Advance Contracting Notice

Date: 16 April 2018

Country/Borrower: India

Title of Proposed Project: 52002-IND: Chhattisgarh Road Connectivity Project

Name and Address of Executing Agency:

Government of Chhattisgarh, through the Chhattisgarh Public Works Department (CGPWD)

Mr. D.K. Agrawal
Chief Engineer/Project Director (ADB),
Project Implementation Unit
Public Works Department, Raipur, Chhattisgarh
Telephone: +91 (0)771-4031102
Fax: +91 (0)771-2331427
Email: pdadb.raipur@gov.in

Brief Description of the Project:

The Government of India intends to apply for a loan from the Asian Development Bank (ADB) for the Chhattisgarh Road Connectivity Project (the project). The project will improve road connectivity in the state of Chhattisgarh by rehabilitating and upgrading state highways and major district roads (MDRs) with an aggregate length of about 900 km. The project will also include enhancements on road maintenance, road safety, and innovations.

A project implementation unit, established under the CGPWD will implement the project.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing:

The items below are indicative for this advance contracting notice, and specific procurement notices will be issued at a later stage.

(i) Construction supervision consultants for various contract packages;
(ii) Civil works contracts for rehabilitation and upgrade of state highways and MDRs with provision of 5-years performance-based maintenance after construction;
(iii) Project management consultant, which will provide institutional support to CGPWD on overall project administration, safeguard monitoring and reporting, road maintenance, road safety and innovations.
Procurement of goods and works and recruitment of consulting services will be undertaken in accordance with ADB’s Procurement Policy and Procurement Regulations (2017, as amended from time to time). The procurement of goods and works will use national competitive bidding method and follow single-stage two-envelope bidding procedure. The consultant selection will use quality- and cost-based selection method, with a quality- and cost ratio of 80:20.

It is expected that the procurement of the civil works and the recruitment of the consulting services will commence in Q2 2018.

Interested consulting firms or potential bidders for civil works from ADB member countries who wish to obtain additional information may contact the above-mentioned officer.
