Brief Description of the Project:

Government of India (GoI) intends to apply for a loan from the Asian Development Bank (ADB) for implementing Bengaluru Metro Rail Project, Phase-2A & 2B (“the Project).

BANGALORE METRO RAIL CORPORATION LTD, a Joint Venture Company (incorporated under the Companies Act 1956) of Government of India and State Governments of Karnataka is a Special Purpose Vehicle entrusted with the responsibility of implementation of Bangalore Metro Rail Project. BMRC is mandated to undertake design, construction, operation and maintenance of the Bengaluru Metro Rail Project, Phase-2A & 2B in Bangalore City of Karnataka state (India).
Bengaluru Metro Rail Project, Phase-2A & 2B is a rail-based mass transit system with a design speed of 80 kmph and average operating speed of 34 kmph. Once operational, it will be the fastest, most comfortable, reliable and safest mode of commuter transport connecting International Airport in Bangalore City. Such a seamless connectivity will not only reduce pollution and congestion in Bangalore City, but will also drive balanced and sustainable urban development in the City.

The Project is 56 Kms in length, originating from Central Silk Board Junction and terminating at Kempegowda Internation airport Terminal in Bangalore in the State of Karnataka(India), has total 30 stations, out of which 28 stations are elevated and 2 stations at Airport Terminal are at-grade along with one New Depot and upgradation of one existing Depot. ADB funding would be used to finance the Works contracts.

The executing agency for the project will be BANGALORE METRO RAIL CORPORATION LTD (BMRCL), under the administrative control of Ministry of Housing and Urban Affairs (MoHUA), Govt of India and GoK.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured:

The procurement of works funded by ADB will be undertaken in accordance with ADB Procurement Policy and Procurement Regulations for ADB Borrowers - 2017, as amended from time to time.

The proceeds of the loan are intended to be used for the procurement of the following open competitive bidding procedure. The item below is indicative for the purposes of this advance contracting notice, and specific procurement notices will be issued later:

Works contracts for construction of the project

It is expected that bidding for the various contracts for executing Bengaluru Metro Rail Project, Phase-2A & 2B will commence in Q4-2019.

Interested bidders from ADB member countries who wish to obtain additional information may contact the above-mentioned officer(s).
