Rural	...	73.3 (2010)
Urban-to-rural ratio	...	1.2 (2010)
by Wealth Quintile		
Lowest	...	64.0 (2010)
Highest	...	91.8 (2010)
Highest-to-lowest ratio	...	1.4 (2010)
Gender parity in labor force participation (Aged 15 and over) ⁱ	0.63	0.86 (2012)
Percentage of seats held by women in national parliament	2.0	8.5 (2013)
PILLAR THREE: Social Safety Nets		
Social protection and labor rating ^j	3.5 (2005)	4.5 (2012)
Social security expenditure on health as a percentage of government expenditure on health
Government expenditure on social security and welfare as a percentage of total government expenditure ^g	4.7 (2002)	5.0 (2012)
GOOD GOVERNANCE AND INSTITUTIONS		
Voice and accountability ^k	−0.8 (1996)	−0.5
Government effectiveness ^k	0.6 (1996)	0.6
Control of corruption ^k	0.4 (1996)	0.7

"..." = data not available, 0 or 0.0 = magnitude is less than half of unit employed, GDP = gross domestic product, kWh = kilowatt-hour, PPP = purchasing power parity.

a Data are consumption-based.

b Derived from income or consumption shares of the highest quintile and lowest quintile groups.

c Data refer to total number of deposit accounts due to lack of information on deposit account holders.

d Estimates are based on data officially reported to the World Health Organization (WHO) and the United Nations Children's Fund (UNICEF) by member economies and data reported in publications on health surveys.

e Estimated using data from Global Health Workforce Statistics (WHO) and population from World Population Prospects: The 2012 Revision.

f Figure for 2008 refers to nurses only.

g Data refer to central government.

h Measured as the ratio of female gross enrollment ratio to male gross enrollment ratio.

i Measured as the ratio of female labor force participation rate to male labor force participation rate.

j A rating of "1" corresponds to a very weak performance, and a "6" rating to a very strong performance.

k Presented in standard normal units of the governance indicator, ranging from −2.5 to 2.5 with higher values corresponding to better governance outcomes.
