Section 7.04. Amounts Subject to Commitment Letters. No suspension or cancellation shall apply to amounts subject to any commitment letter issued by ADB pursuant to Section 4.02 except as expressly provided in such commitment letter.

Section 7.05. Application of Cancellation. Except as ADB and the Borrower shall otherwise agree, any cancellation shall be applied *pro rata* to the remaining maturities of the principal amount of the Loan which shall mature after the date of such cancellation.

Section 7.06. Effectiveness of Provisions After Suspension or Cancellation. Notwithstanding any cancellation or suspension, all the provisions of this Loan Agreement, shall continue in full force and effect except as specifically provided in this Article.

Section 7.07. **Acceleration of Maturity.** If any of the following events shall have occurred and continued for the period, if any, specified below, then at any subsequent time during the continuance thereof ADB may by notice to the Borrower declare the principal of the Loan then outstanding, together with all accrued service charge thereon, to be due and payable immediately, and upon any such declaration such principal and service charge shall become due and payable immediately:

- (a) Any event specified in Section 7.01(a) shall have occurred and continued for a period of 30 days.
- (b) Any event specified in Section 7.01(b) and Section 7.01(c) shall have occurred and continued for a period of 60 days after notice thereof shall have been given by ADB to the Borrower.

ARTICLE VIII

Effectiveness; Termination

Section 8.01. **Conditions Precedent to Effectiveness.** The Loan Agreement shall not become effective until evidence satisfactory to ADB shall have been furnished to ADB that:

- (a) the execution and delivery of this Loan Agreement on behalf of the Borrower have been duly authorized or ratified by all necessary corporate and governmental action; and
- (b) the execution and delivery of the Project Agreement on behalf of the Project Executing Agency have been duly authorized or ratified by all necessary corporate and governmental action;
- (c) the condition of the Borrower, as represented to ADB at the date of the Loan Agreement, has undergone no material adverse change between such date and the date agreed upon between the Borrower and ADB for the purposes of this Section, provided that ADB shall have requested such advice; and
- (d) all other events specified in this Loan Agreement as additional conditions to its effectiveness have occurred.

Section 8.02. **Legal Opinions.** As part of the evidence to be furnished pursuant to Section 8.01, the Borrower shall furnish, or cause to be furnished, to ADB an opinion or opinions satisfactory to ADB of counsel acceptable to ADB showing:

- (a) on behalf of the Borrower, that this Loan Agreement has been duly authorized or ratified by, and executed and delivered on behalf of, the Borrower and is legally binding upon the Borrower in accordance with its terms;
- (b) on behalf of the Project Executing Agency, that the Project Agreement has been duly authorized or ratified by, and executed and delivered on behalf of, the Project Executing Agency and is legally binding upon the Project Executing Agency in accordance with its terms; and
- (c) such other matters as shall be specified in this Loan Agreement.

Section 8.03. **Effective Date.** (a) Except as ADB and the Borrower shall otherwise agree, the Loan Agreement shall come into force and effect on the date upon which ADB dispatches to the Borrower notice of its acceptance of the evidence required by Section 8.01.

(b) If, before the Effective Date, any event shall have occurred which would have entitled ADB to suspend the right of the Borrower to make withdrawals from the Loan Account if this Loan Agreement had been effective, ADB may postpone the dispatch of the notice referred to in paragraph (a) of this Section until such event shall have ceased to exist.

Section 8.04. **Termination for Failure to Become Effective.** If this Loan Agreement shall not have come into force and effect by the date specified for the purposes of this Section, this Loan Agreement, and all obligations of the parties thereunder shall terminate, unless ADB, after consideration of the reasons for the delay, shall establish a later date for the purposes of this Section. ADB shall promptly notify the Borrower of such later date.

Section 8.05. **Termination on Full Payment.** If and when the entire principal amount of the Loan withdrawn from the Loan Account and all service charges which shall have accrued on the Loan and all other charges on the Loan shall have been paid, this Loan Agreement, and all obligations of the parties thereunder shall forthwith terminate.

ARTICLE IX

Enforceability; Failure to Exercise Rights; Arbitration

Section 9.01. **Enforceability.** (a) The rights and obligations of ADB and the Borrower under this Loan Agreement, shall be valid and enforceable in accordance with its terms and, where the Borrower is a member, notwithstanding the law of any state, or political subdivision thereof, to the contrary.

(b) Neither ADB nor the Borrower shall be entitled in any proceeding under this Article to assert any claim that any provision of this Loan Agreement is invalid or unenforceable because of any provision of the Articles of Agreement Establishing the Asian Development Bank or for any other reason.

Section 9.02. Failure to Exercise Rights. No delay in exercising, or omission to exercise, any right, power or remedy accruing to either party under this Loan Agreement upon any default shall impair any such right, power or remedy, or be construed to be a waiver thereof or an acquiescence in any such default; nor shall the action of such party in respect of any default, or any acquiescence in any default, affect or impair any right, power or remedy of such party in respect of any other or subsequent default.

Section 9.03. Arbitration. (a) Any controversy between the parties to this Loan Agreement and any claim by any such party against any other such party arising under this Loan Agreement which shall not be settled by agreement of the parties shall be submitted to arbitration by an Arbitral Tribunal as hereinafter provided.

(b) The parties to such arbitration shall be ADB on the one side, and the Borrower, on the other side.

(c) The Arbitral Tribunal shall consist of three arbitrators appointed as follows: one arbitrator shall be appointed by ADB; a second arbitrator shall be appointed by the Borrower and the third arbitrator (hereinafter sometimes called the Presiding Arbitrator) shall be appointed by agreement of the parties or, if they shall not agree, by the President of the International Court of Justice or, failing appointment by him, by the Secretary-General of the United Nations. If either side shall fail to appoint an arbitrator, the Presiding Arbitrator shall appoint such arbitrator. In case any arbitrator appointed in accordance with this Section shall resign, die or become unable to act, a successor arbitrator shall be appointed in the same manner as herein prescribed for the appointment of the original arbitrator and such successor shall have all the powers and duties of such original arbitrator.

(d) An arbitration proceeding may be instituted under this Section upon notice by the party instituting such proceeding to the other party or parties. Such notice shall contain a statement setting forth the nature of the controversy or claim to be submitted to arbitration, the nature of the relief sought and the name of the arbitrator appointed by the party instituting such proceeding. Within 30 days after the giving of such notice, the other party or parties shall notify the party instituting the proceeding of the name of the arbitrator appointed by such other party or parties.

(e) If within 60 days after the giving of the notice instituting the arbitration proceeding the parties shall not have agreed upon a Presiding Arbitrator, any party may request the appointment of a Presiding Arbitrator as provided in paragraph (c) of this Section.

(f) The Arbitral Tribunal shall convene at such time and place as shall be fixed by the President Arbitrator. Thereafter, the Arbitral Tribunal shall determine where and when it shall sit.

(g) The law to be applied by the Arbitral Tribunal shall be public international law, the sources of which shall be taken for these purposes to include:

- (i) any relevant treaty obligations that are binding reciprocally on the parties;
- (ii) the provisions of any international conventions and treaties (whether or not binding directly as such on the parties) generally recognized as having codified or ripened into binding rules of customary law applicable to states and international institutions, as appropriate;
- (iii) other forms of international custom, including the practice of states and international institutions of such generality, consistency and duration as to create legal obligations; and
- (iv) applicable general principles of law.

(h) Subject to the provisions of this Section and except as the parties shall otherwise agree, the Arbitral Tribunal shall decide all questions relating to its competence and shall determine its procedure. All decisions of the Arbitral Tribunal shall be by majority vote.

(i) The Arbitral Tribunal shall afford to all parties a fair hearing and shall render its award in writing. Such award may be rendered by default. An award signed by a majority of the Arbitral Tribunal shall constitute the award of such Arbitral Tribunal. A signed counterpart of the award shall be transmitted to each party. Any such award rendered in accordance with the provisions of this Section shall be final and binding upon the parties to the Loan Agreement. Each party shall abide by and comply with any such award rendered by the Arbitral Tribunal in accordance with the provisions of this Section.

(j) The parties shall fix the amount of the remuneration of the arbitrators and such other persons as shall be required for the conduct of the arbitration proceedings. If the parties shall not agree on such amount before the Arbitral Tribunal shall convene, the Arbitral Tribunal shall fix such amount as shall be reasonable under the circumstances. Each party shall defray its own expenses in the arbitration proceedings. The costs of the Arbitral Tribunal shall be divided between and borne equally by ADB on the one side, and the Borrower on the other side. The Arbitral Tribunal shall determine any question concerning the division of the costs of the Arbitral Tribunal or the procedure for payment of such costs.

(k) The provisions for arbitration set forth in this Section shall be in lieu of any other procedure for the settlement of controversies between the parties to this Loan Agreement, and any claim by either party against the other such party arising thereunder.

(l) If within 30 days after the counterparts of the award have been delivered to the parties the award shall not be complied with, any party may enter judgment upon, or institute a proceeding to enforce, the award in any court of competent jurisdiction against any other party, and may enforce such judgment by execution or may pursue any other appropriate remedy against such other party for the enforcement of the award and the provisions of this Loan Agreement. Notwithstanding the foregoing, this Section shall not authorize any entry of judgment or enforcement of the award against any party that is a member except as such procedure may be available otherwise than by reason of the provisions of this Section.

(m) Service of any notice or process in connection with any proceeding under this Section or (to the extent that such remedy shall be available) in connection with any proceeding

to enforce any award rendered pursuant to this Section may be made in the manner provided in Section 10.01. The parties to this Loan Agreement waive any and all other requirements for the service of any such notice or process.

ARTICLE X

Miscellaneous Provisions

Section 10.01. Notices and Requests. Any notice or request required or permitted to be given or made under this Loan Agreement, and any other agreement between any of the parties contemplated by this Loan Agreement, shall be in writing. Except as otherwise provided in Section 8.03 such notice or request shall be deemed to have been duly given or made when it shall be delivered by hand or by mail, facsimile or electronic mail to the party to which it is required or permitted to be given or made at such party's address specified in this Loan Agreement or at such other address as such party shall have designated by notice to the party giving such notice or making such request.

Section 10.02. Authority to Take Action. Any action required or permitted to be taken, and any documents required or permitted to be executed, under this Loan Agreement, on behalf of the Borrower may be taken or executed by the representative of the Borrower designated in this Loan Agreement for the purposes of this Section or any person thereunto authorized in writing by such representative. Any modification of the provisions of this Loan Agreement may be agreed to on behalf of the Borrower by written instrument executed on behalf of the Borrower by the representative so designated or any person authorized in writing by such representative; provided that, in the opinion of such representative or other person, such modification is reasonable in the circumstances and will not substantially increase the obligations of the Borrower under this Loan Agreement. ADB may accept the execution by such representative or other person of any such instrument as conclusive evidence that in the opinion of such representative or other person any modification of the provisions of this Loan Agreement effected by such instrument is reasonable in the circumstances and will not substantially increase the obligations of the Borrower thereunder.

Section 10.03. Evidence of Authority. The Borrower shall furnish to ADB sufficient evidence of the authority of the person or persons who will, on behalf of the Borrower, take any action or execute any documents required or permitted to be taken or executed by the Borrower under this Loan Agreement, and the authenticated specimen signature of each such person.

Section 10.04. Withholding of Payments to Member on Shares. (a) If the member in whose territory of the Project is to be carried out ceases to be a member of ADB, any amount due to the member for its shares repurchased by ADB shall be withheld so long as the member, its central bank or any of its agencies, or political or administrative subdivision remain liable to ADB under the Loan Agreement, or under any other loan agreement or guarantee agreement with ADB, and such amount may, at the option of ADB, be applied on any such liability as it matures.

(b) In the event of a distribution of the assets of ADB, the member in whose territory of the Project is to be carried out shall not be entitled to receive its share in such distribution until it has settled all of its obligations to ADB including its obligations under the Loan Agreement, or under any other loan agreement or guarantee agreement with ADB.

SCHEDULE 3

Allocation and Withdrawal of Loan Proceeds

General

1. The table attached to this Schedule sets forth the Categories of items of expenditure to be financed out of the proceeds of the Loan and the allocation of the Loan proceeds to each such Category ("Table"). (Reference to "Category" in this Schedule is to a Category or a Subcategory of the Table.)

Basis for Withdrawal from the Loan Account

2. Except as ADB may otherwise agree, each item of expenditure shall be financed out of the proceeds of the Loan on the basis of the withdrawal percentage for each item of expenditure set forth in the Table.

Service Charge

3. The amount allocated to Category 2 is for financing the service charges on the Loan, as set forth in Section 2.04 of this Loan Agreement, during the implementation period of the Project. ADB shall be entitled to withdraw from the Loan Account and pay to itself, on behalf of the Borrower, the amounts required to meet payments, when due, of such service charges.

Reallocation

4. Notwithstanding the allocation of Loan proceeds and the withdrawal percentages set forth in the Table,

- (a) if the amount of the Loan allocated to any Category appears to be insufficient to finance all agreed expenditures in that Category, ADB may, by notice to the Borrower, (i) reallocate to such Category, to the extent required to meet the estimated shortfall, amounts of the Loan which have been allocated to another Category but, in the opinion of ADB, are not needed to meet other expenditures, and (ii) if such reallocation cannot fully meet the estimated shortfall, reduce the withdrawal percentage applicable to such expenditures in order that further withdrawals under such Category may continue until all expenditures thereunder shall have been made; and
- (b) if the amount of the Loan allocated to any Category appears to exceed all agreed expenditures in that Category, ADB may, by notice to the Borrower, reallocate such excess amount to any other Category.

Disbursement Procedures

5. Except as ADB may otherwise agree, the Loan proceeds shall be disbursed in accordance with the Loan Disbursement Handbook.

Condition for Withdrawals from Loan Account

6. Notwithstanding any other provision of this Loan Agreement, no withdrawals shall be made from the Loan Account for Category 1 until (i) all land acquisition activities for the solar park required for the construction of the initial 60 MW capacity of solar power plant is completed, and (ii) the conditions for acquiring such land through negotiated settlement as set out in paragraph 9 of Schedule 4 to the OCR [Concessional] Loan Agreement are satisfied.
