Brief Description of the Project:

The government of the Kyrgyz Republic has applied for activity subgrant financing from the Asian Development Bank (ADB) for the proposed Almaty–Bishkek Economic Corridor Regional Improvement of Border Services under the Multisector Activities Support Facility. The Border Service of the State Committee for National Security of the Kyrgyz Republic will be the executing agency.

The proposed activity subgrant, through the engagement of a design firm and national individual consultants, will support the preparation of the detailed engineering design of facilities, procurement documents, and other documents of the ensuing project. This will enhance project readiness and improve the executing agency’s capacity to implement the ensuing project. The proposed activity subgrant will also finance some project office and other operations equipment as well as the services of an external financial auditor to carry out project financial audit.

Brief Description of Consulting Services to be Procured:

All contracts will be procured in accordance with ADB Procurement Policy (2017, as amended from time to time) and Procurement Regulations for ADB Borrowers (2017, as amended from time to time). Advance contracting will be considered and used to expedite the implementation. ADB approval of advance contracting will not commit ADB to subsequently approve the proposed activity subgrant project or to finance the procurement costs.

The proceeds of ADB subgrant are intended to finance consulting services. Using the open competitive bidding with national advertisement, the proposed activity subgrant project will procure the following main contract:

Asian Development Bank
Consulting services for the development of the detailed engineering design and cost estimate documentation for road border crossing points: Ak-Tilek, Karkyra, Kichi-Kapka, and the Training Center of the Border Service of the State Committee for National Security of the Kyrgyz Republic.

It is expected that the open competitive bidding for this contract will commence in October 2022.

Interested bidders from ADB member countries who wish to obtain additional information may contact the above-mentioned project officer.
