3. **International Competitive Bidding (ICB)** will be conducted in accordance with ADB's [Single-Stage: One-Envelope](#) bidding procedure and is open to all bidders from eligible source countries of the ADB.

4. Bidders shall meet the following qualification requirements:

- a) The bidder must have demonstrated at least three (3) numbers of contracts successfully completed as main supplier within the last five (5) years. The value of each contract shall

at least equal to 80% of the value of contract for which the bid is submitted and equipment shall have the same or higher rating and capacity. In case of JV, at least any one of partner should fulfill the said contractual experience pertaining to the individual's obligations(s) in respect of manufacturing as per JV agreement between the parties (JV agreement shall be provided with the bid).

- b) The bidder must have at least five (5) years manufacturing or supplying experience of similar equipment with the same or higher rating and capacity. The equipment manufactured or supplied by the bidder, with the same or higher rating and capacity, must have three (3) years of successful continuous operational experience for at least 80% of the quantities to be procured under this tender as on bid opening date. In case of JV, at least any one partner should fulfill the above-mentioned experience pertaining to the individual's obligations(s) in respect of manufacturing or supplying as per JV agreement between the parties (agreement shall be provided with the bid).
- c) The bidder or all partners combined in case of JV must have an average Annual Turnover in the last 3 years equal to or more than the amount for Lot-II USD 2.44 Million, Lot-III USD 0.625 Million, Lot-IV USD 1.68 Million.
- d) The bidder should have sound financial status. In order to determine the same, the bidder or each partner in case of JV shall provide its up to date financial statement i.e. audited balance sheet, income statement, and cash flow statements for the last 3 years. The difference between current assets and current liabilities should be adequate enough for smooth execution of this order (if placed on it). The bidder (or each partner in case of JV)'s net worth calculated as a difference between total assets and total liabilities must be positive for last 3 years. In this context the bidder is required to fill in the relevant forms given in Section IV of this tender document and submit the same with the bid.

5. Interested eligible bidders may obtain further information from the Chief Engineer (Development), Peshawar Electric Supply Company, Project Management Unit, Shami Road, Wapda House Peshawar and inspect the Bidding Document at the address given below from 08:00 am to 04:00 pm from Monday to Friday.
