1. The People’s Republic of China has received the loan from the Asian Development Bank toward the cost of Guangdong Chaonan Water Resources Development and Protection Demonstration Project and it intends to apply part of the proceeds of this loan to payments under the Contract named above. The Bidding is open to Bidders from eligible source countries of the ADB.

2. The Chaonan Water Supply Company ("the Employer") invites sealed bids from all eligible Bidders for the supply, installation, and commissioning of equipment of the Jinxi and Qiufeng water supply plants.

3. International competitive bidding will be conducted in accordance with ADB’s Single-Stage: One-Envelope procedure and is open to all Bidders from eligible source countries as described in the Bidding Document.

4. Only eligible Bidders with the following key qualifications should participate in this bidding:

   - The domestic Bidders should have grade I qualification for general contracting of electromechanical engineering construction or grade II qualification for general contracting of municipal public engineering construction and have obtained the safety production license issued by Department of Housing and Urban-Rural Development at the provincial level; Foreign products shall have equivalent certification documents.
   - From 1 January 2013 to the bid submission deadline, the Bidder should have successfully or substantially completed at least two (2) contracts for supply, installation and commissioning of equipment for completed water supply plant (including but not limited to: delivering pumping station, settling pond, V-type filtration pool) with surface water as water resource. Each contract should be for equipment with capacity of 140 thousand m³/day or above and the contract amount should be not less than RMB 35 million or equivalent (not including the construction expense of civil works).

Detailed qualification requirements are found in Section 3 of the Bidding Document.
