<b>Date:</b>	14 May 2019
<b>Loan No. and Title:</b>	3114-PRC: Guangdong Chaonan Water Resources Development and Protection Demonstration Project
<b>Contract No. and Title:</b>	G9: Supply and Installation of Equipment of Three-Prevention (Flood, Drought, and Typhoon) Management Center
<b>Deadline for Submission of Bids:</b>	25 June 2019; 10:00 hours (Beijing time)
<b>NCB Bid No.:</b>	0692-192B01130408

1. The People's Republic of China has received a loan from the Asian Development Bank (ADB) towards the cost of **Guangdong Chaonan Water Resources Development and Protection Demonstration Project**. Part of the loan intends to finance payments under the contract named above. Bidding is open to Bidders from eligible source countries of ADB.
2. The **Chaonan Water Conservation Construction and Management Center ("the Employer")**, invites sealed bid from all eligible Bidders for the **Supply and Installation of Equipment of Three-Prevention (Flood, Drought, and Typhoon) Management Center (G9)**. Within three and a half (3.5) months after contract, all the equipment are delivered to the project site.
3. **International Competitive Bidding** will be conducted in accordance with ADB's Single-Stage: One-Envelope procedure and is open to all Bidders from eligible source countries as described in the Bidding Document.
4. Only eligible Bidders with the following key qualifications should participate in this bidding:
  - The domestic Bidders should have not less than Grade I qualification for contracting of electronic and intelligent engineering, and have obtained the safety production license issued by Department of Housing and Urban-Rural Development at the provincial level, or should have not less than Grade III qualification for computer information system integration within validity period, or should have not less than Grade III qualification for information system integration and services (within validity period) issued by China Information Technology Industry Federation; Foreign products shall have equivalent certification documents.
  - From 1 January 2014 to the bid submission deadline, the Bidder as main supplier, should have successfully or substantially completed at least two (2) contracts for supply, installation and commissioning of equipment for three-prevention command and dispatching center or similar projects, and the amount of each contract should be not less than RMB 15 million or equivalent (not including the construction expense of civil works). (The construction content includes but are not limited to information collecting system of water and rainfall information, water quality and quantity, three-prevention command and dispatching center. Copy of letter of acceptance, supply contract and the

acceptance certificate of the Employer are required (copy of completion certificate issued by users). If performance certificates are for Joint Venture, the Bidder should be the leading goods supplier of completed projects. The nature and complexity of the Bidder's two (2) completed goods supply contracts should be similar to the scope of supply described in Section 6 (Schedule of Supply) of the Bidding Document.

The qualification criteria are more completely described in the Bidding Document.

5. Interested eligible Bidders may obtain further information from the Employer through Xie Jianqing by e-mail at fuzhaoqiang91@163.com and inspect the Bidding Documents at the address given below during 9:00-17:00 hours (Beijing time, HEX).
6. The Bidding Document in the English language may be purchased by interested Bidders on the submission of a written application to the address below and upon payment of a nonrefundable fee of RMB 500.00 (or equivalent amount in US\$). Engineering drawing cost is RMB 1000 (or equivalent amount of US\$). The method of payment will be cash or T/T (Telegraphic Transfer). No liability will be accepted for loss or late delivery.
