

Invitation for Bids

Date:	4 February 2021
Grant No. and Title:	Grant 0606-LAO(SF): Fourth Greater Mekong Subregion Corridor Towns Development Project
Contract No. and Title:	DR-CW01-Lot 2: Thakhek Stormwater Drainage
Deadline for Submission of Bids:	22 March 2021 at 14:00 hours (Lao Time)

1. The Lao People's Democratic Republic has received a financing from the Asian Development Bank (ADB) toward the cost of **Fourth Greater Mekong Subregion Corridor Towns Development Project**. Part of this financing will be used for payments under the Contract named above. Bidding is open to Bidders from eligible source countries of the ADB.

2. The **Ministry of Public Works and Transport** ("the Employer") through the Department of Housing and Urban Planning invites sealed bids from eligible Bidders for the **DR-CW01-Lot 2: Thakhek Stormwater Drainage, in Thakhek town, Khammouane Province** ("the Works"). Contract duration is 730 days and the defect liability period is 365 days.

3. **International Competitive Bidding** will be conducted in accordance with ADB's [Single-Stage: Two-Envelope](#) bidding procedure and is open to all Bidders from eligible source countries of ADB as described in the Bidding Documents.

4. Only eligible Bidders with the following key qualification should participate in this Bidding:

- **Contract of Similar Size and Nature:** Participation in at least two (2) contracts, as main contractor (including as JV partner) or subcontractor, that have been successfully completed within the last five (5) years and that are similar to the proposed works where the value of the Bidder's participation for each contract exceeds USD 3,800,000.
- **Construction Experience in key activities:** Key experience in (i) Install reinforced concrete pipe up to 800 mm diameter or bigger at minimum length of 100 m and reinforced concrete box culvert with section up to 1.5m width x 1.0m height or bigger at minimum length of 400m, (ii) Construction of reinforced concrete channel with section up to 1.6m base width x 1.4m height or bigger at minimum length of 5,000 m, (iii) Supply and install Submersible Pump with capacity of 1,500m³ per hour or higher and (iv) Supply and install 630 kVA or higher capacity transformer and 22 KV or higher power line network.
- **Financial Capacity:**
 - The Bidder shall demonstrate that its financial resources meet or exceed the total requirement for the subject contract of USD 600,000.
 - The audited balance sheets or other financial statements acceptable to the Employer, for the last three (3) years (2017, 2018 and 2019) shall be submitted

and must demonstrate the current soundness of the Bidder's financial position. As a minimum, the Bidder's net worth for the last year calculated as the difference between total assets and total liabilities should be positive.

- Minimum average annual construction turnover of USD 4.80 million calculated as total certified payments received for contracts in progress or completed, within the last three (3) years.

The qualification criteria are more completely described in the Bidding Document.

5. Interested eligible Bidders may obtain further information from Project and inspect the Bidding Documents during office hours, 9:00 to 16:00 hours at the address given below:
