JOIN A SELF HELP GROUP!

HAVE YOU RELOCATED TO THIS SITE THROUGH THE RAILWAY REHABILITATION PROJECT? THEN YOU CAN JOIN A SELF HELP GROUP

THREE GOOD REASONS TO JOIN A SELF HELP GROUP

1. Each Self Help Group has a Community Development Fund to support livelihood activities and small businesses
   For example, members can ask for a loan to start activities such as mushroom farming

2. Each Self Help Group has a Social Safety Net Fund to provide the most vulnerable households financial assistance in case of emergencies
   For example, vulnerable members can ask for a grant because of a serious illness or accident in their family

3. Each Self Help Group has a Membership & Training Program for skills training in livelihood activities
   For example, members can ask for training to learn skills like vehicle mechanics
