

## Invitation for Bids

---

(Corrigendum 1 IFB, original IFB publication date is 18 January 2019)

<b>Date:</b>	2 May 2019
<b>Loan No. and Title:</b>	3051-BAN: Dhaka Environmentally Sustainable Water Supply Project
<b>Contract No. and Title:</b>	Package 2: Treated Water Pipeline (Contract no 3.0(TWP)/DESWSP/2018)
<b>Deadline for Submission of Bids:</b>	Extended to 12 June 2019, 2:00 pm (Bangladesh time)

1. The People's Republic of Bangladesh has received financing from the Asian Development Bank (ADB) toward the cost of **Dhaka Environmentally Sustainable Water Supply Project**. Part of this financing will be used for payments under the contract named above. Bidding is open to Bidders from eligible source countries of the ADB.

2. The **Dhaka Water Supply and Sewerage Authority (DWASA) represented by the Project Director, Dhaka Environmentally Sustainable Water Supply Project (DESWSP), (the Employer)** invites sealed bids from eligible Bidders for the construction and completion of "**Treated Water Pipeline**". The works comprise construction of the treated water pipelines which will transfer potable water from the new Gandharbpur water treatment plant (to be built under Package 1 of DESWSP) to the primary distribution pipeline network in Dhaka City near Natun Bazar at Vatara Junction. Environmental and Social management aspects also form a component of the project. Construction period is 1095 days.

3. **International competitive bidding** will be conducted in accordance with ADB's [Single-Stage: Two-Envelope](#) bidding procedure and is open to all Bidders from eligible source countries as described in the bidding document.

4. Only eligible Bidders with the following key qualifications should participate in this bidding:

- **Contracts of Similar Size and Nature:**
  - Participation in at least two (2) Reference Contracts comprising civil works in water sector that have been successfully or substantially completed within the last ten (10) years prior to the bid submission deadline, wherein bidder's participation exceeds USD 80 million under each contract.
  - Participation in at least two (2) Reference Contracts that have been successfully or substantially completed within the last ten (10) years prior to the bid submission deadline, where scope of works under each contract includes supply and installation of more than 10 km of Ductile Iron or steel pipeline of minimum diameter of DN1400 for potable water supply.

- Participation in at least one (1) Reference Contract that has been successfully or substantially completed within the last five (5) years prior to the bid submission deadline, which includes at least 2 km of pipe laying (any material) of minimum diameter DN1000mm, along a carriageway.
- **Average Annual Turnover**: Minimum average annual construction turnover of USD 80 million calculated as total certified payments received for contracts in progress or completed, within the last five (5) years
- **Availability of Financial Resources**: The Bidder must demonstrate that its financial resources defined in FIN - 3, less its financial obligations for its current contract commitments defined in FIN - 4, meet or exceed the total requirement for the Subject Contract of USD 10 million.

The qualification criteria are more completely described in the bidding document.

5. To obtain further information and inspect the bidding documents, bidders should contact:

Office of the Project Director
