| LLAR THREE: Social Safety Nets | | |
| Social protection and labor rating | | |
| Social protection and labor rating Social security expenditure on health as a percentage of government expenditure on health | 6.0 (1996) | 6.5 |
| Government expenditure on social security and welfare as a percentage of total government expenditure | 0.0 (1990) | |
| OOD GOVERNANCE AND INSTITUTIONS | | |
| Voice and accountability ^f | -1 E (400C) | -0.1 |
| voice and accountability | -1.5 (1996) | -2.1 |
| Government effectiveness ^f | -1.2 (1996) | -1.6 |

- "..." = data not available, 0 or 0.0 = magnitude is less than half of unit employed, GDP = gross domestic product, kWh = kilowatt-hour, PPP = purchasing power parity.
- a Data are based on consumption
- b Derived from consumption shares of the highest quintile and lowest quintile groups.
- c Estimates are based on data officially reported to the World Health Organization (WHO) and the United Nations Children's Fund (UNICEF) by member economies and data reported in publications on health surveys.
- d Estimates are based on household survey data.
- e Measured as the ratio of female labor force participation rate to male labor force participation rate
- f Presented in standard normal units of the governance indicator, ranging from -2.5 to 2.5 with higher values corresponding to better governance outcomes.
