Brief Description of the Project:

The objective of the Project is to improve efficiency and safer movement of goods and people. The Project shall comprise:

- (a) rehabilitation of approximately 68 km of roads from Balykchy village to Km 43 and from Kochkor village to Epkin village; and
- (b) strengthening institutional capacity of the MOTR, including provision of support for, construction supervision, project management, project auditing, safeguards support, the preparation and implementation of the RAMS, and a review of pilot performance-based maintenance contracting.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured:

Civil works packages will be procured under international competitive bidding in accordance with ADB Procurement Guidelines (2015, as amended from time to time). This advance action will expedite the project implementation.

Construction supervision, road safety, and road asset management consultants will be recruited in accordance with the Guidelines on the Use of Consultants by Asian Development Bank and Its Borrowers (2013, as amended from time to time).

It is expected that recruitment of construction supervision consultant and the bidding for the civil works contracts will commence in Q2 2018.
