Continue your career abroad

The Asian Development Bank (ADB) recognizes that many expatriate couples are dual-career couples. This means that, to succeed with expatriation, career continuity for the spouse is of utmost importance to a successful stay for the whole family.

To help attract and retain talented staff, ADB is offering career-related services for spouses and domestic partners of ADB international staff seeking to find employment in the Philippines or in the region.

Work authorization depends on your visa type. Please read more at www.escs.adb.org.

Personal Branding

Want to know how to brand yourself for the job you want? Learn how to write an effective resumé and a great LinkedIn profile.

“A journey of a thousand miles begins with a single step.”

—Lao Tzu

What can you expect?

ADB does not offer to place you in a job, but the ADB Expatriate Spouse Career Services gives you the tools and support you need to launch an effective job search.

The [ADB Expatriate Spouse Career Services](#) offers a combination of individual coaching, group career workshops, learning sessions, and help with resumé writing and LinkedIn profiling.

Individual coaching will help you seek clarity about your opportunities in the local market and reach your career goals. Group career workshops will provide the tools you need to transition your career. Through these workshops, you will have the opportunity to meet other spouses and expand your network.

Our services

Career Coaching Program: Through the program, you will learn about the local job market and other pertinent career-related topics. You will also learn how to brand and present yourself, become better at networking, get through a successful interview, and use LinkedIn effectively. You will join a group of around 12 spouses.

Career Workshops: Our career workshop covers a wide range of career-related topics and tips. They are designed to help you kick-start your job search. The workshops are part of the career coaching program, but you may join even if you are not enrolled in the program.

Career Lab: Each month, we conduct career labs. These are half-day learning sessions whereby you can learn more about career-related topics and practice your job search skills.

Career Talks: Join our knowledge sharing sessions with external speakers who will give you first-hand market experience about job search and career development.

Personal Branding: We can help you create an effective resumé and an eye-catching LinkedIn profile.

The ADB Expatriate Spouse Career Services is here to help you find the answers to your career-related questions.

Location

All workshops as well as learning and coaching sessions are held at the ADB headquarters, Manila. For spouses and domestic partners of ADB international staff in a resident mission, coaching sessions are available via Skype.
