

Advance Contracting Notice

Date: 9 August 2016

Country/Borrower: India

Title of Proposed Project: 48224-IND: Demand Side Energy Efficiency Sector Project

Name and Address of Executing Agency: Energy Efficiency Services Limited (EESL)

Executing Agency: Energy Efficiency Services Limited (EESL)
Contact Person: Mr. Rajneesh Rana, DGM (BD& Contracts/AgDSM & MuDSM)
Address: Energy Efficiency Services Ltd.,
4th & 5th Floors, IWAI Building
A-13, Sector 1,
City: Noida, Uttar Pradesh
Pin code: 201301, INDIA
Telephone: + 91 120 490 8000
Fax: + 91 120 490 8099
E-mail address: rana@eesl.co.in

Brief Description of the Project:

Demand Side Energy Efficiency Sector Project will finance high-priority areas under EESL's demand-side energy efficiency operations through energy service company business: (i) use of more efficient light-emitting diode (LED) by municipalities for street lighting that are equipped with remote operating technology; (ii) use of more efficient LED bulbs and electric fans by households and (iii) promotion of more energy efficient agricultural water pumps.

Physical outputs of this Project include replacement of 1.5 million streetlights with LED lamps; installation of 42 million LED bulbs, tube lights and more efficient ceiling fans; and replacement of 225,000 inefficient agricultural water pumps with more efficient ones in eligible states of India.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured:

ADB has approved the Government's request for advance contracting to expedite project implementation. Advance contracting will include: LED streetlights with remote monitoring and control systems; LED bulbs, tube lights and efficient ceiling fans; more efficient agricultural water pumps; and related equipment. The advance contracting will be undertaken following ADB Procurement Guidelines.
