Brief Description of the Project:

Government of Jharkhand (GoJ) has been working towards a safe, sustainable, economic, people-friendly urban infrastructure development in the state. With these goals and objectives GoJ has proposed for Jharkhand Urban Infrastructure Investment Project (JUJIP). JUJIP will be a multi sector urban loan with projects spreading across water supply, sewerage, storm water drainage, urban roads, etc in several primary and secondary towns. The project would also have institutional strengthening and capacity development components. The estimated investment under JUJIP would be \$654 million with ADB's loan financing of \$458 million, which will be implemented in phased manner. Based on project readiness, the first loan of approximately \$ 200 -250 million is being processed.
