HELPING TAJIKISTAN VACCINATE AGAINST COVID-19

The Asian Development Bank is providing a $25 million grant* under its Asia Pacific Vaccine Access Facility to support the Tajikistan National Deployment and Vaccination Plan for COVID-19 vaccines. Here’s what it’s for:

Purchase of at least 3 million vaccine doses, syringes, and safety boxes

Delivery to over 2,500 national, regional, and district health facilities

To vaccinate 1.3 million people from priority groups

STRENGTHENING TAJIKISTAN’S VACCINE PROGRAM

Deployment of 196 mobile teams to remote and rural areas

Information and knowledge sharing with other CAREC** members

Gender- and age-sensitive education campaigns and outreach

ADB’S EARLIER COVID-19 ASSISTANCE TO TAJIKISTAN

$50 million To finance the government’s response and countercyclical measures

$2.5 million To improve testing capacity and procure medical equipment

$1 million To purchase medical supplies and personal protective equipment for health workers

*The Tajikistan Ministry of Health and Social Protection of the Population is the executing agency for the grant.

**CAREC - Central Asia Regional Economic Cooperation Program
