

## BRIEF BIO: JULIAN CRIBB BA FTSE

*Pic credit: J. Carl Ganter*

Julian Cribb is an author, journalist, editor and science communicator. He is principal of Julian Cribb & Associates who provide specialist consultancy in the communication of science, agriculture, food, mining, energy and the environment.

His career includes appointments as newspaper editor, scientific editor for *The*

*Australian* newspaper, director of national awareness for Australia's science agency CSIRO, member of numerous scientific boards and advisory panels, and president of national professional bodies for agricultural journalism and science communication.

His published work includes over 8000 articles, 3000 media releases and eight books. He has received 32 awards for journalism. His internationally-acclaimed book, *The Coming Famine* explores the question of whether we can feed humanity through the mid-century peak in numbers and food demand.
