

Advance Contracting Notice

Date: 19 June 2020

Country/Borrower: India

Title of Proposed Project: Integrated Urban Flood Management for the Chennai-Kosasthalaiyar Basin Project

Name and Address of Executing Agency: Municipal Administration and Water Supply Department (MAWS) through Implementing Agency-Greater Chennai Corporation (GCC)

Address: Greater Chennai Corporation, Ripon Building, Chennai – 600003, India

Contact person: Mr. L. Nandakumar, Chief Engineer, Storm Water Drain Dept., Bus Route Roads Dept., Special Projects Dept, GCC
Email: chiefengineer.swd.roads@gmail.com,
Mr. S. Sankar, Superintending Engineer, Storm Water Drain Dept, GCC
Email: kosasthalaiyardrainage.chennai@gmail.com

Brief Description of the Project:

The proposed Project will support the Greater Chennai Corporation (GCC) in Tamil Nadu to increase its resilience to extreme weather events by (i) strengthening urban flood protection infrastructure while recharging groundwater, (ii) improving capacity of GCC and communities on planning and urban flood management, and (iii) improving operational and financial capacity of GCC's zonal offices. The proposed project is located in the Kosasthalaiyar basin within GCC's geographic boundary. The project area has about 1.44 million people over 128 km² and includes 8 major lakes and 71 minor tanks. About 63% of the project zone is flood-prone, with 15.6 km² having high or very high vulnerability.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing: Advance contracting under the Project will include:

- Construction of Integrated Storm Water Drains in Kosasthalaiyar Basin in the extended areas of GCC (Packages 1 to 43)
- Improvement to Ambattur and Korattur canals in Kosasthalaiyar basin in the extended areas of GCC (Package 44)
- Improvement to Kadappakkam and Ariyallur canals in Kosasthalaiyar basin in the extended areas of GCC (Package 45)
- Constructing catch pits with rainwater harvesting structures in existing storm water drains in Kosasthalaiyar basin in the extended areas of GCC (Package 46)
- Project Support Consultant
- Capacity Building Consultant
