The Government of Mongolia has received financing from the Asian Development Bank (ADB) toward the cost of the Mongolia Upscaling Renewable Energy Sector Project. Part of this financing will be used for payments under the contract named above. Bidding is open to Bidders from eligible source countries of ADB.

International competitive bidding will be conducted in accordance with ADB’s Single-Stage: One-Envelope procedure and is open to all Bidders from eligible countries as described in the Bidding Document.

Only eligible Bidders with the following key qualifications should participate in this bidding:

i) Minimum average annual turnover of USD 480,000.00 calculated as total certified payments received for contracts in progress or completed, within 2019-2021.

ii) The Bidder must demonstrate that its financial resources meet or exceed the total requirement for the Subject Contract of USD 106,000;

iii) Participation as contractor, management contractor, or subcontractor, at least 2 shallow ground heat pump projects in the last 7 years, each with value of at least $192,000 that have been completed and operational for at least 2 years, with heating capacity 50 kW and above.

iv) Experience in Key Activities related to: installing at least 2 shallow ground heat pump systems in the last 7 years with heating capacity 50 kW and above, and which have been operating successfully for at least 2 years;

v) For complete eligibility and qualification requirements refer to the bidding documents.
