**Date:** 1 June 2018

**Country/Borrower:** Nepal

**Title of Proposed Project:** 51190-NEP: Disaster Resilience of Public Schools Infrastructure and Communities Project

**Name and Address of Executing Agency:**

National Reconstruction Authority (NRA)  
Singha Durbar, Kathmandu, Nepal

**Brief Description of the Project:**

The Disaster Resilience of Public Schools Infrastructure and Communities Project (the project) aims to increase and improve learning environment for disaster resilience of schools and communities in 14 districts affected by 2015 earthquake. The project objectives will be achieved through three components: (i) heavily damaged schools reconstructed and improved, (ii) unsafe schools retrofitted and disaster risk reduced, and (iii) institutional capacity for disaster resilience strengthened.

The project is also in line with ADB's Nepal Country Partnership Strategy (2013-2017), which supports the government's human resource development efforts to meet the country's development objective of accelerated, sustainable, and inclusive economic growth.

**Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing:**

Consulting services for design and supervision, disaster risk management and solar power, and procurement of civil works for reconstruction and retrofitting of schools.
