Brief description of project:

In December 2006, ADB approved the Investment Program through the multitranche financing facility aimed at improving urban infrastructure and services resulting in overall improvement of quality of life in 25 Investment Program ULBs, related increase in economic opportunities and growth in north Karnataka, and reduced imbalances between north Karnataka and the rest of the state. Tranche 1 and Tranche 2 under the Investment Program are already in implementation with works underway in these sectors. Investments under Project 3 mainly support further improvements in water supply and sanitation in the Project ULBs. The objective of the Project is improved access to better urban services in 8 participating Investment Program ULBs (Bidar, Davanagere, Dharwad, Gadag-Betegeri, Gulbarga, Jamkhandi, Sindhanur, and Yadgir) in the State. Project 3 will have the following outputs: (i) upgraded urban infrastructure, and (ii) strengthened municipal management and project implementation capacity.

Brief description of goods and related services, works, or consulting services to be procured:

ADB approved the Government's request for advance contracting and retroactive financing for Tranche 3 to expedite project implementation, in accordance with the terms of the framework financing agreement. Advance contracting will include various goods, civil works and consulting services and will be undertaken in accordance with ADB's Procurement Guidelines (2010, as amended from time to time) and ADB's Guidelines on the Use of Consultants by Asian Development Bank and its Borrowers (2010, as amended from time to time).
