

## Invitation for Bids

<b>Date:</b>	09 February 2017
<b>Loan No. and Title:</b>	49203-002-INO: Sustainable Energy Access in Eastern Indonesia-Power Sector Generation Program
<b>Contract No. and Title:</b>	ICB/ADB – GFPP KP/ 2017 No. 1: Gas Fired Power Plant Kaltim 2 Peaker (100 MW)
<b>Deadline for Submission of Bids:</b>	Extended to 31 August 2017 at 10.00 a.m. WIB (West Indonesia Time)

1. The Republic of Indonesia has applied for financing from the Asian Development Bank (ADB) towards the cost of **Sustainable Energy Access in Eastern Indonesia- Power Sector Generation Program**. Part of this financing will be used for payments under the contract named above. Bidding is open to qualified Bidders from eligible source countries of ADB.

2. **PT Perusahaan Listrik Negara (PLN) (“the Employer”)** invites sealed bids from eligible Bidders for the construction and completion of **Gas Fired Power Plant Kaltim 2 Peaker (100 MW) (“the Facilities”)**. The services to be provided under the Contract include engineering, procurement and construction (EPC) of a 100 MW gas fired power plant (2 x 50 MW gas turbines, dual fuel) designed as a peaker facility to supply electric power to the grid of Eastern Kalimantan.

The contract shall be completed in 480 (four hundred and eighty) days.

3. **International Competitive Bidding** will be conducted in accordance with ADB's [Single-Stage: Two-Envelope](#) procedure and is open to all eligible bidders from eligible countries as described in the Bidding Document.

4. Only eligible Bidders with the following key qualifications should participate in this bidding:

Criteria	Requirement
Historical Financial Performance	Submission of audited financial statements or, if not required by the law of the bidder's country, other financial statements acceptable to the employer, for the last three (3) years to demonstrate the current soundness of the Bidder's financial position. As a minimum, the Bidder's net worth for the last year calculated as the difference between total assets and total liabilities should be positive.
Average Annual Turnover	Minimum of US\$ 100,000,000 calculated as total certified payments received for contracts in progress or completed, within the last three (3) years
Financial Resources	Must demonstrate that it has the financial resources to meet its current contract commitments and requirement for the Subject Contract of not less than US\$ 20,000,000

Criteria	Requirement
Experience in Contract of Similar Size and Nature	Participation in at least two EPC contracts that have been successfully in operation within the last 10 years and that are similar to the proposed contract, where the value of the Bidder's participation exceeds US\$ 80,000,000
Experience in Key Activities	At least one successful turnkey project in the last ten (10) years, outside the Bidder's country, as main contractor including engineering, construction, management and commissioning. The contract shall have a value of at least US\$ 50,000,000.

5. To obtain further information and inspect the bidding documents, Bidders should contact:
