Brief Description of the Project:

The People's Republic of Bangladesh has applied for financing from the Asian Development Bank (ADB) and the Asian Infrastructure Investment Bank (AIIB) toward the cost of **Dhaka and Western Zone Transmission Grid Expansion Project**. The Project will help develop and expand the transmission network in Greater Dhaka and western zones of the country. The project will result in increased and reliable power supply in the country and thereby contribute towards universal energy access by 2021. Part of this financing will be used for payment of the Works of following contract package of the project to be procured as advance contracting actions.

Procurement of "Design, Supply, Installation, Testing & Commissioning of 230kV & 132V Transmission Lines on turnkey basis"
