Introduction

This user's guide has been prepared by the Asian Development Bank (ADB) for borrowers to use in the procurement of consulting services using the standard request for proposal (SRFP). The procedures and practices presented in the SRFP have been developed based on international experience and on the Master Procurement Document for Selection of Consultants (Master Document) prepared by multilateral development banks and other public international financial institutions. They are structured according to and contain the provisions of the Master Document, except where ADB-specific considerations have required a change.

The SRFP must be used for the procurement of consulting services for loans, grants, and delegated technical assistance (TA) financed in whole or in part by ADB or by ADB-administered funds unless ADB agrees to the use of other acceptable standard bidding documents.

The text shown in italics and within note boxes provide guidance to the user preparing a request for proposals (RFP) and should be deleted from the RFP when it is issued to shortlisted consultants.

This user's guide covers the different selection methods described in the Consulting Guidelines and the Procurement Regulations, including:

(i) Quality- and Cost-Based Selection,
(ii) Quality-Based Selection,
(iii) Fixed Budget Selection,
(iv) Least Cost Selection,
(v) Consultants Qualifications Selection; and
(vi) Direct Contracting also referred to as Single Source Selection.

The use of the SRFP is not required for selections conducted under commercial practices, selection of individual consultants and selections through ADB's online Consultant Management System.

Before preparing an RFP for a specific assignment, the user must be familiar with the Consulting Guidelines, the Policy, and the Procurement Regulations and must have chosen an appropriate selection method and the appropriate contract form. The SRFP includes two standard forms of contract: one for time-based assignments and the other for lump sum assignments. Section 8 of the RFP (Conditions of Contract and Contract Forms), which precedes the two contracts, indicates the circumstances in which their use is most appropriate.

---

1 A TA may be delegated through a memorandum of understanding with the recipient government to the Executing Agency (EA) for the recruitment and supervision of TA consultants.
2 Shortlisted consultant means a legally established entity providing consulting services that has been invited by the borrower to submit proposals.
Use of a single RFP for multiple selections resulting in multiple contract awards is not permissible.

Users are advised to reconfirm identity and eligibility of the consultants submitting proposals to ensure (i) that there had been no transfer of invitation to another party; (ii) that if selected, the consultants have the legal capacity to enter into binding and enforceable contracts; and (iii) compliance with ADB’s Integrity Principles and Guidelines\(^3\) (2015, as amended from time to time), which prohibits the participation of debarred entities (including consultants, sub-consultants, joint venture partners, and experts) in all ADB related activities. Users are also advised to follow ADB’s Guidance Note on Financial Proposal Evaluation (2016).\(^4\) An important feature of the SRFP is that it can be used with minimum changes, as it does not contain explanations, footnotes, or examples that should not form part of the RFP.

ADB welcomes any feedback or experiences from both borrowers and bidders on the use of its SRFP. For information on procurement under ADB-financed projects, contact:

The Bidding Process

The process for recruitment of consultants for loans, grants, and delegated technical assistance (TA) projects financed in whole or in part by the Asian Development Bank (ADB) or ADB-administered funds includes six main phases: (i) advertisement and shortlisting, (ii) preparing and issuing of request for proposals (RFP), (iii) proposal preparation and submission, (iv) proposal opening, (v) proposal evaluation, and (vi) contract award.

Advertisement and Shortlisting

For contracts following the Guidelines on The Use of Consultants by Asian Development Bank and Its Borrowers (2013, as amended from time to time) (Consulting Guidelines), the request for expressions of interest (REOI) shall be advertised on ADB’s Consultant Management System (CMS) using the Consulting Services Recruitment Notice (CSRN). The borrower may also advertise in an appropriate national journal, newspaper, or website.

For contracts following the Procurement Regulations for ADB Borrowers: Goods, Works, Nonconsulting and Consulting Services (2017, as amended from time to time) (Procurement Regulations), the REOI shall be advertised on ADB’s CMS using the CSRN, and in a newspaper of national circulation (at least in one English language newspaper, if available) or website in the borrower’s country. However, when foreign bidders are unlikely to participate and as agreed with ADB in the Procurement Plan, the REOI may be advertised solely in a national press or official gazette or a free and publicly accessible website in the borrower’s country.

The REOI will set out the selection criteria for shortlisting of consultants in accordance with the Consulting Guidelines or the Procurement Regulations, whichever is applicable. Shortlisted consultants will be issued RFPs and invited to submit proposals.

Preparing and Issuing the Request for Proposal

The executing agency (EA), which signs the contract, is referred hereto as the “Client.” The Client is responsible for preparing and issuing the RFP for a specific contract.

The Client shall prepare the RFP using the published version of the standard request for proposal (SRFP) on the ADB website without modification to Section 2 (Instructions to Consultants), Section 6 (Anticorruption Policy; Standards of Conduct), and Section 8 II (General Conditions of Contract). The Client must provide all information and data particular to each bidding process in the following sections of the RFP:

- Section 1  Letter of Invitation
- Section 2E  Data Sheet (including appendixes)
- Section 3  Technical Proposal—Standard Forms
- Section 4  Financial Proposal—Standard Forms
- Section 5  Eligible Countries
- Section 7  Terms of Reference
- Section 8 III  Special Conditions of Contract
The Client should note the following when finalizing the RFP:

- In preparing the RFP, the Client should refer to this User’s Guide to Selection of Consulting Services for Borrowers as it contains guidance and instructions to the Client.
- Specific details, such as name of the Client, address for proposal submissions, name of consulting services assignment, method of selection, etc. should be provided in the spaces indicated.
- The italicized notes and note boxes provide guidance and instructions for the Client within the letter of invitation (Section 1), the data sheet (Section 2), the terms of reference (Section 7) and the special conditions of contract (Section 8 III). Such italicized notes and note boxes should be deleted once the RFP is finalized and prior to issuance to the shortlisted consultants.
- Italicized notes and note boxes specifically meant for shortlisted consultants within the data sheet (Section 2) and the special conditions of contract (Section 8 III) and marked DO NOT MODIFY should be retained. Italicized notes within technical proposal forms (Section 3) and financial proposal forms (Section 4) should not be deleted from the final RFP document issued.
- Where alternative clauses or text are shown, the Client shall select the most appropriate for the particular consulting services and discard the unused clauses or text.

The Client shall allow shortlisted consultants sufficient time (depending on the type of proposal required, e.g., full technical proposal, simplified technical proposal, or biodata technical proposal) to study the bidding document, prepare complete and responsive proposals, and submit their proposals.

**Proposal Preparation and Submission**

The shortlisted consultant is solely responsible for the preparation and submission of its proposal. During this stage, the Client shall

- promptly respond to requests for clarifications from shortlisted consultants and amend the RFP as needed, and
- amend the RFP only with prior approval of ADB for contracts subject to prior review.

**Proposal Opening**

The Client is responsible for the opening of proposals, which is a critical event in the bidding process. The Client’s evaluation committee shall conduct the opening of proposals (in the presence of the shortlisted consultants’ representative who choose to attend). The evaluation committee should ensure that correct procedures are followed at the opening of proposals. This is because inappropriate procedures are usually irreversible and may require cancellation of the bidding process, which will result in delays and waste of resources.

The Client, in observance of best practices, shall perform the following checks:

- Conduct the opening of technical proposals strictly following the procedures as specified in the Instructions to Consultants (ITC) not later than the date and time of the proposal submission deadline. The sequence in which proposals are handled, opened, and recorded is crucial.
- Ensure that all proposals that were received on time are accounted for, before opening the proposals since proposals that are not opened and read out during the opening will no longer be considered.
- Reject proposals received after the proposal submission deadline.
• Examine opened proposals in accordance with the provisions of the ITC. The Client should keep a record of opening of technical proposals with the following information: the name and country of the consultants, the presence or absence of a duly sealed envelope with the financial proposal, any modifications to the proposal submitted prior to proposal submission deadline, and any other information deemed appropriate or as indicated in the Data Sheet. The envelopes with the financial proposal shall remain sealed and shall be securely stored until they are opened in accordance with the ITC.

Proposal Evaluation and Contract Award

The Client is responsible for proposal evaluation and contract award. The Client shall appoint experienced staff as members of the committee who will conduct the evaluation of the technical and financial proposals. Mistakes committed at proposal evaluation may later prompt complaints from shortlisted consultants, requiring the reevaluation of the proposals, causing delays and waste of resources.

The Client, in observance of best practices, shall

• keep the proposal evaluation process strictly confidential;
• reject any attempts or pressure to distort the outcome of the evaluation, including fraud and corruption;
• strictly apply the evaluation criteria specified in the RFP;
• ensure that the evaluators of the technical proposals shall have no access to the financial proposals until the technical evaluation is concluded and ADB has issued its “no objection,” if applicable.

2.4 In a timely manner and at no cost to the Consultants, the Client will provide the inputs, relevant project data, and reports required for the preparation of the Consultant’s Proposal as specified in the Data Sheet.

3. Conflict of Interest 3.1 The Consultant is required to provide professional, objective, and impartial advice, at all times holding the Client’s interest paramount, strictly avoiding conflicts with other assignments or its own corporate interests, and acting without any consideration for future work.

3.2 The Consultant has an obligation to disclose to the Client any situation of actual or potential conflict that impacts its capacity to serve the best interest of its Client. Failure to disclose such situations may lead to the disqualification of the Consultant or the termination of its Contract and/or sanctions by the Bank.

3.3 Without limitation on the generality of the foregoing, the Consultant shall not be hired under the circumstances set forth below:

Conflicting activities 3.3.1 Conflict between consulting activities and procurement of goods, works, or nonconsulting services. A firm that has been engaged by the Client to provide goods, works, or nonconsulting services for a project, or any of its Affiliates, shall be disqualified from providing consulting services resulting from or directly related to those goods, works, or nonconsulting services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, or any of its Affiliates, shall be disqualified from subsequently providing goods or works or nonconsulting services resulting from or directly related to the consulting services for such preparation or implementation.

Conflicting assignments 3.3.2 Conflict among consulting assignments. A Consultant (including its Experts and Sub-Consultants) or any of its Affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant for the same or for another Client.
Conflicting relationships 3.3.3 Relationship with the Client’s staff. A Consultant (including its Experts and Sub-consultants) that has a close business or family relationship with a professional staff of the [Borrower or the Client or the Recipient or Beneficiary] or of the [implementing/executing agency] or of a recipient of a part of the Bank’s financing who are directly or indirectly involved in any part of (i) the preparation of the TOR for the assignment, (ii) the selection process for the Contract, or (iii) the supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Bank throughout the selection process and the execution of the Contract.

3.3.4 Any other types of conflicting relationships as indicated in the Data Sheet.

4. Unfair Competitive Advantage 4.1 Fairness and transparency in the selection process require that the Consultants or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to the assignment in question. To that end, the Client shall indicate in the Data Sheet and make available to all shortlisted consultants together with this RFP all information that would in that respect give such a Consultant any unfair competitive advantage over competing Consultants.

5. Corrupt and Fraudulent Practices 5.1 The Bank requires compliance with its policy on corrupt and fraudulent or prohibited practices as set forth in Section 6.

5.2 In further pursuance of this policy, the Consultant shall permit and shall cause its Sub-Consultants and Sub-contractors to permit the Bank or its representatives to inspect the accounts, records and other documents relating to the submission of the Proposal and execution of the contract, in case of award, and to have the accounts and records audited by auditors appointed by the Bank.

6. Eligibility 6.1 The Bank permits consultants (individuals and firms, including JVs and their individual members) from the eligible countries as stated in Section 5 (Eligible Countries) to offer consulting services for Bank-financed projects. In the case of a JV,

(a) all partners shall be jointly and severally liable; and

(b) the JV shall nominate a representative who shall have the authority to conduct all business for and on behalf of any and all the parties of the JV during the bidding process and, in the event the JV is awarded the Contract, during contract execution.

6.2 The Consultant, and all parties constituting the Consultant, should be nationals of an eligible country, in accordance with Section 5 (Eligible Countries). A Consultant shall be deemed to have the nationality of a country if the Consultant is a citizen or is constituted, incorporated, or registered, and operates in conformity with the provisions of the laws of that country.1 This criterion shall also apply to the determination of the nationality of proposed subcontractors for any part of the Contract including related services.

6.3 As an exception to Clauses 6.1 and 6.2 above:

1 Experts employed or engaged by an eligible consulting firm will be considered eligible regardless of their nationality.
Sanctions  6.3.1 A firm or an individual sanctioned by the Bank in accordance with the above Clause 5.1 or in accordance with the Applicable Guidelines shall be ineligible to be awarded a Bank-financed contract, or to benefit from a Bank-financed contract, financially or otherwise, during such period of time as the Bank shall determine. The lists of debarred firms and individuals is contained in the Data Sheet.

Prohibitions  6.3.2 Firms and individuals of a country or goods manufactured in a country may be ineligible if so indicated in Section 5 (Eligible Countries) and

(a) as a matter of law or official regulations, the Borrower's/Beneficiary's country prohibits commercial relations with that country, provided that the Bank is satisfied that such exclusion does not preclude effective competition for the provision of Services required; or

(b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Borrower's Country prohibits any import of goods from that country or any payments to any country, person, or entity in that country.

Restrictions for Government-owned Enterprises  6.3.3 Government-owned enterprises or institutions in the Borrower’s country shall be eligible if they can establish that they (i) are legally and financially autonomous, (ii) operate under commercial law, and (iii) that they are not dependent agencies of the Client.

Restrictions for public employees  6.3.4 Government officials and civil servants may only be hired under consulting contracts, as members of a team of a consulting firm, if they (i) are on leave of absence without pay; (ii) are not being hired by the agency they were working for immediately before going on leave; and (iii) their employment would not create a conflict of interest.

B. Preparation of Proposals

7. General Considerations

7.1 In preparing the Proposal, the Consultant is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.

8. Cost of Preparation of Proposal

8.1 The Consultant shall bear all costs associated with the preparation and submission of its Proposal, and the Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. The Client is not bound to accept any proposal, and reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Consultant.

9. Language

9.1 The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Consultant and the Client, shall be written in the language(s) specified in the Data Sheet.
10. Documents Comprising the Proposal

10.1 The Proposal shall comprise the documents and forms listed in the Data Sheet.

10.2 If specified in the Data Sheet, the Consultant shall include a statement of an undertaking of the Consultant to observe, in competing for and executing a contract, the Client country’s laws against fraud and corruption (including bribery).

10.3 The Consultant shall furnish information on commissions, gratuities and fees, if any, paid or to be paid to agents or any other party relating to this Proposal and, if awarded, Contract execution, as requested in the Financial Proposal submission form (Section 4).

11. Only One Proposal

11.1 The Consultant (including the individual members of any JV) shall submit only one Proposal, either in its own name or as part of a JV in another Proposal. If a Consultant, including any JV member, submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This does not, however, preclude a Sub-Consultant, or the Consultant’s staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify.

12. Proposal Validity

12.1 The Data Sheet indicates the period during which the Consultant’s Proposal must remain valid after the Proposal submission deadline.

12.2 During this period, the Consultant shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates and the total price.

12.3 If it is established that any Key Expert nominated in the Consultant’s Proposal was not available at the time of Proposal submission or was included in the Proposal without the Key Expert’s confirmation, the Proposal shall be disqualified and rejected for further evaluation, and may be subject to sanctions in accordance with Clause 6 of this ITC.

Extension of Validity Period

12.4 The Client will make its best effort to complete the negotiations within the proposal’s validity period. However, should the need arise, the Client may request, in writing, all Consultants who submitted Proposals prior to the submission deadline to extend the Proposals’ validity.

12.5 If the Consultant agrees to extend the validity of its Proposal, it shall be done without any change in the original Proposal.

12.6 The Consultant has the right to refuse to extend the validity of its Proposal in which case the Proposal will be considered withdrawn.

Substitution of Key Experts at Validity Extension

12.7 If any of the Key Experts become unavailable for the extended validity period, the Consultant shall provide a written adequate justification and evidence satisfactory to the Client together with the substitution request. In this case, a replacement Key Expert shall have equal or better qualifications and experience than those of the originally proposed Key Expert.

12.8 If the Consultant fails to provide a replacement Key Expert with equal or better qualifications, or if the provided reasons for the replacement or justification are unacceptable to the Client, the Proposal will be rejected with the Bank’s prior no objection.
Subcontracting

12.9 The Consultant shall not subcontract the whole of the Services.

13. Clarification and Amendment of Request for Proposal

13.1 The Consultant may request a clarification of any part of the RFP during the period indicated in the Data Sheet before the Proposals’ submission deadline. Any request for clarification must be sent in writing, or by standard electronic means, to the Client’s address indicated in the Data Sheet. The Client will respond in writing, or by standard electronic means, and will send written copies of the response (including an explanation of the query but without identifying its source) to all shortlisted consultants. Should the Client deem it necessary to amend the RFP as a result of a clarification, it shall do so following the procedure described below:

13.1.1 At any time before the proposal submission deadline, the Client may change the RFP by issuing an amendment in writing or by standard electronic means. The amendment shall be sent to all shortlisted consultants and will be binding on them. The shortlisted consultants shall acknowledge receipt of all amendments in writing.

13.1.2 If the amendment is substantial, the Client shall extend the proposal submission deadline to give the shortlisted consultants reasonable time to take an amendment into account in their Proposals.

13.2 The Consultant may submit a modified Proposal or a modification to any part of it at any time prior to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline.

14. Preparation of Proposals—Specific Considerations

14.1 While preparing the Proposal, the Consultant must give particular attention to the following:

14.1.1 If a shortlisted consultant considers that it may enhance its expertise for the assignment by associating with other consultants in the form of a JV or as Sub-Consultants, it may do so with either (a) non-shortlisted consultants(s) or (b) shortlisted consultants if permitted in the Data Sheet. When associating with non-shortlisted firms in the form of a JV or a sub-consultancy, the shortlisted consultant shall be a lead member. If shortlisted consultants associate with each other, any of them can be the lead member.

14.1.2 The Client may indicate in the Data Sheet the estimated Key Experts’ time input (expressed in person-months) and the Client’s estimated total cost of the assignment. This estimate is indicative, and the Proposal shall be based on the Consultant’s own estimates for the same.

14.1.3 If stated in the Data Sheet, the Consultant shall include in its Proposal at least the same time input (in the same unit as indicated in the Data Sheet) of Key Experts, failing which the Financial Proposal will be adjusted for the purpose of comparison of proposals and decision for award in accordance with the procedure in the Data Sheet.

14.1.4 The total available budget, with an indication whether it is inclusive or exclusive of taxes, is given in the Data Sheet, and the Financial Proposal shall not exceed this budget.
15. Technical Proposal Format and Content

15.1 The Technical Proposal shall not include any financial information. A Technical Proposal containing material financial information shall be declared non-responsive.

15.2 Depending on the nature of the assignment, the Consultant is required to submit a full technical proposal (FTP), a biodata technical proposal (BTP) or a simplified technical proposal (STP) as indicated in the Data Sheet and using the Standard Forms provided in Section 3 of the RFP.

16. Financial Proposal

16.1 The Financial Proposal shall be prepared using the Standard Forms provided in Section 4 of the RFP. It shall list all costs associated with the assignment, including (a) remuneration for Key Experts and Non-Key Experts, (b) other expenses, (c) provisional sums when applicable, and (d) contingency indicated in the Data Sheet.

Price Adjustment

16.2 For assignments with a duration exceeding 18 months, a price adjustment provision for foreign and/or local inflation for remuneration rates applies if so stated in the Data Sheet.

Taxes

16.3 The Consultant and its Sub-Consultants and Experts are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the Data Sheet. Information on taxes in the Client’s country is provided in the Data Sheet.

Currency of Proposal

16.4 The Consultant may express the price for its Services in the currency or currencies as stated in the Data Sheet. If indicated in the Data Sheet, the portion of the price representing local cost shall be stated in the national currency.

Currency of Payment

16.5 Payment under the Contract shall be made in the currency or currencies stated in the Proposal.

C. Submission, Opening, and Evaluation

17. Submission, Sealing, and Marking of Proposals

17.1 The Consultant shall submit a signed and complete Proposal comprising the documents and forms in accordance with Clause 10 (Documents Comprising Proposal). The submission can be done by mail or by hand. If specified in the Data Sheet, the Consultant has the option of submitting its Proposals electronically.

17.2 An authorized representative of the Consultant shall sign the original submission letters in the required format for both the Technical Proposal and, if applicable, the Financial Proposals and shall initial all pages of both. The authorization shall be in the form of a written power of attorney attached to the Technical Proposal.

17.2.1 A Proposal submitted by a JV shall be signed by all members so as to be legally binding on all members, or by an authorized representative who has a written power of attorney signed by each member’s authorized representative.
17.3 Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialled by the person signing the Proposal.

17.4 The signed Proposal shall be marked “Original,” and its copies marked “Copy” as appropriate. The number of copies required is indicated in the Data Sheet. All copies shall be made from the signed original. If there are discrepancies between the original and the copies, the original shall prevail. If there are discrepancies in the delivery time of the original or copies, the time of delivery of the original shall prevail.

17.5 The original and all the copies of the Technical Proposal shall be placed inside a sealed envelope clearly marked “TECHNICAL PROPOSAL,” “[insert Name of the Assignment],” reference number, name and address of the Consultant, and with a warning “DO NOT OPEN UNTIL [insert the date and the time of the Technical Proposal submission deadline].”

17.6 Similarly, the original Financial Proposal (if required for the applicable selection method) shall be placed inside a sealed envelope clearly marked “FINANCIAL PROPOSAL” followed by the name of the assignment, reference number, name and address of the Consultant, and with a warning, “DO NOT OPEN WITH THE TECHNICAL PROPOSAL.”

17.7 The sealed envelopes containing the Technical and Financial Proposals shall be placed into one outer envelope and sealed. This outer envelope shall bear the submission address, RFP reference number, the name of the assignment, the Consultant’s name and the address, and shall be clearly marked “DO NOT OPEN BEFORE [insert the time and date of the submission deadline indicated in the Data Sheet].”

17.8 If the envelopes and packages with the Proposal are not sealed and marked as required, the Client will assume no responsibility for the misplacement, loss, or premature opening of the Proposal. For QCBS, FBS, and LCS, if the Technical and Financial Proposals are not submitted in separate sealed envelopes as required, the Client shall reject the Proposal.

17.9 The Proposal or its modifications must be sent to the address indicated in the Data Sheet and received by the Client no later than the deadline indicated in the Data Sheet, or any extension to this deadline. Any Proposal or its modification received by the Client after the deadline shall be declared late and rejected, and promptly returned unopened.

18. Confidentiality

18.1 From the time the Proposals are opened to the time the Contract is awarded, the Consultant should not contact the Client on any matter related to its Technical and/or Financial Proposal. Information relating to the evaluation of Proposals and award recommendations shall not be disclosed to the Consultants who submitted the Proposals or to any other party not officially concerned with the process, until the publication of the Contract award information.

18.2 Any attempt by shortlisted consultants or anyone on behalf of the Consultant to improperly influence the Client in the evaluation of the Proposals or Contract award decisions may result in the rejection of its Proposal and may be subject to the application of the Bank’s prevailing sanctions procedures.
18.3 Notwithstanding the above provisions, from the time of the Proposals’ opening to the time of Contract award publication, if a Consultant wishes to contact the Client or the Bank on any matter related to the selection process, it should do so only in writing.

19. Opening of Technical Proposals

19.1 The Client’s evaluation committee shall conduct the opening of the Technical Proposals in the presence of the shortlisted consultants’ authorized representatives who choose to attend (in person, or online if this option is offered in the Data Sheet). The opening date, time, and the address are stated in the Data Sheet. The envelopes with the Financial Proposal shall remain sealed and shall be securely stored until they are opened in accordance with Clause 23 of the ITC.

19.2 At the opening of the Technical Proposals, the following shall be read out: (i) the name and the country of the Consultant or, in case of a JV, the name of the JV, the name of the lead member and the names and the countries of all members; (ii) the presence or absence of a duly sealed envelope with the Financial Proposal; (iii) any modifications to the Proposal submitted prior to the proposal submission deadline; and (iv) any other information deemed appropriate or as indicated in the Data Sheet.

20. Proposals Evaluation

20.1 Subject to the provision of Clause 15.1 of the ITC, the evaluators of the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded and the Bank issues its “no objection,” if applicable.

20.2 The Consultant is not permitted to alter or modify its Proposal in any way after the proposal submission deadline except as permitted under Clause 12.7 of this ITC. While evaluating the Proposals, the Client will conduct the evaluation in accordance with the process specified in the Data Sheet and solely on the basis of the submitted Technical and Financial Proposals.

20.3 From the time the proposals are received by the Client to the time that the Contract is awarded, the Client shall not request the Consultant to provide clarification on any matter related to the Consultant’s Technical or Financial Proposal. In exceptional cases and with prior approval of ADB, the Client may request clarifications relating to minor clarifications or corrections of obvious errors or inconsistencies. This request shall be made in writing and copied to ADB.

20.4 Any request for clarification must be sent and responded to in writing and should be date-stamped.

21. Evaluation of Technical Proposals

21.1 The Client’s evaluation committee shall assess the Technical Proposals on the basis of their responsiveness to the TOR and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the RFP. Each responsive Proposal will be given a technical score. A Proposal shall be rejected if it fails to achieve the minimum technical score indicated in the Data Sheet.
22. Financial Proposals for Quality-Based Selection

22.1 Following the ranking of the Technical Proposals, when the selection is based on quality only (QBS), the top-ranked Consultant is invited to negotiate the Contract.

22.2 If Financial Proposals were invited together with the Technical Proposals, only the Financial Proposal of the technically top-ranked Consultant is opened by the Client's evaluation committee. All other Financial Proposals are returned unopened after the Contract negotiations are successfully concluded and the Contract is signed.

23. Public Opening of Financial Proposals for Quality- and Cost-Based Selection (QCBS), Fixed Budget Selection (FBS), and Least-Cost Selection (LCS) methods

23.1 After the technical evaluation is completed and the Bank has issued its no objection (if applicable), the Client shall notify those Consultants whose Proposals were considered non-responsive to the RFP and TOR or did not meet the minimum qualifying technical score (and shall provide information relating to the Consultant's overall technical score) that their Financial Proposals will be returned unopened after completing the selection process and Contract signing. The Client shall simultaneously notify in writing the Consultants that have achieved the minimum overall technical score and inform them of the date, time, and location of the opening of the Financial Proposals. The opening date should allow the Consultants sufficient time to make arrangements for attending the opening. The Consultant’s attendance at the opening of the Financial Proposals (in person, or online if such option is indicated in the Data Sheet) is optional and is at the Consultant's discretion.

23.2 The Financial Proposals shall be opened by the Client’s evaluation committee in the presence of the representatives of the Consultants whose proposals have passed the minimum technical score. At the opening, the names of the Consultants, and the overall technical scores, shall be read aloud. The Financial Proposals will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall then be opened, and the total prices read aloud and recorded. Copies of the record shall be sent to all Consultants who submitted Proposals.

24. Correction of Errors

24.1 Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no correction is made to the Financial Proposal.

Time-Based Contracts

24.1.1 If a Time-Based contract form is included in the RFP, the Client's evaluation committee will (a) correct any computational or arithmetical errors and (b) adjust the prices if they fail to reflect all inputs included for the activities or items in the Technical Proposal. If there is a discrepancy between (i) a partial amount (subtotal) and the total amount, or (ii) between the amount derived by multiplication of a unit price with the quantity and the total price, or (iii) between words and figures, the former will prevail. In case there is a discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails and the Client's evaluation committee shall correct the quantity indicated in the Financial Proposal so as to make it consistent with the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.
INSTRUCTIONS TO CONSULTANTS INCLUDING DATA SHEET

Lump Sum Contracts 24.2 If a Lump Sum contract form is included in the RFP, the Consultant is deemed to have included all prices in the Financial Proposal, so neither arithmetical corrections nor price adjustments shall be made. The total price, net of taxes understood as per Clause ITC 25 below, specified in the Financial Proposal (Form FIN-1) shall be considered as the offered price.

25. Taxes 25.1 Except as set out in Subclause 25.2, all taxes are deemed included in the Consultant’s Financial Proposal, and, therefore, included in the evaluation.

25.2 Any local identifiable indirect taxes levied on the contract invoices (such as sales tax, value-added tax, excise tax, or any similar taxes or levies) payable to the Client’s country on the remuneration of non-resident Experts for the services rendered in the Client’s country are dealt with in accordance with the instructions in the Data Sheet.

26. Conversion to Single Currency 26.1 For evaluation purposes, prices shall be converted to a single currency using the selling rates of exchange, source and date indicated in the Data Sheet.

27. Combined Quality and Cost Evaluation

Quality- and Cost-Based Selection (QCBS) 27.1 In the case of QCBS, the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the Data Sheet. The Consultant that will achieve the highest combined technical and financial score will be invited for negotiations.

Fixed-Budget Selection (FBS) 27.2 In the case of FBS, Proposals that exceed the budget indicated in Clause 14.1.4 of the Data Sheet shall be rejected.

27.3 The Client will select the Consultant that submitted the Technical Proposal with the highest score that does not exceed the budget indicated in the RFP, and invite the Consultant to negotiate the Contract.

Least-Cost Selection (LCS) 27.4 In the case of LCS, the Client will select the Consultant with the lowest evaluated total price among the consultants that achieved the minimum technical score, and invite the Consultant to negotiate the Contract.

D. Negotiations and Award

28. Negotiations 28.1 The negotiations will be held at the date and address indicated in the Data Sheet with the Consultant’s representative(s). The representative must have a written power of attorney to negotiate and sign a Contract on behalf of the Consultant.

28.2 The Client shall prepare the minutes of negotiations, which will be signed by the Client and the Consultant’s authorized representative.

Availability of Key Experts 28.3 The invited Consultant shall confirm the availability of all Key Experts included in the Proposal as a prerequisite to the negotiations, or, if applicable, a replacement in accordance with Clause 12 of the ITC. Failure to confirm the Key Experts’ availability may result in the rejection of the Consultant’s Proposal and the Client proceeding to negotiate the Contract with the next-ranked Consultant.
28.4 Notwithstanding this, the substitution of Key Experts at the negotiations may be considered if it is due solely to circumstances outside the reasonable control of and not foreseeable by the Consultant, including but not limited to death or medical incapacity. In this case, the Consultant shall offer a substitute Key Expert within the period of time specified in the letter of invitation to negotiate the Contract. The substitute shall have equivalent or better qualifications and experience than the original Key Expert.

Technical negotiations

28.5 The negotiations include discussions of the TOR, the proposed methodology, the Client’s inputs, the special conditions of the Contract, and finalizing the “Description of Services” part of the Contract. These discussions shall not substantially alter the original scope of services under the TOR or the terms of the contract, lest the quality of the final product, its price, or the relevance of the initial evaluation be affected.

Financial negotiations

28.6 The negotiations include the clarification of the Consultant’s tax liability in the Client’s country and how it should be reflected in the Contract.

28.7 If the selection method included cost as a factor in the evaluation, the total price stated in the Financial Proposal for a Lump Sum contract shall not be negotiated.

29. Conclusion of Negotiations

29.1 The negotiations are concluded with a review of the finalized draft Contract, which shall then be initialed by the Client and the Consultant’s authorized representative.

29.2 If the negotiations fail, the Client shall inform the Consultant in writing of all pending issues and disagreements and provide a final opportunity to the Consultant to respond. If the disagreement persists, the Client shall terminate the negotiations informing the Consultant of the reasons for doing so in writing. After having obtained the Bank’s no objection, the Client will invite the next-ranked Consultant to negotiate a Contract. Once the Client commences negotiations with the next-ranked Consultant, the Client shall not reopen the earlier negotiations.

30. Award of Contract

30.1 After completing the negotiations the Client shall obtain the Bank’s no objection to the negotiated draft Contract, if applicable; sign the Contract; publish the award information as per the instructions in the Data Sheet; and promptly notify the other shortlisted consultants.

30.2 The Consultant is expected to commence the assignment on the date and at the location specified in the Data Sheet.

31. Procurement-Related Complaint

31.1 The procedures for making a procurement-related complaint are as specified in the Data Sheet.

### 10.2 Statement of Undertaking on Fraud and Corruption

Statement of Undertaking is required

Yes________ or No __________

[If Yes, make sure to include paragraph (h) in Form TECH-1]

**NOTE**

If YES:

*Client will retain para. (h) Form TECH-1 which includes the Statement of Undertaking. No other statement of undertaking is required.*

*DO NOT replicate the Statement of Undertaking here.*

If NO:

*Delete para. (h) in Form TECH-1*

### 12.1 Proposal Validity

Proposals must remain valid for [insert a number: normally no less than 120 days] calendar days after the proposal submission deadline (i.e., until: insert the date).

[Notes to Client: Duration of validity of the proposals shall be adequate to complete evaluation of the proposals, receive all necessary Government and ADB endorsements and negotiate the contract.]

**NOTE**

*It is recommended that proposals be valid for 120 days.*

*Any period shorter than 120 days may be inadequate for complete proposal evaluation and required endorsements.*

*Any period longer than 120 days increases the risk of the proposed experts no longer being available.*
### 13.1 Clarification of Request for Proposal

Clarifications may be requested no later than [insert number] days prior to the submission deadline.

The contact information for requesting clarifications is: __________________________

Facsimile: __________ E-mail: _________________

**NOTE**

The recommended deadline is at least 10 to 15 days before proposal submission deadline.

The Client may also consult with ADB on any request for clarification that may be received from shortlisted consultants.

Any fundamental, substantial change, amendment to the RFP because of request for clarification should require ADB's prior approval.

Amendments should be transmitted to all shortlisted consultants with acknowledgment receipts.

### 14.1.1 Preparation of Proposals: Specific Considerations (Association with Shortlisted Consultants)

Shortlisted consultants may associate with

(a) non-shortlisted consultant(s): Yes _______ or No ______

(b) other shortlisted consultants: Yes _______ or No ______

[Notes to Client: Default provision is for (a) “Yes” and (b) “No”, e.g., shortlisted consultants may not associate with other shortlisted consultants, but may associate with other non-shortlisted consultants. Any deviations from the default provisions would require ADB prior approval.]

**NOTE**

Default for (a) Yes

Default for (b) No

Default provisions for (a) and (b) as stipulated above are recommended to allow shortlisted firms to enhance its expertise with non-shortlisted firms.

Any deviations will require prior approval from ADB.
14.1.2 | Preparation of Proposals: Specific Considerations

[DO NOT USE FOR FIXED BUDGET CONTRACTS]

[If not used, state “Not applicable.”]

[Note to Client: state “Not applicable,” if specifying minimum inputs under 14.1.3, instead of estimated inputs.]

If used, insert the following:

Estimated input of international Key Experts’ time-input: ______ person-months.

Estimated input of national Key Experts’ time-input: ______________ person-months.

AND/OR

Estimated total cost of the assignment: ______

[Notes to Client: For QCBS with estimated inputs, the Client is advised to use Estimated total cost instead of maximum budget. For small value assignments with lump sum contracts with well-defined output-based TOR and professional standards, stating maximum budget without estimated inputs may suffice.]

NOTE

If not used, insert “Not Applicable”.

For Lump Sum:
The Client is advised to
• indicate estimated time input. [Clause 24.2 ITC – no adjustment allowed on the Financial Proposal (FP)]. Typically, no variation is allowed post-contract.
• indicate estimated or maximum value of contract exclusive of indirect local taxes for easy reference during FP evaluation.

For small value lump sum with a well-defined output-based TOR and professional standards, stating the maximum budget without estimated inputs may suffice.

For Time-Based:
The Client is advised
• that estimated time input is not applicable, and
• to indicate the estimated or the maximum value of the contract inclusive of contingency and provisional sums but exclusive of indirect local taxes for easy reference during FP evaluation. (DS 25.2)
### 14.1.3 Preparation of Proposals—Specific Considerations (Minimum Time and Cost Inputs for Time-Based Contracts)

[If not used, state “Not applicable.” If used, insert the following:]

Minimum time-input of international Key Experts is: _______________ person-months.

Minimum time-input of national Key Experts is: _______________ person-months

Proposals that are quoted higher than the required minimum of time-input will not be adjusted.

**NOTE**

*Minimum total person-month input for the Key Experts (International and National) should be consistent with the TOR.*

### 14.1.4 Only for QCBS with Maximum Budget

*Maximum budget for the assignment: __________ (indicate whether it is inclusive or exclusive of taxes)*

The Client may disqualify an evaluated FP that exceeds the maximum budget.

**NOTE**

*For QCBS:*

*Client is advised to consider the following when using the maximum budget:*

(i) For large value contracts with a long contract period and are complex in nature (e.g., civil works supervision dependent on the progress of work), it is difficult to set an accurate budget;

(ii) Given the uncertainty above, if the Client underestimates the maximum budget, it may risk disqualification of a technically well-qualified Consultant; and

(iii) QCBS with the Maximum Budget risks disqualification of FPs during financial evaluation if the proposed price is too close to the maximum budget. If further price adjustments are required, it may potentially invite complaints from the Consultants.

*For all other selection methods, indicate “Not Applicable.”*
### 14.1.4 and 27.2

**Only for FBS**

The total available budget for this Fixed-Budget assignment is: ___________ [select inclusive or exclusive] of taxes. Proposals exceeding the total available budget will be rejected.

The Proposal refers to the proposed price in Form FIN-1.

[Notes to Client: If inclusive, indicate tax estimates separately.]

**NOTE**

FBS administered by the EA uses the FIN-1 price, not the Adjusted Total Price (ATP). EA must retain the text, “The Proposal refers to the proposed price in Form FIN-1.” in the Data Sheet.

If the budget is inclusive of taxes, tax estimates must be indicated here separately.

### 15.2

**Format of Technical Proposal**

The format of the Technical Proposal to be submitted is:

FTP ________ or STP __________ or BTP_____________

Please refer to the Checklist of Required Forms in Section 3.

Submission of the Technical Proposal in an incorrect format may lead to the Proposal being deemed non-responsive to the RFP requirements.

**NOTE**

The type of TP should be consistent with the Procurement Plan.

### 16.1

**Financial Proposal**

1. a per diem allowance, including hotel, for experts for every day of absence from the home office for the purposes of the Services;
2. cost of travel by the most appropriate means of transport and the most direct practicable route;
3. cost of office accommodation, including overheads and back-stop support;
4. communications costs;
5. cost of purchase or rent or freight of any equipment required to be provided by the Consultants;
6. cost of reports production (including printing) and delivering to the Client;
7. office support staff;
8. insurance (e.g., professional liability, motor vehicle, third party, equipment, employer’s liability and workers compensation unless such insurances are included in the overhead expenses); and
9. other allowances where applicable.
[insert other relevant type of expenses, if/as applicable]

[The following sample list is only for time-based contracts:]

Provisional sums: insert amount, provide breakdown. For example,
Workshops/Seminars/Conferences: _______
Surveys: _______
Equipment: _______
Contingency: _______

**NOTE**

The sample list provided is intended for guidance only. Items that are not applicable should be deleted, others may be added. If the Client wants to set up maximum ceilings for unit rates of certain type of expenses, such ceilings should be indicated in the FIN forms.

Indicate the amount for Provisional Sums with a breakdown of items and their corresponding amounts according to the budget as provided in the sample.

Indicate the amount of contingency which is normally 5% to 10% of the base cost and should be consistent with the detailed budget breakdown.

16.2 Price Adjustment

[Applies to all time-based contracts with a duration exceeding 18 months. In exceptional circumstances, it can also apply to Lump Sum contracts assignments longer than 18 months with prior agreement with ADB.]

A price adjustment provision applies to remuneration rates:

Yes __________ or
No __________

[If “Yes”, follow SCC 42.3 and Consultants should include indices of currency of payments as part of the Financial Proposal. The indices shall not be evaluated but will be considered during negotiations with the first-ranked firm.]

**NOTE**

*Time-Based Contract*

Select “Yes” for a time-based contract exceeding 18 months and follow SCC 42.3.

Adjustment of remuneration should follow provisions in SCC 42.3 of the RFP. Adjustment applies only on the remuneration because a time-based contract reimburses expenses using actual expenses and/or an agreed unit rate.

In exceptional circumstances, this can also apply to Lump Sum contracts assignments longer than 18 months with prior agreement with ADB.

*Lump Sum Contract*

A lump sum contract does not have an adjustment provision because it is a contract at a fixed price agreed for the output. It is considered that a Consultant has incorporated a premium for future inflation in the Proposal; and it does not segregate individual remuneration rates.
16.3 **Taxes**

[If the Client has obtained a tax exemption applicable to the Contract, insert “The Client has obtained an exemption for the Consultant from payment of __________ [insert the tax description; e.g., value-added tax, or local indirect taxes, etc.] in the Client’s country as per [insert reference to the applicable official source that issued an exemption.”]

[If there is no tax exemption in the Client’s country, insert the following: “Information on the Consultant’s tax obligations in the Client’s country can be found [insert reference to the appropriate official source].”]

**NOTE**

Choose one of the two options as appropriate. Ensure that the tax provision is consistent with SCC 43.1 and SCC 43.2.

Provision for taxes will be finalized during contract negotiations and added to the contract as separate item (Data Sheet 25.2).

16.4 **Currency of Proposal**

The Financial Proposal shall be stated in the following currencies:

Consultant may express the price for their Services in any fully convertible currency, singly or in combination of up to three foreign currencies.

The Financial Proposal should state local costs in the Client’s country currency (local currency): Yes _________ or No _________

C. **Submission, Opening, and Evaluation**

17.1 **Electronic Submission of Proposals**

The Consultants [insert “shall” or “shall not”] have the option of submitting their Proposals electronically.

If “Yes”, insert: The electronic submission procedures shall be: [describe the submission procedure.]

**NOTE**

The Client should seek ADB’s prior approval for any proposed electronic submission to be used for bidding or selection of Consultants.
17.4 Submission of Proposals

The Consultant must submit:

(a) Technical Proposal:

(i) one (1) original and ____ [insert number] copies to the Client; and

NOTE

If electronic submission will be used by the EA as indicated in Data Sheet 17.1 then EA would not require hard copies.

17.7 and 17.9 Deadline for the Submission of Proposals

The Proposals must be received at the address below no later than:

NOTE

The Client should ensure that the dates and time indicated in this section are updated prior to issuance of RFP.
19.1 **Opening of Technical Proposals**

An online option for the opening for the Technical Proposals is offered: Yes _______ or No _______

The minimum technical score (St) required to pass is 750 (maximum 1,000 points.)

**NOTE**

Any deviation to the standard evaluation criteria and sub-criteria should be reflected in the Summary and Personnel Evaluation Sheets that are attached to the Data Sheet and should have prior approval by ADB.
### 23.1 Public Opening of Financial Proposals

An online option of the opening of the Financial Proposals is offered:

### 25.2 Taxes

For the purposes of the evaluation, the Client will exclude (a) all local identifiable indirect taxes such as sales tax, excise tax, VAT, or similar taxes levied on the contract invoices; and (b) all additional local indirect tax on the remuneration of services rendered by non-resident experts of the Consultant in the Client’s country. At contract negotiations, all applicable indirect local taxes will be discussed and agreed (using the itemized list as guidance but not limiting to it) and added to the contract amount in a separate line, also indicating which taxes shall be paid by the Consultant and which are withhold and paid by the Client on behalf of the Consultant.

**Note**

*In exceptional cases only, in particular, in case of subnational lending, when indirect taxes cannot be fully identified, replace the text in Data Sheet 25.2 with: “For evaluation purposes, such taxes are deemed included in the Consultant’s financial proposal.”

*The comments in Data Sheet 14.1.2 for Indirect Local Taxes has more information.*
## Conversion into Single Currency

The single currency for the conversion of all prices expressed in various currencies into a single one is: ____________ [indicate local currency or fully convertible foreign currency. For ease of comparison, it is preferable to indicate in the currency of the budget.]

The official source of the selling (exchange) rate is: ________________

The date of the exchange rate is: ________________

[The date shall not be earlier than 4 weeks prior to the deadline for submission of proposals and no later than the date of the original validity of Proposals.]

### NOTE

Indicate the local currency or fully convertible foreign currency.

*For ease of comparison, it is preferable to indicate in the currency of the budget stated in Data Sheet 14.1.2 (for QCBS) or in Data Sheet 14.1.4/27.2 (for FBS).*

*The date shall not be earlier than 4 weeks prior to the deadline for submission of Proposals and no later than the date of the original validity of Proposals.*

## QCBS Only

The lowest evaluated Financial Proposal (Fm) is given the maximum financial score (Sf) of 1,000.

The formula for determining the financial scores (Sf) of all other Proposals is calculated as follows:

\[ S_f = 1,000 \times \frac{Fm}{F}, \]

in which “Sf” is the financial score, “Fm” is the lowest Evaluated Total Price (ETP), which is equal to the Adjusted Total Price (ATP) less the Non-competitive Component, i.e., provisional sums and contingency; and “F” is the ETP of the proposal under consideration.

The weights given to the Technical (T) and Financial (P) Proposals are:

\[ T = \quad \text{[Insert weight]}, \quad \text{and} \quad P = \quad \text{[Insert weight]}. \]

[Note to the Client: Values for T and P shall be consistent with those indicated in the Procurement Plan.]

Proposals are ranked according to their combined technical (St) and financial (Sf) scores using the weights \(T = \text{the weight given to the Technical Proposal;}\) \(P = \text{the weight given to the Financial Proposal;}\) \(T + P = 1\) as following: \(S = St \times T\% + Sf \times P\%\).

### NOTE

*Indicate the Quality-Cost Ratio (T and P) that is consistent with the Procurement Plan.*

*For QCBS*

*Delete the contents of this clause and indicate “Not applicable.”*
### D. Negotiations and Award

Expected date for the commencement of the Services:
- **Date:** ________ [Insert month and year] at: ________ [Insert location]

**NOTE**

*Client should ensure that the dates and time indicated in this section are updated prior to issuance of RFP.*
35.1 **Procurement-Related Complaints**

The procedures for making a procurement-related complaint are detailed in paragraphs 1.31 and 1.32 of the Procurement Regulations. If a Consultant wishes to make a procurement-related complaint, the Consultant shall submit its complaint following these procedures, in writing (by the quickest means available, such as by e-mail or fax), to:

For the attention: [insert full name of person receiving complaints]

Title or position: [insert title or position]

Client: [insert name of Client]

Project: [insert name of Project]

E-mail address: [insert e-mail address]

Fax number: [insert fax number or delete if not used]

In summary, a procurement-related complaint may challenge any of the following:

(i) the terms of this Request for Proposal;
(ii) the Client’s decision to exclude a Consultant from the procurement process prior to the award of contract; and
(iii) the Client’s decision to award the contract.

[Insert the Summary and Personnel Evaluation Sheet based on the type of Proposal used.]

**Appendix 1: Summary and Personnel Evaluation Sheet for Full Technical Proposal**
https://www.adb.org/sites/default/files/page/83267/full-technical-proposal.xls

**Appendix 2: Summary and Personnel Evaluation Sheet for Simplified Technical Proposal**
https://www.adb.org/sites/default/files/page/83267/simplified-technical-proposal.xls

**Appendix 3: Summary and Personnel Evaluation Sheet for Biodata Technical Proposal**
https://www.adb.org/sites/default/files/page/83267/biodata-technical-proposal.xls
The Summary Evaluation Sheet (SES) and Personnel Evaluation Sheet (PES) should contain the evaluation criteria that the
Client shall use to evaluate the Proposals from shortlisted consultants. The Client should attach the appropriate SES and PES
spreadsheets based on the type of proposal.

Please download the latest SES and PES template from the ADB website that contains the formula and links. Before proceeding,
it is important to ensure accuracy of the formula and links including the rating range, such as: Excellent (100%), Very Good
(90%–99%), Above Average (80%–89%), Average (70%–79%), Below Average (1%–69%), and Non-Complying (0%).

The positions or titles of Key Experts (international and national) should be consistent with the TOR and Narrative Evaluation
Criteria (NEC).

If the Team Leader is one of the proposed Key Experts, provide a separate row for the evaluation of the expert for Team Leadership
(both in SES and PES). The Team Leader will be evaluated for two aspects: his team leadership skills and his technical expertise.

When the TOR requires multiple experts for a position such as the Resident Engineer, the SES must provide a line for each expert,
e.g., Resident Engineer 1, Resident Engineer 2, and Resident Engineer 3.

The Client should ensure that only the Key Experts whose roles are critical to the assignment should be evaluated and included
in the SES and PES. This is because distributing the 700 evaluation points to more than 10 Key Experts will dilute the purpose of
the evaluation and is a tedious exercise that will not result in a realistic evaluation of key personnel whose expertise are vital to the
project.

Do not include the non-key experts and contractual or support staff in the SES and PES even if they are defined in the TOR. The
CVs of non-key experts will be evaluated on a pass or fail basis based on a sufficient set of criteria.

The Client should seek ADB’s prior approval for any deviation from the standard SES and PES templates.

We have attached a copy insert: “of our letter of intent to form a joint venture” or, if a JV is already formed, “of the joint venture agreement” signed by every participating member, which details the likely legal structure of and the confirmation of joint and severable liability of the members of the said JV.

OR

If the Consultant’s Proposal includes Sub-Consultants, insert the following: We are submitting our Proposal with the following firms as Sub-Consultants: Insert a list with full names and countries of each Sub-Consultant.
We hereby declare that:

(a) All the information and statements made in this Proposal are true and we accept that any misinterpretation or misrepresentation contained in this Proposal may lead to our disqualification by the Client and/or may be sanctioned by the Bank.

(b) Our Proposal shall be valid and remain binding upon us for the period of time specified in Data Sheet Clause 12.1.

(c) We have no conflict of interest in accordance with ITC 3.

(d) We meet the eligibility requirements as stated in ITC 6.

(e) Neither we, nor our joint venture or associate partners or sub-consultants or any of the proposed experts prepared the TOR for this consulting assignment.

(f) Except as stated in Data Sheet Clause 12.1, we undertake to negotiate a Contract on the basis of the proposed Key Experts. We accept that the substitution of Key Experts for reasons other than those stated in ITC Clause 12 and ITC Clause 28.4 may lead to the termination of Contract negotiations.

(g) Our Proposal is binding upon us and subject to any modifications resulting from the Contract negotiations.

(h) [Note to Client: Only if required in ITC10.2 (Data Sheet 10.2), include the following: In competing for (and, if the award is made to us, in executing) the Contract, we undertake to observe the laws against fraud and corruption, including bribery, in force in the country of the Client.]

We undertake, if our Proposal is accepted and the Contract is signed, to initiate the Services related to the assignment no later than the date indicated in Clause 30.2 of the Data Sheet.

Yours sincerely,

NOTE
Form TECH-2: a brief description of the Consultant’s organization and an outline of the recent experience of the Consultant that is most relevant to the assignment. In the case of a joint venture, information on similar assignments shall be provided for each partner. For each assignment, the outline should indicate the names of the Consultant’s Key Experts and Sub-Consultants who participated, the duration of the assignment, the contract amount (total and, if it was done in a form of a joint venture or a sub-consultancy, the amount paid to the Consultant), and the Consultant’s role or involvement.

For Consultants’ previous similar assignments successfully completed (B-1), the Client should indicate the required number of years as indicated in the TOR.

Consultant’s Organization and Experience

A. Consultant’s Organization

1. Provide a brief description of the background and organization of your company, and—in case of a JV—of each member for this assignment.

Assignments completed by the Consultant’s individual experts working privately or through other consulting firms cannot be claimed as the relevant experience of the Consultant, or that of the Consultant’s partners or Sub-Consultants, but can be claimed by the Experts themselves in their CVs. The Consultant should be prepared to substantiate the claimed experience by presenting copies of relevant documents and references if requested by the Client.

¹ Beneficial ownership shows all owners and major shareholders of the company, including any person or entity who enjoys the benefit of ownership including, but not limited to, power of control and influence of the business transactions, receiving dividends or profit share. Appendix A: Financial Negotiations—Breakdown of Remuneration Rates

1. Review of Remuneration Rates

1.1 The remuneration rates are made up of salary or a base fee, social costs, overheads, profit, and any premium or allowance that may be paid for assignments away from headquarters or a home office. The attached sample form in FIN-3 (Sample Form) can be used to provide a breakdown of rates.

1.2 If the RFP requests submission of a technical proposal only, the Sample Form is used by the selected Consultant to prepare for the negotiations of the Contract. If the RFP requests submission of the financial proposal, the Sample Form shall be completed and attached to the Financial Form-3. Agreed (at the negotiations) breakdown sheets shall form part of the negotiated Contract and included in its Appendix D or C.

1.3 At the negotiations, the firm shall be prepared to disclose its audited financial statements for the last 3 years to substantiate its rates, and accept that its proposed rates and other financial matters are subject to scrutiny. The Client is charged with the custody of government funds and is expected to exercise prudence in the expenditure of these funds.

1.4 Rate details are discussed below:

(i) **Salary.** This is the gross regular cash salary or fee paid to the individual in the firm’s home office. It shall not contain any premium for work away from headquarters or bonus (except where these are included by law or government regulations).

(ii) **Bonuses.** These are normally paid out of profits. To avoid double counting, any bonuses shall not normally be included in the salary and should be shown separately. Where the Consultant’s accounting system is such that the percentages of social costs and overheads are based on total revenue, including bonuses, those percentages shall be adjusted down accordingly. Where national policy requires that 13 months’ pay be given for 12 months’ work, the profit element need not be adjusted. Any discussions on bonuses shall be supported by audited documentation, which shall be treated as confidential.

(iii) **Social charges.** These are the costs of non-monetary benefits and may include, among others, social security (including pension, medical, and life insurance costs) and the cost of a paid sick and/or annual leave. In this regard, a paid leave during public holidays or an annual leave taken during an assignment if no Expert’s replacement has been provided is not considered social charges.

(iv) **Cost of leave.** The principles of calculating the cost of total days leave per annum as a percentage of basic salary is normally calculated as follows:

\[
\text{Leave cost as percentage of salary} = \frac{\text{total days leave} \times 100}{(365 - w - ph - v - s)}
\]

Where \( w \) = weekends, \( ph \) = public holidays, \( v \) = vacation, and \( s \) = sick leave.

Please note that leave can be considered as a social cost only if the Client is not charged for the leave taken.
(v) **Overheads.** These are the Consultant’s business costs that are not directly related to the execution of the assignment and shall not be reimbursed as separate items under the Contract. Typical items are home office costs (non-billable time, time of senior Consultant’s staff monitoring the project, rent of headquarters’ office, support staff, research, staff training, marketing, etc.), the cost of Consultant’s personnel not currently employed on revenue-earning projects, taxes on business activities, and business promotion costs. During negotiations, audited financial statements, certified as correct by an independent auditor and supporting the last three years’ overheads, shall be available for discussion, together with detailed lists of items making up the overheads and the percentage by which each relates to basic salary. The Client does not accept an add-on margin for social charges, overhead expenses, etc. for Experts who are not permanent employees of the Consultant. In this case, the Consultant shall be entitled only to administrative costs and a fee on the monthly payments charged for sub-contracted Experts.

(vi) **Profit.** This is normally based on the sum of the salary, social costs, and overheads. If any bonuses paid on a regular basis are listed, a corresponding reduction shall be made in the profit amount. Profit shall not be allowed on travel or any other reimbursable expenses.

(vii) **Away-from-home office allowance or premium or subsistence allowances.** Some Consultants pay allowances to Experts working away from headquarters or outside of the home office. Such allowances are calculated as a percentage of the salary (or a fee) and shall not draw overheads or profit. Sometimes, by law, such allowances may draw social costs. In this case, the amount of this social cost shall still be shown under social costs, with the net allowance shown separately.

This form shall not be used as a basis for payments under Lump Sum contracts.

Section 6: Anticorruption Policy; Standards of Conduct

Anticorruption Policy

The anticorruption policy of the Asian Development Bank (ADB) requires that borrowers (including beneficiaries of ADB-financed activity), as well as consultants under ADB-financed contracts, observe the highest standard of ethics during the selection process and in execution of such contracts. In pursuance of this policy, in the context of these Guidelines, ADB

(a) defines, for the purposes of this provision, the terms set forth below as follows:

(i) A “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, anything of value to improperly influence the actions of another party.

(ii) A “fraudulent practice” means any action or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation.

(iii) A “coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to improperly influence the actions of a party.

(iv) A “collusive practice” means an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party.

(v) “Abuse” means theft, waste, or improper use of assets related to ADB-related activity, either committed intentionally or through reckless disregard.

(vi) Conflict of interest, means any situation in which a party has interests that could improperly influence a party’s performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

(vii) “Obstructive practice” means

(a) deliberately destroying, falsifying, altering, or concealing of evidence material to an ADB investigation;

(b) making false statements to investigators to materially impede an ADB investigation;

(c) failing to comply with requests to provide information, documents, or records in connection with an Office of Anticorruption and Integrity investigation;
(d) threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation;

(e) materially impeding the Bank’s contractual rights of audit or access to information; and

(vi) Integrity violation is any act that violates ADB’s Anticorruption Policy, including items (i) to (vii) above and the following: abuse, conflict of interest, violations of ADB sanctions, retaliation against whistleblowers or witnesses, and other violations of ADB’s Anticorruption Policy, including failure to adhere to the highest ethical standards.

(b) will reject a proposal for an award if it determines that the consultant recommended for the award has engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices or other integrity violations in competing for the Contract;

(c) will cancel the portion of the financing allocated to a contract if it determines at any time that representatives of the Client engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices or other integrity violations during the procurement or the execution of that contract, without the Borrower having taken timely and appropriate action satisfactory to ADB to remedy the situation;

(d) will impose remedial actions on a firm or an individual, at any time, in accordance with ADB’s Anticorruption Policy (1998, as amended to date) and Integrity Principles and Guidelines (2015, as amended from time to time), including declaring ineligible, either indefinitely or for a stated period of time, to participate\(^1\) in ADB-financed, -administered, or -supported activities or to benefit from an ADB-financed, -administered, or -supported contract, financially or otherwise, if it at any time determines that the firm or individual has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices or other integrity violations; and

(e) will have the right to require that a provision be included in request for proposals and in Contracts financed by ADB, requiring Consultants to permit ADB or its representative to inspect their accounts and records and other documents relating to the Financial and Technical Proposals and contract performance and to have them audited by auditors appointed by ADB.

### Standards of Conduct

The Consultant shall ensure that its employees, Experts, and Sub-Consultants observe the highest ethical standards and refrain from any form of bullying, discrimination, misconduct, and harassment, including sexual harassment and shall, at all times, behave in a manner that creates an environment free of unethical behavior, bullying, misconduct and harassment, including sexual harassment. The Consultant shall take appropriate action against any employees, Expert, or Sub-Consultants, including suspension or termination of employment, contract, or sub-contract, if any form of unethical or inappropriate behavior is identified.

The Consultant shall conduct training programs for its employees, Experts and Sub-Consultants to raise awareness on and prevent any form of bullying, discrimination, misconduct, and harassment including sexual harassment, and to promote a respectful work environment. The Consultant shall keep an up to date record of its employees and Sub-Consultants who have attended and completed such training programs and provide such records to the Client or ADB at their first written request.

\(^1\) Whether as a Consultant, Sub-Consultant, or Key Expert; or in any other capacity specified in the Contract.
The following definitions shall apply in these Standards of Conduct:

(a) “Bullying” is a form of harassment consisting of repeated or persistent aggression or other malicious behavior in any form by one or more persons, which has the effect of humiliating, belittling, offending, intimidating, or discriminating against another person. It may include persistent, unwarranted, or unconstructive criticism, personal abuse and/or ridicule, either in public or private, which humiliates or deems the individual targeted, gradually eroding or intending to erode the person’s self-confidence. Appropriately conveyed criticism, disapproval, negative performance assessment, and similar appraisal, by themselves do not constitute bullying or harassment.

(b) “Discrimination” is the inappropriate differentiation between individuals or groups. Such discrimination includes differentiation based on characteristics such as race, color, nationality, national, social or ethnic origin, religion or similar belief, language, political or other opinion or affiliation, gender, gender identity, sexual orientation, family or civil status, health status, size, or physical ability.

(c) “Harassment” is any unwarranted or unwelcome behavior, whether verbal, psychological, or physical, that interferes with work or creates an intimidating, hostile or offensive work environment. Harassment includes, but is not limited to, bullying and sexual harassment.

(d) “Integrity” means a firm adherence to ADB’s Anticorruption Policy (1998, as amended to date), the Integrity Principles and Guidelines (2015, as amended from time to time), and to the highest ethical standards.

(e) “Misconduct” is behavior, or an act or omission, which is unacceptable or improper, contrary to the principles or rules of ADB, or is illegal or unethical. Misconduct may not necessarily be intentional and can arise from neglect, recklessness or mismanagement. Misconduct includes, but is not limited to, (i) the failure to observe these standards or other rules, regulations, guidelines, or procedures; or (ii) conduct, actions, or omissions, within and outside ADB, that risk discrediting or disgracing ADB, bringing ADB into disrepute, or could undermine the integrity of ADB’s policies, processes, or procedures.

(f) “Respect” refers to interacting with all others in the work environment in a professional, positive, and inclusive manner, regardless of hierarchical role or rank. This includes treating others with due consideration, courtesy, dignity, and open-mindedness, as well as working without prejudice or bias toward individuals or institutions that have different characteristics, backgrounds, and viewpoints.

(g) “Retaliation” is any detrimental act, direct or indirect, recommended, threatened, or taken against anyone who has raised or is considering raising a complaint of misconduct whether formally as whistleblower or witness or person associated with a whistleblower or witness or otherwise, in a manner material to the complaint because of a report of or cooperation with an ADB investigation into any form of (alleged) misconduct. Retaliation can include, but is not limited to, harassment, discriminatory treatment, assignment of work outside the corresponding job description, withdrawal of work assignments contained in the job description, inappropriate performance appraisals or salary adjustments, or the withholding of an entitlement.

(h) “Sexual Harassment” is any unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature that results in physical, sexual, or psychological harm or suffering to another person, or which is made or suggested to be a condition of employment, promotion, or other personnel action or creates an intimidating, hostile, or offensive environment.

Section 8: Conditions of Contract and Contract Forms

Foreword

1. There are two types of standard Contract forms for Consulting Services (a Time-Based Contract and a Lump Sum Contract) included in the Master Document for Selection of Consultants prepared by participating multilateral development banks.

2. **Time-Based Contract.** This type of contract is appropriate when it is difficult to define or fix the scope and the duration of the services, either because they are related to activities carried out by others for which the completion period may vary, or because the input of the consultants required for attaining the objectives of the assignment is difficult to assess. In time-based contracts the Consultant provides services on a timed basis according to quality specifications, and the Consultant’s remuneration is determined on the basis of the time actually spent by the Consultant in carrying out the Services and is based on (i) agreed upon unit rates for the Consultant’s experts multiplied by the actual time spent by the experts in executing the assignment, and (ii) other expenses, provisional sums and contingency using actual expenses and/or agreed unit prices. This type of contract requires the Client to closely supervise the Consultant and to be involved in the daily execution of the assignment.

3. **Lump Sum Contract.** This type of contract is used mainly for assignments in which the scope and the duration of the Services and the required output of the Consultant are clearly defined. Payments are linked to outputs (deliverables) such as reports, drawings, bill of quantities, bidding documents, or software programs. Lump Sum contracts are easier to administer because they operate on the principle of a fixed price for a fixed scope, and payments are due on clearly specified outputs and milestones. Nevertheless, quality control of the Consultant’s outputs by the Client is paramount.

4. The templates are designed for use in assignments with consulting firms and shall not be used for contracting of individual experts. These standard Contract forms are to be used for complex and/or large value assignments, and/or for contracts above a monetary threshold established by the Asian Development Bank.

45.1 Billings and payments in respect of the Services shall be made as follows:

(a) **Advance payment.** Within the number of days after the Effective Date, the Client shall provide the Consultant with an advance payment as specified in the SCC. Unless otherwise indicated in the SCC, an advance payment shall be made against an advance payment bank guarantee acceptable to the Client in an amount (or amounts) and in a currency (or currencies) specified in the SCC. This guarantee (i) is to remain effective until the advance payment has been fully set off and (ii) is to be in the form set forth in Appendix E, or in such other form as the Client shall have approved in writing. The advance payments will be set off by the Client in equal installments against the statements for the number of months of the Services specified in the SCC until the advance payments have been fully set off.

(b) **Itemized invoices.** As soon as practicable and not later than 15 days after the end of each calendar month during the period of the Services, or after the end of each time interval otherwise indicated in the SCC, the Consultant shall submit to the Client, in duplicate, itemized invoices, accompanied by the receipts or other appropriate supporting documents, of the amounts payable pursuant to Clauses GCC 44 and GCC 45 for such interval, or any other period indicated in the SCC. Separate invoices shall be submitted for expenses incurred in foreign currency and in local currency. Each invoice shall show remuneration and reimbursable expenses separately.

(c) The Client shall pay the Consultant’s invoices within 60 days after the receipt by the Client of the itemized invoices and supporting documents. Only the portion of the invoice that is not satisfactorily supported may be withheld from payment. Should any discrepancy be found to exist between actual payment and costs authorized to be incurred by the Consultant, the Client may add or subtract the difference from any subsequent payments.
(d) **Final payment.** The final payment under this Clause shall be made only after the final report and a final invoice (identified as such) shall have been submitted by the Consultant and approved as satisfactory by the Client. The Services shall be deemed completed and finally accepted by the Client and the final report and final invoice shall be deemed approved by the Client as satisfactory 90 calendar days after receipt of the final report and final invoice by the Client unless the Client gives written notice to the Consultant specifying in detail deficiencies in the Services, the final report, or final invoice within the 90-calendar day period. The Consultant shall thereupon promptly make any necessary corrections, and thereafter the foregoing process shall be repeated. Any amount that the Client has paid or has caused to be paid in accordance with this Clause in excess of the amounts payable according to the provisions of this Contract shall be reimbursed by the Consultant to the Client within 30 days after receipt by the Consultant of notice thereof. Any claim by the Client for reimbursement must be made within 12 calendar months after receipt by the Client of a final report and a final invoice approved by the Client in accordance with this clause.

(e) All payments under this Contract shall be made to the accounts of the Consultant specified in the SCC.

(f) With the exception of the final payment under (d), payments do not constitute acceptance of the Services nor relieve the Consultant of any obligations hereunder.

46. **Interest on Delayed Payments**

46.1 If the Client had delayed payments beyond 15 days after the due date stated in Clause GCC 45.1 (c), interest shall be paid to the Consultant on any amount due by, not paid on, the due date for each day of delay at the annual rate stated in the SCC.

G. **Fairness and Good Faith**

47. **Good Faith**

47.1 The Parties undertake to act in good faith with respect to each other’s rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

H. **Settlement of Disputes**

48. **Amicable Settlement**

48.1 The Parties shall seek to resolve any dispute amicably by mutual consultation.

48.2 If either Party objects to any action or inaction of the other Party, the objecting Party may file a written Notice of Dispute to the other Party providing in detail the basis of the dispute. The Party receiving the Notice of Dispute will consider it and respond in writing within 14 days after receipt. If that Party fails to respond within 14 days, or the dispute cannot be amicably settled within 14 days following the response of that Party, Clause GCC 49.1 shall apply.
49. Dispute Resolution

49.1 Any dispute between the Parties arising under or related to this Contract that cannot be settled amicably may be referred to by either Party to the adjudication or arbitration in accordance with the provisions specified in the SCC.

I. Eligibility

50. Eligibility

50.1 Compliance with the Bank’s eligibility policy is required throughout the Contract’s execution.
Attachment 1: Anticorruption Policy; Standards of Conduct

ANTICORRUPTION POLICY

ADB’s anticorruption policy requires that borrowers (including beneficiaries of ADB-financed activity), as well as consultants under ADB-financed contracts, observe the highest standard of ethics during the selection process and in execution of such contracts. In pursuance of this policy, in the context of these Guidelines, ADB

(a) defines, for the purposes of this provision, the terms set forth as follows:

(i) A “corrupt practice” is the offering, giving, receiving, or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party.

(ii) A “fraudulent practice” is any action or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation.

(iii) A “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party.

(iv) A “collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including improperly influencing the actions of another party.

(v) “Abuse” is theft, waste, or improper use of assets related to ADB-related activity, either committed intentionally or through reckless disregard.

(vi) “Conflict of interest” is any situation in which a party has interests that could improperly influence a party’s performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

(vii) “Obstructive practice” is

(a) deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators to materially impede an ADB investigation;

(b) making false statements to investigators to materially impede an ADB investigation;

(c) threatening, harass, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or

(d) materially impeding ADB’s contractual rights of audit or access to information.

(e) Collectively, these terms are called “integrity violations.”

(b) will reject a proposal for an award if it determines that the consultant recommended for the award has directly, or through an agent, engaged in integrity violations in competing for the contract in question;
(c) will cancel the portion of the financing allocated to a contract if it determines at any time that representatives of the borrower of ADB financing engaged in integrity violations during the consultant selection process or the execution of that contract, without the borrower having taken timely and appropriate action satisfactory to ADB to remedy the situation; and

(d) will sanction a firm or individual, at any time, in accordance with ADB’s Anticorruption Policy (1998, as amended to date) and Integrity Principles and Guidelines (2015, as amended from time to time), including declaring ineligible, either indefinitely or for a stated period of time, the consulting firm, individual, or successor from participating in ADB-financed or ADB-administered activities or to benefit financially or otherwise from an ADB-financed or ADB-administered contract, if it, at any time, determines that the firm or individual has, directly or through an agent, engaged in integrity violations or other prohibited practices.

**Standards of Conduct**

The Consultant shall ensure that its employees, Experts, and Sub-Consultants observe the highest ethical standards and refrain from any form of bullying, discrimination, misconduct, and harassment, including sexual harassment and shall, at all times, behave in a manner that creates an environment free of unethical behavior, bullying, misconduct, and harassment, including sexual harassment. The Consultant shall take appropriate action against any employees, Expert, or Sub-Consultants, including suspension or termination of employment, contract or sub-contract, if any form of unethical or inappropriate behavior is identified.

The Consultant shall conduct training programs for its employees, Experts, and Sub-Consultants to raise awareness on and prevent any form of bullying, discrimination, misconduct, and harassment including sexual harassment, and to promote a respectful work environment. The Consultant shall keep an up-to-date record of its employees and Sub-Consultants who have attended and completed these training programs and provide these records to the Client or ADB at their first written request.

The following definitions shall apply in these Standards of Conduct:

(i) “Bullying” is a form of harassment consisting of repeated or persistent aggression or other malicious behavior in any form by one or more persons, which has the effect of humiliating, belittling, offending, intimidating, or discriminating against another person. It may include persistent, unwarranted, or unconstructive criticism, personal abuse, and/or ridicule, either in public or private, which humiliates or demeans the individual targeted, gradually eroding or intending to erode the person’s self-confidence. Appropriately conveyed criticism, disapproval, negative performance assessment, and similar appraisal do not, by themselves, constitute bullying or harassment.

(ii) “Discrimination” is the inappropriate differentiation between individuals or groups. This includes differentiation based on characteristics such as race, color, nationality, national, social or ethnic origin, religion or similar beliefs, language, political or other opinion or affiliation, gender, gender identity, sexual orientation, family or civil status, health status, size, or physical ability.

(iii) “Harassment” is any unwarranted or unwelcome behavior, whether verbal, psychological, or physical, that interferes with work or creates an intimidating, hostile, or offensive work environment. Harassment includes, but is not limited to, bullying and sexual harassment.

(iv) “Integrity” means a firm adherence to ADB’s Anticorruption Policy (1998, as amended to date), the Integrity Principles and Guidelines (2015, as amended from time to time), and to the highest ethical standards.

(v) “Misconduct” is behavior, or an act or omission, which is unacceptable or improper, contrary to the principles or rules of ADB or illegal or unethical. Misconduct may not necessarily be intentional and can
arise from neglect, recklessness, or mismanagement. Misconduct includes, but is not limited to, (i) the failure to observe these Standards or other rules, regulations, guidelines, or procedures or (ii) conduct, actions or omissions, within and outside ADB, that risk discrediting or disgracing ADB, bringing ADB into disrepute, or could undermine the integrity of ADB’s policies, processes, or procedures.

(vi) “Respect” refers to interacting with all others in the work environment in a professional, positive, and inclusive manner, regardless of hierarchical role or rank. This includes treating others with due consideration, courtesy, dignity, and open-mindedness, as well as working without prejudice or bias toward individuals or institutions that have different characteristics, backgrounds, and viewpoints.

(vii) “Retaliation” is any detrimental act, direct or indirect, recommended, threatened, or taken against anyone who has raised or is considering raising a complaint of misconduct whether formally as whistleblower or witness or person associated with a whistleblower or a witness or otherwise, in a manner material to the complaint because of a report of or cooperation with an ADB investigation into any form of (alleged) misconduct. Retaliation can include, but is not limited to, harassment, discriminatory treatment, assignment of work outside the corresponding job description, withdrawal of work assignments contained in the job description, inappropriate performance appraisals or salary adjustments, or the withholding of an entitlement.

(viii) “Sexual harassment” is any unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature that causes another person physical, sexual, or psychological harm or suffering, or which is made or suggested to be a condition of employment, promotion, or other personnel action or creates an intimidating, hostile, or offensive environment.

In this regard, the Parties should be aware of the Bank’s policy on this matter which is as follows: To be acceptable to the Bank, any limitation of the Consultant’s liability should at the very least be reasonably related to (a) the damage the Consultant might potentially cause to the Client and (b) the Consultant’s ability to pay compensation using its own assets and reasonably obtainable insurance coverage. The Consultant’s liability shall not be limited to less than a multiplier of the total payments to the Consultant under the Contract for remuneration and reimbursable expenses. A statement to the effect that the Consultant is liable only for the re-performance of faulty Services is not acceptable to the Bank. Also, the Consultant’s liability should never be limited to loss or damage caused by the Consultant’s gross negligence or willful misconduct. The Bank does not accept a provision to the effect that the Client shall indemnify and hold the Consultant harmless against Third Party claims, except, of course, if a claim is based on loss or damage caused by a default or wrongful act of the Client to the extent permissible by the law applicable in the Client’s country.]

**Price Adjustments**

Price adjustment on the remuneration ............ [insert “applies” or “does not apply”]

[Note to Client: If the Contract is less than 18 months, price adjustment does not apply. If, however, price adjustment does apply, the draft contract attached to the RFP must indicate which of the formulas provided below applies as the Consultant needs to have this information to prepare its Financial Proposal.]

If the Contract duration is more than 18 months, a price adjustment provision on the remuneration for foreign and/or local inflation shall be included here. The adjustment should be made every 12 months after the date of the contract for remuneration in foreign currency and—except if there is very high inflation in the Client’s country, in which case more frequent adjustments should be provided for—at the same intervals for remuneration in local currency. Remuneration in a foreign currency should be adjusted by using the relevant index for salaries in the country of the respective foreign currency (which normally is the country of the Consultant) and remuneration in the local currency by using the corresponding index for the Client’s country. A sample provision is provided here for guidance:

**NOTE**

The Client may choose one from the two formulas presented in item (1) for foreign currency and item (2) for local currency.

If the consultant will be paid in foreign currency, the index is stated as index of foreign currency. For example, if foreign currency is in United States (US) dollars, the US Bureau of Labor Statistics index shall apply.

If the Consultant will be paid in local currency, the index produced in the country that is the source of currency shall be used. Normally, it shall be an index which is similar to the US Bureau of Labor Statistics of the Department of Labor. If, for example, the index for wage or salary inflation is not produced for the country, the CPI should be a reasonable alternative. Both the Client and the Consultant should agree on the index to be used at negotiations to avoid any dispute.

Payments for remuneration made in foreign and/or local currency shall be adjusted as follows:

(1) Remuneration paid in foreign currency on the basis of the rates set forth in Appendix C shall be adjusted every 12 months (and, the first time, with effect for the remuneration earned in the 13th calendar month after the date of the Contract Effectiveness date) by applying the following formula:

\[ R_f = R_b \times \frac{I_f}{I_b} \]

or

\[ R_f = R_b \times \left[ 0.1 + 0.9 \times \frac{I_f}{I_b} \right] \]

where
- \( R_f \) is the adjusted remuneration;
- \( R_b \) is the remuneration payable on the basis of the remuneration rates (Appendix C) in foreign currency.
### Amendments of, and Supplements to, Clauses in the General Conditions of Contract

- *il* is the official index for salaries in the country of the foreign currency for the first month for which the adjustment is supposed to have effect; and
- *ilo* is the official index for salaries in the country of the foreign currency for the month of the date of the Contract.

The Consultant shall state here the name, source institution, and any necessary identifying characteristics of the official index for salaries corresponding to *il* and *ilo* in the adjustment formula for remuneration paid in foreign currency: 

> Insert the name, source institution, and necessary identifying characteristics of the index for foreign currency, e.g., “Consumer Price Index for all Urban Consumers (CPI-U), not seasonally adjusted; U.S. Department of Labor, Bureau of Labor Statistics.”

#### NOTE

The Client should indicate the selected formula in the draft contract attached to the RFP. The first formula requires 100% of the firm’s remuneration to be subject to price adjustment, whereas the second formula requires only 90% of the firm’s remuneration to be subject to price adjustment. The Client’s choice of formula is information that the Consultant needs to know when preparing its financial proposal.

(2) Remuneration paid in local currency pursuant to the rates set forth in Appendix D shall be adjusted every [insert number] months (and, for the first time, with effect for the remuneration earned in the [insert number] the calendar month after the date of the Contract) by applying the following formula:

\[
R_l = R_{lo} \times \frac{I_l}{I_{lo}}
\]

or

\[
R_l = R_{lo} \times \left[ 0.1 + 0.9 \frac{I_l}{I_{lo}} \right]
\]

where

- *R_l* is the adjusted remuneration;
- *R_{lo}* is the remuneration payable on the basis of the remuneration rates (Appendix D) in local currency;
- *I_l* is the official index for salaries in the Client’s country for the first month for which the adjustment is to have effect; and
- *I_{lo}* is the official index for salaries in the Client’s country for the month of the date of the Contract.

The Consultant shall state here the name, source institution, and any necessary identifying characteristics of the official index for salaries corresponding to *I_l* and *I_{lo}* in the adjustment formula for remuneration paid in local currency: 

> Insert the name, source institution, and necessary identifying characteristics of the index for foreign currency.

(3) Any part of the remuneration paid in a currency different from the currency of the official index for salaries used in the adjustment formula shall be adjusted by a correction factor \(X_0/X\). \(X_0\) is the number of units of currency of the country of the official index, equivalent to one unit of the currency of payment on the date of the contract. \(X\) is the number of units of currency of the country of the official index, equivalent to one unit of the currency of payment on the first day of the first month for which the adjustment is supposed to have effect.

49. Dispute Resolutions

[Note: In contracts with foreign consultants, the Bank requires that the international commercial arbitration in a neutral venue is used.]

The Client may choose the most cost-efficient among three arbitration choices provided in this Standard Request for Proposal. The list of other arbitrators can be obtained from FIDIC.

Please also note that not all ADB developing member countries are signatories to the UN Convention (1958) on Recognition of Foreign Arbitral Awards. The list of signatories can be checked here: http://www.uncitral.org/uncitrал/en/uncitrал_texts/arbitration/NYConvention_status.html

For national shortlisting, the Project Division should consult with ADB’s Office of the General Counsel and advice the Client.

Disputes shall be settled by arbitration in accordance with the following provisions:

1. Selection of Arbitrators. Each dispute submitted by a Party to arbitration shall be heard by a sole arbitrator or an arbitration panel composed of three arbitrators, in accordance with the following provisions:

   (a) Where the Parties agree that the dispute concerns a technical matter, they may agree to appoint a sole arbitrator or, failing agreement on the identity of such sole arbitrator within 30 days after receipt by the other Party of the proposal of a name for such an appointment by the Party who initiated the proceedings, either Party may apply to [name an appropriate international professional body, e.g., the Fédération Internationale Des Ingénieurs-Conseils (FIDIC) of Lausanne, Switzerland] for a list of no fewer than 5 nominees and, on receipt of the list, the Parties shall alternately strike names therefrom, and the last remaining nominee on the list shall be the sole arbitrator for the matter in dispute. If the last remaining nominee has not been determined in this manner within 60 days of the date of the list, [insert the name of the same professional body] shall appoint, upon the request of either Party and from such list or otherwise, a sole arbitrator for the matter in dispute.

   (b) Where the Parties do not agree that the dispute concerns a technical matter, the Client and the Consultant shall each appoint one arbitrator, and these two arbitrators shall jointly appoint a third arbitrator, who shall chair the arbitration panel. If the arbitrators named by the Parties do not succeed in appointing a third arbitrator within 30 days after the second arbitrator named by the Parties has been appointed, the third arbitrator shall, at the request of either Party, be appointed by [name an appropriate international appointing authority, e.g., the Secretary General of the Permanent Court of Arbitration, The Hague; the Secretary General of the International Centre for Settlement of Investment Disputes, Washington, D.C.; the International Chamber of Commerce, Paris; etc.].

   (c) If, in a dispute subject to paragraph (b) above, one Party fails to appoint its arbitrator within 30 days after the other Party has appointed its arbitrator, the Party that has named an arbitrator may apply to the [name the same appointing authority as in said paragraph (b)] to appoint a sole arbitrator for the matter in dispute, and the arbitrator appointed pursuant to such application shall be the sole arbitrator for that dispute.

Bank Guarantee for Advance Payment

Guarantor: _______________________________ [insert commercial Bank’s Name, and Address of Issuing Branch or Office]

Beneficiary: ___________________ [insert name and address of Client]

Date: __________________ [insert date]

ADVANCE PAYMENT GUARANTEE No.: __________________ [insert number]

We have been informed that ____________ [name of Consultant or a name of the Joint Venture, same as appears on the signed Contract] (hereinafter called “the Consultant”) has entered into Contract No. ___________ [reference number of the contract] dated ____________ [insert date] with the Beneficiary, for the provision of __________________ [brief description of Services] (hereinafter called “the Contract”).

Furthermore, we understand that, according to the conditions of the Contract, an advance payment in the sum of ___________ [insert amount in figures] (___________) [insert amount in words] is to be made against an advance payment guarantee.

At the request of the Consultant, we, as Guarantor, hereby irrevocably undertake to pay the Beneficiary any sum or sums not exceeding in total an amount of ___________ [insert amount in figures] (___________) [insert amount in words] upon our receipt of the Beneficiary’s complying demand supported by the Beneficiary’s written statement, whether in the demand itself or in a separate signed document accompanying or identifying the demand, stating that the Consultant is in breach of their obligation under the Contract because the Consultant has failed to repay the advance payment in accordance with the Contract conditions, specifying the amount that the Consultant has filed to repay.

It is a condition for any claim and payment under this guarantee to be made that the advance payment referred to here must have been received by the Consultant on their account number ___________ at _______________ [insert name and address of bank].

The maximum amount of this guarantee shall be progressively reduced by the amount of the advance payment repaid by the Consultant as indicated in certified statements or invoices marked as “paid” by the Client that shall be presented to us. This guarantee shall expire, at the latest, upon our receipt of the payment certificate or paid invoice indicating that the Consultant has made full repayment of the amount of the advance payment, or on the __ day of ___________ [month], ______ [year], whichever is earlier. Consequently, we must receive any demand for payment under this guarantee at this office on or before that date.

1 The Guarantor shall insert an amount representing the amount of the advance payment and denominated either in the currency(ies) of the advance payment as specified in the Contract, or in a freely convertible currency acceptable to the Client.

2 Insert the expected expiration date. In the event of an extension of the time for completion of the Contract, the Client would need to request an extension of this guarantee from the Guarantor. Such request must be in writing and must be made prior to the expiration date established in the guarantee. In preparing this guarantee, the Client might consider adding the following text to the form, at the end of the penultimate paragraph: “The Guarantor agrees to a one-time extension of this guarantee for a period not to exceed [6 months][1 year], in response to the Client’s written request for such extension, and this request shall be presented to the Guarantor before the expiry of the guarantee.”
This guarantee is subject to the Uniform Rules for Demand Guarantees (URDG) 2010 revision, ICC Publication No. 758.

Standards of Conduct

The Consultant shall ensure that its employees, Experts, and Sub-Consultants observe the highest ethical standards and refrain from any form of bullying, discrimination, misconduct, and harassment, including sexual harassment and shall, at all times, behave in a manner that creates an environment free of unethical behavior, bullying, misconduct, and harassment, including sexual harassment. The Consultant shall take appropriate action against any employees or Sub-Consultants, including suspension or termination of employment or sub-contract, if any form of unethical or inappropriate behavior is identified.

The Consultant shall conduct training programs for its employees, Experts, and Sub-Consultants to raise awareness on and prevent any form of bullying, discrimination, misconduct, and harassment including sexual harassment, and to promote a respectful work environment. The Consultant shall keep an up-to-date record of its employees and Sub-Consultants who have attended and completed these training programs and provide these records to the Client or ADB at their first written request.

The following definitions shall apply in these Standards of Conduct:

(i) “Bullying” is a form of harassment consisting of repeated or persistent aggression or other malicious behavior in any form by one or more persons, which has the effect of humiliating, belittling, offending, intimidating, or discriminating against another person. It may include persistent, unwarranted, or unconstructive criticism, personal abuse and/or ridicule, either in public or private, which humiliates or demeans the individual targeted, gradually eroding or intending to erode the person’s self-confidence. Appropriately conveyed criticism, disapproval, negative performance assessment and similar appraisal, do not by themselves, constitute bullying or harassment.

(ii) “Discrimination” is the inappropriate differentiation between individuals or groups. This discrimination includes differentiation based on characteristics such as race, color, nationality, national, social or ethnic origin, religion or similar beliefs, language, political or other opinion or affiliation, gender, gender identity, sexual orientation, family or civil status, health status, size, or physical ability.

(iii) “Harassment” is any unwarranted or unwelcome behavior, whether verbal, psychological, or physical, that interferes with work or creates an intimidating, hostile, or offensive work environment. Harassment includes, but is not limited to, bullying and sexual harassment.

(iv) “Integrity” means a firm adherence to ADB’s Anticorruption Policy (1998, as amended to date), the Integrity Principles and Guidelines (2015, as amended from time to time), and to the highest ethical standards.

(v) “Misconduct” is behavior, or an act or omission, which is unacceptable or improper, contrary to the principles or rules of ADB, or illegal or unethical. Misconduct may not necessarily be intentional and can arise from neglect, recklessness, or mismanagement. Misconduct includes, but is not limited to, (i) the failure to observe these Standards or other rules, regulations, guidelines or procedures or (ii) conduct, actions, or omissions, within and outside ADB, that risk discrediting or disgracing ADB, bringing ADB into disrepute, or could undermine the integrity of ADB’s policies, processes, or procedures.

(vi) “Respect” refers to interacting with all others in the work environment in a professional, positive, and inclusive manner, regardless of hierarchical role or rank. This includes treating others with due
consideration, courtesy, dignity and open-mindedness, as well as working without prejudice or bias toward individuals or institutions that have different characteristics, backgrounds, and viewpoints.

(vii) “Retaliation” is any detriment act, direct or indirect, recommended, threatened, or taken against anyone who has raised or is considering raising a complaint of misconduct whether formally as whistleblower or witness or person associated with a whistleblower or a witness or otherwise, in a manner material to the complaint because of a report of or cooperation with an ADB investigation into any form of (alleged) misconduct. Retaliation can include, but is not limited to, harassment, discriminatory treatment, assignment of work outside the corresponding job description, withdrawal of work assignments contained in the job description, inappropriate performance appraisals or salary adjustments, or the withholding of an entitlement.

(viii) “Sexual Harassment” is any unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature that causes another person physical, sexual, or psychological harm or suffering, or which is made or suggested to be a condition of employment, promotion or other personnel action, or creates an intimidating, hostile, or offensive environment.

To be acceptable to the Bank, any limitation of the Consultant’s liability should at the very least be reasonably related to (a) the damage the Consultant might potentially cause to the Client and (b) the Consultant’s ability to pay compensation using its own assets and reasonably obtainable insurance coverage. The Consultant’s liability shall not be limited to less than a multiplier of the total payments to the Consultant under the Contract for remuneration and reimbursable expenses. A statement to the effect that the Consultant is liable only for the re-performance of faulty Services is not acceptable to the Bank. Also, the Consultant’s liability should never be limited to loss or damage caused by the Consultant’s gross negligence or willful misconduct.

The Bank does not accept a provision to the effect that the Client shall indemnify and hold the Consultant harmless against Third Party claims, except, of course, if a claim is based on loss or damage caused by a default or wrongful act of the Client to the extent permissible by the law applicable in the Client’s country.
