Brief Description of the Project:

The Islamic Republic of Pakistan has applied for a loan from the Asian Development Bank (ADB) toward the cost of "National Motorway M-4 Gojra– Shorkot Section Project." The loan will finance civil works and consulting services. The proposed project will include construction of approximately 61 kilometer Gojra–Shorkot section of the Motorway M-4, a key part of a major north–south transport corridor that connects key business centers in the country, and institutional development and capacity strengthening of the National Highway Authority.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured:

Under the project, about one to two contracts for civil works—four-laning of roads—will be procured under international competitive bidding (ICB) in accordance with ADB Procurement Guidelines (2013, as amended from time to time).

Consultants for project implementation and institutional development and capacity strengthening will be recruited in accordance with The Guidelines on the Use of

Asian Development Bank

Consultants by the Asian Development Bank and its Borrowers (2013, as amended from time to time).

It is expected that bidding for the civil works contract will commence in Q2 2015.
