

# Advance Contracting Notice

---

**Date:** 15 August 2015

**Country/Borrower:** Cambodia / Ministry of Economy and Finance

**Title of Proposed Project:**

44328-CAM: Uplands Irrigation and Water Resources Management Sector Project

**Name and Address of Executing Agency:**

Ministry of Water Resources and Meteorology  
364 Monivong Blvd, Khan Chamkamorn Phnom Penh, Cambodia

**Brief Description of the Project:**

The project impact will be increased farm incomes. It is aligned with inclusive economic growth through agriculture and irrigation (Rectangular Strategy on Growth, Employment, Equity and Efficiency, Phase III, 2014 to 2018, RGC). Outcome will be enhanced water and agricultural productivity.

**Brief Description of Goods and Related Services, Works or Consulting Services to be Procured:**

Procurement of civil works for Taing Krasaing (TK) and Prek Chik (PK) irrigation main canal for a duration of 18 months via international competitive bidding (ICB) using the single stage two-envelope system. The works comprises upgrading, modernization; and rehabilitation of main irrigation canals of TK in Kampong Thom province and PK in Battambang province.

Procurement of Hydro-meteorological equipment via ICB using the single stage one-envelope system. The equipment will be used for water measurement control and distribution in both the TK and PK systems' main and distribution canals.

Procurement of vehicles and office equipment by the project management unit will be through national competitive bidding (NCB) using single stage one-envelope system. Package for vehicles include 4WD pick-up truck, station wagons and motorcycle and package for office equipment includes air conditioner, computers, printers, and other IT related hardware.

**Date of Advance Contracting Approval:** 14 August 2015
