The development of this project was supported by ADB technical assistance linked to the ASEAN Catalytic Green Finance Facility.
Innovative and Integrated Design for Accelerating Green Recovery in Indonesia

**SDG Indonesia One: Green Finance Facility**

$150 million ADB Financial Intermediation Loan

In this material, "$" refers to United States dollars.

Contents of this publication are the sole responsibility of ADB and do not necessarily reflect the views of ADB’s partners.

**About the Asian Development Bank**

ADB is committed to achieving a prosperous, inclusive, resilient, and sustainable Asia and the Pacific, while sustaining its efforts to eradicate extreme poverty. Established in 1996, it is owned by 68 members—49 from the region. Its main instruments for helping its developing member countries are policy dialogue, loans, equity investments, guarantees, grants, and technical assistance.
