1. The Independent State of Papua New Guinea has received a loan from the Asian Development Bank (ADB) towards the cost of Civil Aviation Development Investment Program – Tranche 3. Part of this loan will be used for payments under the contract named above. This contract will be jointly financed by the Government of the Independent State of Papua New Guinea. The eligibility rules and procedures of ADB will govern the bidding process. Bidding is open to Bidders from eligible source countries of the ADB.

2. The National Airports Corporation ("the Employer") invites sealed bids from eligible Bidders for the Supply and Installation of Security Fencing and Associated Works at Kiunga Airport, Western Province.

   The works comprises of the following:
   - Supply, Delivery and Installation of Steel Palisade Security Fencing Material;
   - Geotechnical Investigation;
   - Embankment/Pavement Construction;
   - Design and Installation of culvert precast structures;
   - General Pavement Construction and Bituminous Sealing Works;
   - Building Works;
   - Other Associated Works.

3. National Competitive Bidding (NCB) will be conducted in accordance with ADB’s Single-Stage: One-Envelope bidding procedure and is open to all Bidders from eligible countries as described in the Bidding Document.

4. Only eligible Bidders with the following key qualifications should participate in the bidding:
   - Soundness of financial position over the last three (3) years and its prospective long-term profitability;
   - The Bidder must demonstrate that its financial resources, less its financial obligations for its current contract commitments, meet or exceed the total requirement for the Subject Contract of US$ 0.7 Million;
   - Average Annual Construction Turnover (minimum) of US$ 4.5 Million per year, within the last three (3) years;
   - Construction Experience and participation in at least one (1) contract within the last seven (7) years with a value of at least US$ 2.0 Million that have been successfully
or are substantially completed by the Bidder and that are similar in physical size, nature of works, complexity, methods, and technology.

The qualification criteria are more completely described in the Bidding Document.

5. To obtain further information and inspect the Bidding Documents, Bidders should contact:
