

Invitation for Bids

Date:	29 November 2022
Loan No. and Title:	3766-PRC Sichuan Ziyang Inclusive Green Development Project
Contract No. and Title:	G-01 Intelligent Park Platform Management System
Deadline for Submission of Bids:	12 January 2023, 10:00 AM (Beijing time)

1. The People's Republic of China has received financing from the Asian Development Bank (ADB) towards the cost of the Sichuan Ziyang Inclusive Green Development Project, and it intends to apply part of the proceeds of this financing to payments under the contract named above. Bidding is open to bidders from eligible source countries of ADB.
2. The **Ziyang High Technology Development Zone Administrative Committee** ("the Purchaser") invites sealed bids from eligible bidders for **Intelligent Park Platform Management System**.

Scope of Contract: Chengnan Industrial Development Zone of Ziyang High Technology Zone (covering an area of about 25.52 square kilometers). The contents mainly include five smart applications: smart government affairs, digital economy, smart management, smart environment and smart decision-making, as well as front-end data acquisition, network transmission, computing storage, network security, command and dispatch center, data room and other site decoration and software and hardware information systems needed to support smart applications. Completion time: one year (365 days) after contract signing date

3. **Open Competitive Bidding (OCB-International)** will be conducted in accordance with ADB's [Single Stage – One Envelope](#) procedure and is open to all Bidders from eligible source countries.
4. Only eligible Bidders with the following key qualifications may participate in this bidding:
 - (a) **History of Nonperforming Contract:** Nonperformance of a contract did not occur as a result of supplier default since 1 October 2017.
 - (b) **Pending Litigation:** All pending litigation and arbitration, if any, shall be treated as resolved against the Bidder and so shall in total not represent more than 50% of the bidder's net worth calculated as the difference between total assets and total liabilities.
 - (c) **Contractual Experience:** Successful completion as main supplier within the last five (5) years (from 1 October 2017), of at least one (1) contract of Information Construction Contract of Intelligent Industrial Park, valued at CNY 60 million with nature, and complexity similar to the scope of supply.

(d) Technical Experience: (a) The Bidder shall demonstrate that the goods offered have (i) been in production for at least 1 year, (ii) been sold a minimum of 5 units of similar type and specification over the last three (3) years, and (iii) been in operation for a minimum of one (1) year; (b) Domestic bidder or domestic JV partner, the following certificate is required: The bidder shall have the first-class certificate of electronic and intelligent engineering. Foreign bidder or foreign JV partner shall provide evidence that it has equivalent qualification to conduct required assignment; (c) The bidder or its subcontractor or software provider shall have the following similar information system or technology R&D capabilities in the smart park, and provide the contract documents or intellectual property documents of the R&D performance of the following similar systems: 1) emergency command and management system based on multiple CPU architectures; 2) Mobile office system based on various CPUs, databases and middleware; 3) video image information database system; 4) government service center system; 5) Smart city operation monitoring system; 6) Integrated management system of one network in smart city; 7) Intelligent analysis and processing software for structured and unstructured data based on various domestic CPUs; 8) Unified GIS platform.

(e) Production Capacity: (a) The Bidder or manufacturer shall demonstrate that it can supply the type, size, and quantity of the goods as required by Purchaser; (b) Cloud infrastructure platform construction and operation service capability: The domestic bidder shall, as a cloud service provider, have at least one (1) completed and operated cloud infrastructure platform that has passed the cloud computing service security assessment of the buyer's country. If it is a foreign bidder, it is required to provide the international authoritative certification of cloud security (such as the C-STAR cloud security certification issued by the Cloud Security Alliance (CSA), etc.), or provide the authorization of the cloud service provider in the buyer's country (the cloud service provider in the buyer's country that provides the authorization must meet at least one (1) cloud infrastructure platform that has been built and operated, and has passed the cloud computing service security assessment in the buyer's country).

(f) Historical Financial Performance: Submission of audited financial statements or, if not required by the law of the Bidder's country, other financial statements acceptable to the Purchaser, for the last three (3) years to demonstrate the current soundness of the Bidder's financial position. As a minimum, the Bidder's net worth for the last three (3) year calculated as the difference between total assets and total liabilities should be positive.

(g) Size of Operation (Average Annual Turnover): Minimum average annual turnover of CNY 170 million (or USD 24.4 million) calculated as total payments received by the Bidder for contracts completed or under execution over the last three (3) years.

(h) Cash Flow Capacity: Availability of or access to liquid assets, lines of credit, and other finances sufficient to meet cash flow requirement which is CNY 44 million (or USD 6 million).
