BRINGING COVID-19 VACCINES TO THE KYRGYZ REPUBLIC

The Asian Development Bank (ADB) is providing $25 million in loan and grant financing to support the Kyrgyz Republic’s COVID-19 vaccination program.

About 1.7 million COVID-19 vaccine doses, syringes, and safety boxes to vaccinate over 760,000 people

ADB will help strengthen the government’s COVID-19 vaccination program by supporting:

- Project management
- Procurement
- Gender sensitivity
- Monitoring and evaluation

COVID-19 and the Kyrgyz Republic health sector: By the Numbers

- over 926,000* Number of people vaccinated with at least 1 dose
- 20% Increase in the health sector budget in 2020 to fight COVID-19
- 8,000 Beds added in medical facilities by end of 2020

ADB’s earlier COVID-19 assistance

- $50 million Loan and grant to support the government’s health, social protection, and economic measures
- $20 million Loan and grant to improve medical facilities and purchase medical supplies
- $1 million Grant to purchase medical supplies and personal protective equipment for health workers
