of the project is governed by this framework developed.

29. As per the RP, the estimated budget was Rs. 1816.586 Crore for all LA and R&R activities and till date the NCRTC has paid compensation for the procurement of land through private negotiation is Rs. 420.64 Crores. The details have been given in **table 6**.

30. The total R&R budgets for the Delhi-Meerut RRTS sub-project, which included the cost of compensation of structures, assistance and training support etc., are Rs. 1,12,60,134.00 and the amount has been approved by the Project Director.

31. Copy of cheque, Payment Register, Receipt Memo for Disbursement of Cheque and Photographs during Disbursement is enclosed in **Annexure V**.

### C. GRIEVANCE REDRESSAL

41. As per requirement of social impact assessment report (Chapter 10 of SIA report), 2 tier grievance redressal mechanism has been established with the formation of grievance redress committee (GRC) at 2 levels:

- a) Project Management office i.e., PMO level/CPM officer level.
- b) Headquarter level i.e., corporate office level.

42. To perform effectively, an efficient grievance redressal mechanism has been created that will assist displaced persons (DP's) in resolving their queries and complaints. Grievance redressal mechanism will provide time bound and transparent mechanism to voice and resolve social and environmental concerns.

43. GRM is intended to address DP's concerns and complaints promptly, making it readily accessible to old segments of DP's.

- i) Grievances will be (a) Acknowledged; (b) Evaluated; & (c) Responded to complainant with corrective action proposed. The outcome is a part of semi-annual monitoring report that is submitted to ADB.

44. PMO (Project Management Office) level GRC is working under chairmanship of CPM and consists of following members:

6	Shri. Md. Alimuddin Ansari	Project Coordinator/ RISA

46. This committee is headed by designated officer of NCRTC. The specific functions of grievance redressal committee are following:

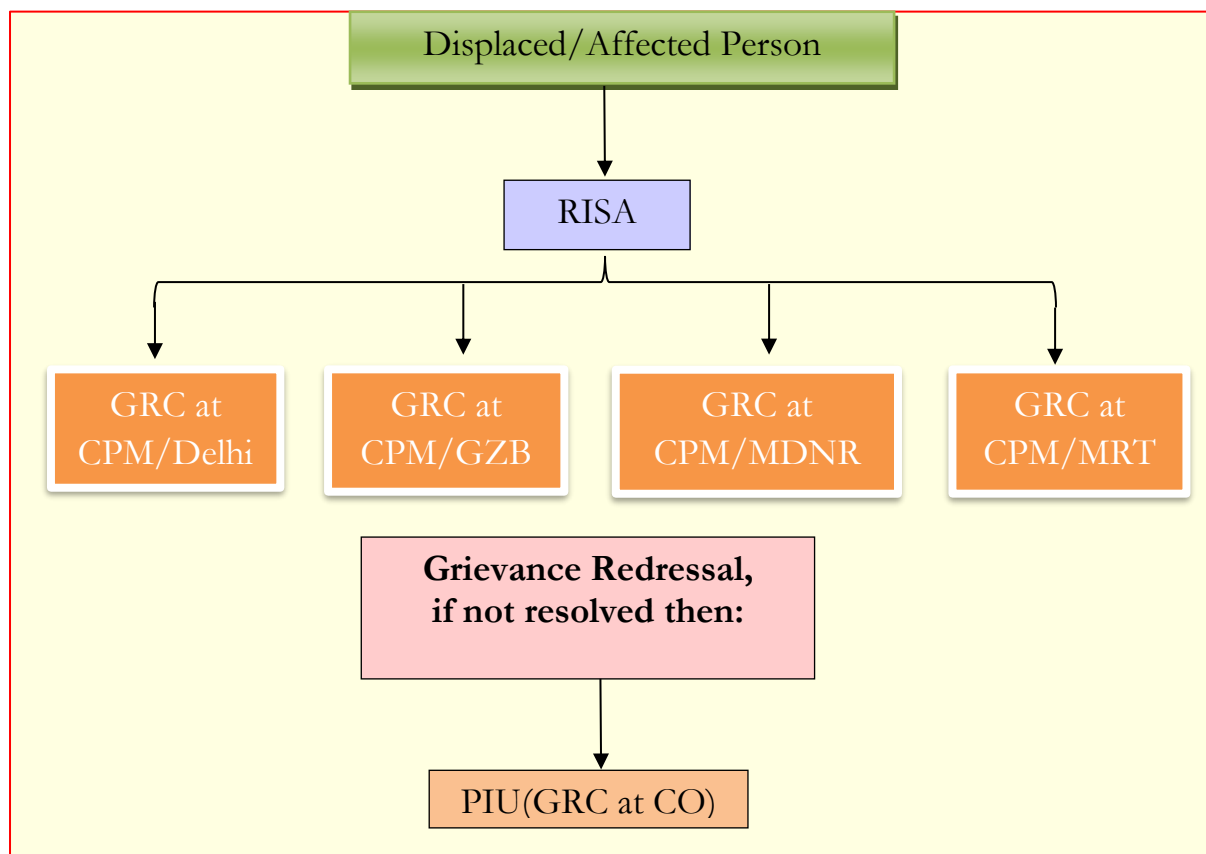

- To provide support for DP's on problems arising out of land/property acquisition like award of compensation and value of assets.
- To record the grievance of DP's, categorise and prioritise the grievances that needs to be resolved by the committee and solve then within a month.
- To inform PMO of serious cases within an appropriate time frame.
- To report to agreed parties about the development regarding their grievance and decision of PMO.

47. GRC is making frequent meetings to resolve grievances. Response time prescribed for GRC is 3 weeks at each level.

48. Decision of GRC is documented and communicated to agreed persons in transparent manner. It is bounding on both; however, DP is free to access legal system/courts at any time and stage. People who are adversely affected by the project may submit complaints to ADB's accountability mechanism. Before submitting complaint to accountability mechanism, affected people should make a good faith effort to solve their problems by working with concerned ADB operations department.

49. GRC records will be made available to external monitor for its review in his visit.

**Figure 3**

50. Monthly meetings are being carried out by the committee and only 1 grievance has been received recently.

51. A forum named Siddhartha Extension Sr. Citizens Welfare Forum (SESCWF) sent a letter raising their concern on issues like noise/vibration, blockage of sunlight, damage to

utilities, rain harvesting, structural safety, depletion of green area, etc. due to RRTS construction/operation and requested for addressing their concerns. The reply has been sent on 5<sup>th</sup> July'2021.

## SECTION – A

### I. INTRODUCTION

National Capital Region Transport Corporation (NCRTC)- a Joint Sector company of Government of India and States of Delhi, Haryana, Rajasthan and Uttar Pradesh is developing a rail based suburban transport system i.e. Regional Rapid Transit System (RRTS) for National Capital Region (NCR). The objective is to provide continuous availability of affordable, reliable, safe, secure and seamless transport system in the urban agglomeration of Delhi, Ghaziabad, and Meerut so as to reduce the accidents, pollution, travel time, energy consumption and anti-social incidents as well as to control urban development and land use for sustainability and regional development.

Efficient movement of people and goods within the NCR is a primary concern for the planned development of the NCR. The existing transport system within the region, consisting of a variety of modes like private and public road transport, suburban rail system and RRTS rail, is inadequate and there is urgent need to enhance the regional transport system.

The proposed RRTS is based on the recommendation of 'Integrated Transport Plan for NCR' with perspective year 2032 which emphasizes the need for development of settlements outside the National Capital Territory (NCT) Delhi, providing inter-connection between Delhi and settlements and relieving pressure on the existing transport routes converging at NCT-Delhi. A total of 8 RRTS corridors linking Delhi to surrounding cities have been proposed, out of which the Delhi-Ghaziabad-Meerut have been taken up for implementation in the first phase.

The Goal is to offer a rail based Sustainable Urban Transport System, Smart and Healthy Cities to increase the quality of life and better access to goods, services, creating employment opportunities and sustainable development, climate change mitigation resulting in a livable city environment i.e. health supportive environment with more allocation of road space to people rather than vehicles.

### II. PROJECT DESCRIPTION

The proposed RRTS (Delhi-Ghaziabad-Meerut) corridor will be a double line standard gauge, rapid railway system, built on elevated viaducts and going underground in heavily populated areas. As per the final alignment, out of total length of 82.15 Km, 14.15 Km is in underground section and balance 68 Km is in elevated section. The alignment from Sarai Kale Khan to Sahibabad, mostly in elevated section and partially in underground section, is off the main road. The alignment from Ghaziabad RRTS station to Shatabdinagar RRTS station is elevated viaduct on the median of Ghaziabad-Meerut highway (erstwhile NH-58). The alignment from Shatabdinagar to Begumpul is in underground section and beyond Begumpul upto Modipuram Depot it is in elevated section on the median of road. One stabling yard near Sarai Kale Khan (Jungpura) and two maintenance depots, one main depot at Modipuram and another auxiliary depot at Duhai have been planned. The proposed stabling yard and the depots will be constructed at grade. The details are given in below table.

NCRTC has requested Asian Development Bank (ADB) for financing under project loan modality.

## SECTION – B

## **I. INTRODUCTION**

The Resettlement Plan (RP) for this RRTS corridor project is prepared based on the detailed design report prepared by NCRTC. As per the RP, the area of private land affected is 341.73 acre, number of structure affected is about 546, number of household affected is about 866 and number of Community Property Resources (CPRs) is about 198. The RP complies with the applicable State Government, Government of India and ADB policy and legal framework. This project is considered as Category-A as far as Involuntary Resettlement (IR) is concerned. A Resettlement Implementation Support Agency (RISA) is required for NCRTC to implement the Resettlement Plan prepared for the project. For the Implementation of Resettlement Plan for Delhi – Ghaziabad – Meerut Regional rapid Transit System (RRTS) Corridor in National Capital Region(NCRTC)has entrusted through agreement no. DM/GC/COR-OF/102, Dated 16.10.2020.

The RISA shall be responsible for assisting NCRTC in implementing resettlement activities for the Delhi-Ghaziabad-Meerut RRTS project. The proposed RRTS project traverses along 33 villages of the South East Delhi, Ghaziabad and Meerut districts.

The project construction would necessitate clearance of alignment corridor and displacement and loss of land and assets, livelihood and community property resources. The displaced households include both title-holders and non-titleholders losing assets.

The overall implementation period for this assignment is 36 months from the commencement of contract.

## **II. OBJECTIVE OF THE ASSIGNMENT**

The RISA shall be responsible for assisting NCRTC in facilitating and Resettlement Plan (RP) implementation and assistance in getting the Government land transferred in the name of NCRTC in an efficient and transparent manner for the RRTS project. The implementation shall follow The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013, and the ADB's Safeguard Policy Statement 2009.

### **The overall tasks of the RISA are to:**

- (a) Develop processes and methodologies for compensation, rehabilitation and resettlement, and to coordinate the entire process from start to finish for disseminating assistance to relevant Displaced Persons (DPs);
- (b) Coordinate with, and provide support, where needed, to Revenue officials and other relevant line agencies in expediting the land acquisition and resettlement process;
- (c) Implement livelihood and income restoration program;
- (d) Disseminate project information to DPs in an ongoing manner;
- (e) Assist the DPs in redressing their grievances (through the grievance redress committee set up for the project);
- (f) Conduct awareness program for HIV/AIDs, health and hygiene, and human trafficking in affected villages;
- (g) Conduct awareness on Road Safety aspect and train the stakeholders with regard to road safety as required/directed by the Project Management and Authority Engineer of the Project;

- (h) Collect data and submit progress reports on a monthly and quarterly basis for NCRTC to monitor the progress of RP implementation; and
- (i) Any other tasks as assigned by NCRTC pertaining to Resettlement Plan.

### **III. SCOPE OF WORK/RESPONSIBILITIES OF RISA**

**The principal responsibilities of the RISA will include, but not limited to the following:**

#### **(a) Administrative Responsibilities of the RISA**

- ❖ The RISA will work under the direction of the Deputy Chief Project Manager / Project Resettlement Officer or any other person authorized by NCRTC. RISA shall assist NCRTC in carrying out the implementation of the RP for the project.
- ❖ The RISA shall assist NCRTC in conducting all public meetings, information campaigns at the time of commencement and during implementation of the project as regards the transport safety information as per the directions of NCRTC and shall give full information in this regard to the affected villages. This includes translating the summarized RP into local language in the form of a Project Information Brochure for disclosure and dissemination to DPs.
- ❖ The RISA shall submit monthly and quarterly progress reports to NCRTC. These reports shall cover implementation issues, grievances and summary of consultations.
- ❖ The RISA shall assist NCRTC in convening the Grievance Redressal Committee (GRC) meetings and keep the records of GRC at Project Management Office (PMO) ie Chief Project Managers offices level and State level.
- ❖ The RISA shall assist NCRTC in the management of the database of the DPs, and at the end of the assignment, ensure proper handover of all data and information to NCRTC.

#### **(b) Responsibilities for Implementation of the RP**

- ❖ The RISA shall verify the information already contained in the RP and the individual losses of the relevant Displaced Persons (DPs). RISA shall validate the data provided in the RP and make suitable changes if required and wherever changes are made it should be supported by documentary evidence. The RISA shall establish rapport with all DPs, consult and provide information to them about the respective entitlements as proposed under the RP, and distribute entitlement cum Identity Cards to the eligible DPs. The identity card should include a photograph of the DP, the extent of loss suffered due to the project, and the choice of the DP with regard to the mode of compensation and assistance. The RISA will carry out a baseline survey of the all DPs which will be used for monitoring and evaluation of the project.
- ❖ The RISA shall develop rapport between the DPs and the Project Authority. This will be achieved through regular meetings with both the PMO (CPM's of NCRTC) and the DPs. Meetings with the PMO will be held at least fortnightly, and meetings with the DPs will be held monthly, during the entire duration of the assignment. All meetings and decisions taken shall be documented by the RISA.

- ❖ The RISA shall display the list of eligible DPs in prominent public places like villages, Panchayat Offices, Block/Tehsil headquarters, and the District Headquarters.
- ❖ During the verification of the eligible DPs, the RISA shall ensure that each of the DPs are contacted and consulted either in groups or individually. The RISA shall specially ensure consultation with women from the DP families especially women headed households.
- ❖ Participatory methods shall be adopted in assessing the needs of the DPs, especially with regard to the vulnerable groups of DPs. The methods of contact may include village level meetings, gender participation through group's interactions, and Individual meetings and interactions.
- ❖ The RISA shall assist the DPs specifically Non-Title Holder (NTH) households in relocation process by linking them with available government housing schemes and other schemes to enable them to restore and enhance their living standard. Particular attention shall be given for landless DPs linking into Pradhan Mantri Awas Yojana (PMAY) and other such programs.
- ❖ The RISA shall explain to the DPs the provisions of the policy and the entitlements under the RP. This shall include communication to the roadside squatters and encroachers about the need for their eviction, the timeframe for their removal and their entitlements.
- ❖ The RISA shall disseminate information to the DPs on the possible consequences of the project on the communities' livelihood systems and the options available, so that they do not remain ignorant.
- ❖ In all of these, the RISA shall consider women as a special focus group, and deal with them with care and sympathy.
- ❖ The RISA shall assist the project authorities in ensuring a smooth transition (during the part or full relocation of the DPs), helping the DPs to take salvaged materials and shift. In close consultation with the DPs, the RISA shall inform the Resettlement Officers (RO) about the shifting dates agreed with the DPs in writing and the arrangements desired by the DPs with respect to their entitlements.
- ❖ The RISA shall assist the DPs in opening bank accounts explaining the implications, the rules and the obligations of a joint account and how she/he can access the resources she/he is entitled to.
- ❖ The RISA shall monitor proper utilisation of the R&R budget available for the subproject. The RISA shall facilitate the DPs in finding suitable economic investment options and help them in regaining the losses of land and other productive assets.

**(c) Accompanying and Representing the DPs at the Grievance Committee Meetings**

- ❖ The RISA shall nominate a suitable person (from the staff of the RISA) to be a member of the GRCs.
- ❖ The RISA shall make the DPs aware of the existence of Grievance Redressal Committees (GRCs)
- ❖ The RISA shall record the grievance and bring it to the notice of the GRCs within seven days of receipt of the grievance from the DPs. It shall submit a draft resolution with respect to the particular grievance of the DP, suggesting multiple solutions, if possible, and deliberate on the same in the GRC meeting through the RISA representative in the GRC.
- ❖ To accompany the DPs to the GRC meeting on the decided date, help the DP to express his/her grievance in a formal manner if requested by

the GRC and again inform the DPs of the decisions taken by the GRC within 3 days of receiving a decision from the GRC.

**(d) Carry out Public Consultation**

- ❖ In addition to counselling and providing information to DPs, the RISA will carry out periodic and ongoing consultation with DPs and other stakeholders.
- ❖ Assisting the PMO with the Project's Social Responsibilities.
- ❖ The RISA shall assist the NCRTC to implement safety awareness, HIV/AIDS awareness measures, basic health and hygiene and trafficking. The RISA shall coordinate with Project Management and Authority Engineer and relevant organization or mobilize its own short-term experts in carrying out the activities.

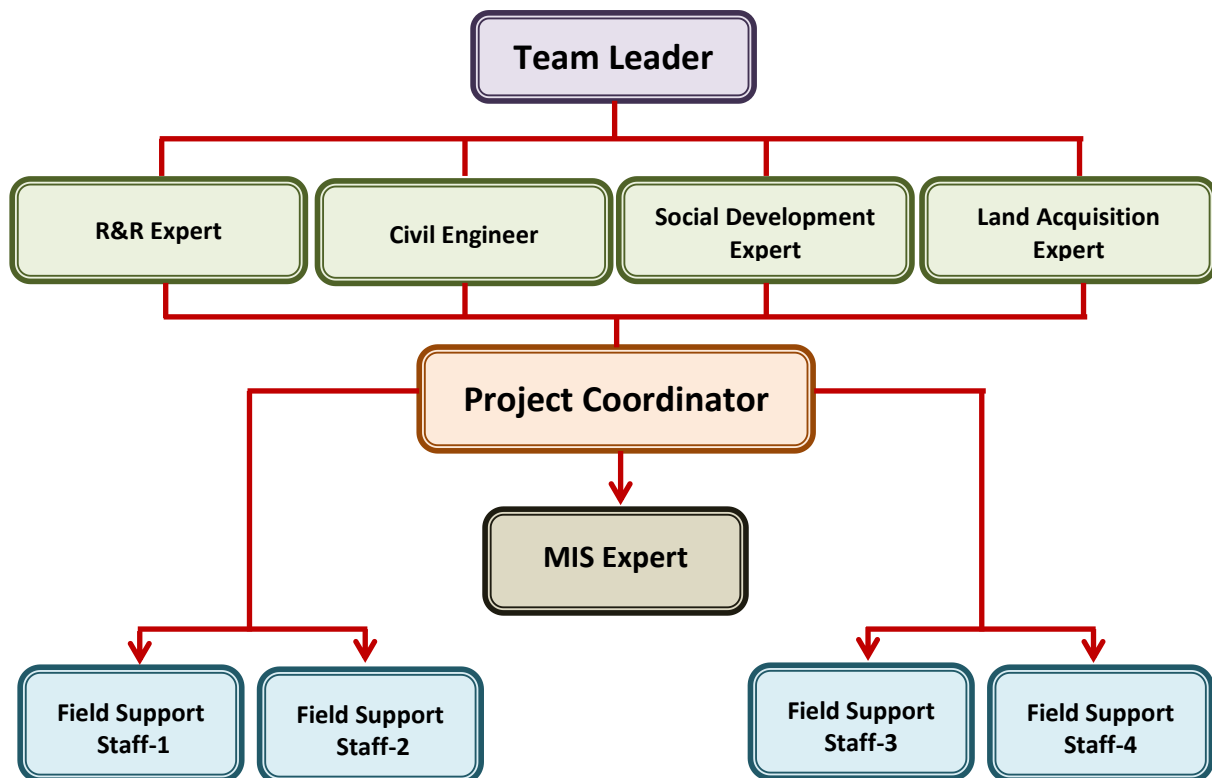

**(e) Monitoring and Reporting**

- ❖ The RISA involved in the implementation of the RP will be required to supply all information, documents to the external monitor appointed by NCRTC.

# 5 HIV FACTS

## 1 PEOPLE ON EFFECTIVE HIV TREATMENT CAN'T PASS IT ON

Effective treatment for HIV suppresses the virus to such low levels that it can't harm you and you can't pass it on.

## 2 HIV CAN'T BE PASSED ON THROUGH DAY-TO-DAY CONTACT

HIV can't be passed on through things like touching, kissing, sharing cutlery or glasses.

HIV can be passed on through sex without a condom but only if a person is not on effective treatment. It can also be passed on through sharing needles and during pregnancy (but in the UK this is extremely rare because we have great treatment).

## 3 HIV CAN AFFECT ANYONE

Some groups of people are affected by HIV more than others, but it can be passed on to anyone.

## 4 PEOPLE LIVING WITH HIV CAN LIVE LONG AND HEALTHY LIVES

There isn't a cure for HIV, but there is excellent treatment. If you are diagnosed in good time and take your medication, you can have as long and healthy a life as everyone else.

## 5 THERE ARE MANY WAYS TO PREVENT HIV

- ✗ Getting regularly tested for HIV if you are sexually active
- ✗ Taking PrEP or PEP (tablets which prevent HIV either before or just after you've been exposed to it)
- ✗ Using condoms
- ✗ Never sharing needles
- ✗ Taking your medication if you are living with HIV
