**General description**

The construction of reclaimed-water irrigation (RWI) Project Phase II is to reuse the reclaimed water through expansion of pipeline network and new construction of pumping stations from Ping’an District Sewage Treatment Plant. The whole project scale is planned by the capacity of 10,000 m³/d and the project will be constructed by two phases. Phase I includes the irrigation covering central areas and the park in the south of the city, the design had been completed and the implementation is ongoing. The bidding published this time is the works for Phase II with the capacity of 9,500 m³/d and will offer the irrigation for the forest land of south-faced mountains, the greening area is approximately 6,630,332.7m² (9,945.5 mu).

The main Works listed in this sub-project and included in ADB loan are: 3 lift pumping stations for 3#-5#, 15 water tanks, trunk water transfer pipe; Branch water transfer pipes; Branch water distribution pipes and capillary tubes for Nanshan Mountain; Supporting exhaust valve wells, venting valve wells, etc. for the water transfer piping system.
This package includes civil works and installations for 3 Pumping Stations (3#-5#) and supporting pipe network inside the bounding wall of Pumping Stations as well as procurement, installation and commissioning of equipment.

**Main Works and Equipment lists**

3# lift pumping station, 4# lifting station and 5# lift pumping station. The building construction specifically refers to the decoration and installation of doors & windows, etc. for 3#, 4# and 5# pumping stations.

**Construction period**

360 calendar days

3. **National competitive bidding** will be conducted in accordance with ADB’s **Single-Stage: One-Envelope** bidding procedure and is open to all bidders from eligible countries as described in the Bidding Document.

4. Interested eligible Bidders may obtain further information from the Procurement Agent whose contact information is listed as below and inspect the Bidding Documents from 9:00-11:30 hours in the morning and 14:30-17:00 hours in the afternoon until 20 November 2018.
