

Invitation for Bids

Date:	2 March 2018
Loan No. and Title:	2940-PRC: Hubei Huangshi Urban Pollution Control and Environmental Management Project
Contract No. and Title:	LR-C04-1-3: Downstream Wetland Section III
Deadline for Submission of Bids:	30 March 2018; 10:00 hours
Bid No.:	0703-180CIC1D106

1. The Government of People's Republic of China has received financing from the Asian Development Bank toward the cost of **Hubei Huangshi Urban Pollution Control and Environmental Management Project** and it intends to apply part of the proceeds of this loan to payments under the Contract named above. Bidding is open to bidders from eligible source countries of ADB.
2. The **Instrimpex International Tendering Co., Ltd.** (hereinafter refer as "Procurement Agent") is authorized by and on behalf of **Huangshi Urban Construction Investment and Development Co., Ltd.** (hereinafter refer as "Employer") invites sealed bids from all eligible Bidders for the Construction Works, details as mentioned below:
 - One downstream wetland will be built, with the process flow of tailrace lifting pump station of Tuanchengshan Sewage Treatment Plant → tailrace lifting pipeline → constructed subsurface flow wetland → constructed surface flow wetland. This bid section covers an area of 50.91ha in total, including water conservancy works, water supply and drainage works, wetland construction works and landscape engineering works etc.
 - The part of landscape engineering is comprised of four major scenic spots i.e. Flying Orioles, Sparse Shadows, Cihu Fisherman's Family and Lotus & Autumn Moon, and main sites and structures here include temporary post house, permanent post house, small gallery framework, glass walkway, landscape gallery, bird hide, canal bridge, arch bridge, waterfront plank road, waterfront area, wooden trestle, wood deck, gallery framework, jogging area, parking lot, children's playground equipment and sign system etc. The design specialty includes building, landscape, structure, plant, electric power, water and bridge constructions. In combination with water ecology, environment-friendly materials and technology, it is aimed at creating a wetland park of the sponge city.
 - The wetland works of tailwater treatment will be built, including 1#~4# subsurface flow wetland of 127,700m² and clear water wetland of 153,000m².
 - Wetland watercourse 1475m (Chainage K1+400 ~ K2+875).
 - The construction of a science museum (Hall No. 2), the total construction area is 1802m², including exhibition hall decoration, overall design and construction works.
Details as per Bill of Quantity and Drawings.

Construction Period is twelve (12) months.

3. **National Competitive Bidding** (NCB) will be conducted in accordance with ADB's Single-Stage: One Envelope procedure and is open to all Bidders from eligible source countries as described in the Bidding Documents.
4. The attention of prospective Bidders is drawn to the eligibility and conflict of interest provisions under ITB 4 of the Bidding Documents. All Bidders found to have a conflict of interest shall be disqualified.
5. Only eligible Bidders with the following key qualifications should participate in this bidding:
 - Net worth of financial year 2014, 2015, and 2016 should be positive;
 - Minimum average annual construction turnover of CNY540,000,000.00 calculated as total certified payments received for contracts in progress or completed, within the last three (3) years (2014, 2015, and 2016);
 - Financial Resources shall reach the amount of CNY54,000,000.00;
 - Experience under contracts in the role of contractor, subcontractor, or management contractor for at least the last five (5) years prior to the applications submission deadline. The domestic Bidders and the domestic Bidders who associate with foreign Bidders as Joint Ventures should have Grade I or above Qualification Certificate for General Contractor in Municipal Public Construction issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China. Foreign Bidders shall provide the equivalent documents from their respective jurisdictions;
 - Participation as contractor, management contractor, or subcontractor, in at least two (2) contracts within the last five (5) years (year 2013~2017), each with a value of at least CNY150,000,000.00, that have been successfully and substantially completed and that are similar to the proposed Works. The similar achievement includes the Contracts of Wetland Construction, Park Landscape Greening Engineering and Lake landscape Engineering, but exclude the Contract of Road Greening. The similarity shall be based on the physical size, complexity, methods/technology or other characteristics as described in Section VI, Employer's Requirements. For the above or other contracts executed during the period, a minimum experience in the following key activities: at least one (1) achievement of Constructed wetland (200,000m²).

The qualification criteria are more completely described in the Bidding Document.
