Addendum 1
9 August 2000

**Addendum to Document R127-00
Technical Assistance to Vanuatu
for Preparing the Skills Development Project**

Subsequent to ADB's approval on 11 May 2000 of the captioned technical assistance (TA), the New Zealand Government has agreed to finance a portion of the TA in the amount of \$67,000 on an untied grant basis. Consequently, the President has approved on 20 July 2000 the transfer of the source of financing for \$67,000 from the ADB-funded TA program to a grant from the New Zealand Government to be made under the Channel Financing Arrangement between the ADB and New Zealand Government, and the ADB's administration of this portion of the TA on behalf of the New Zealand Government. Accordingly, the contribution of ADB will be reduced by \$67,000.
