1. The People’s Republic of China has received financing from the Asian Development Bank (ADB) toward the cost of Hunan Xiangjiang River Watershed Existing Solid Waste Comprehensive Treatment Project and it intends to apply part of the proceeds of this loan to payments under the Contract for Zhugemiao Existing MSW Landfill Closure (Contract No.: C-YZ01). Bidding is open to bidders from eligible source countries of ADB.

2. The CNCCC International Tendering Co., Ltd. on behalf of Yongzhou City Urban Management Bureau now invites sealed bids from all eligible and qualified bidders for:

   (1) The project of Zhugemiao Existing MSW Landfill Closure is located in Zhugemiao Village, Chaoyang Office site, about 1km from the center of Lingling District and adjacent to the National Highway 207. The red line scope of the Landfill area is about 86,233.3 m², while the Landfill area (closed area) is around 53,878 m². Within this Landfill area, about 0.8 million m³ of waste has been dumped. During site survey, some waste rock piles are found on the surface of the Landfill which will be processed during the closure.

   (2) The construction contents mainly include the following aspects: shaping and processing of waste piles, closure cover system for the Landfill area, diversion of rain and sewage water system of the Landfill, leachate collection and drainage system of the Landfill, leachate collection and processing system of the Landfill, drainage and processing system of landfill gas, new construction of waste dam and retaining wall, anti-seepage work in front of the Landfill dam, environmental monitoring and protection system of the Landfill, auxiliary access road and closure greening work, electrical and automatic control system etc.

   The intended Completion Day is 300 days from the Start Date.

3. National competitive bidding (NCB) will be conducted in accordance with ADB’s Single-Stage: One-Envelope (1S1E) procedure and is open to all bidders from eligible countries as described in the Bidding Document.

4. Only eligible Bidders with the following key qualifications should participate in this bidding:

Asian Development Bank
i) Minimum average annual turnover of CNY 140 million, calculated as total certified payments received for contracts in progress or completed, within the last THREE (3) years (2017, 2018 and 2019).

ii) The Bidder shall demonstrate access to, or availability of, financial resources such as liquid assets, lines of credit, and other financial means, other than any contractual advance payments to meet the following cash-flow requirement of CNY 14 million.

iii) Participation as contractor, management contractor, or subcontractor, in at least TWO (2) MSW Landfill Closure contract within the last FIVE (5) years (from 2015 to the bid submission deadline), each with a value of at least CNY 37,400,000.00, that have been successfully and substantially completed and that are similar to the proposed Works.

iv) According to the nature and scope of works given in ITB 1.1 of Section II. The domestic bidders and the domestic bidders who associate with foreign bidders as Joint Ventures shall have: 1) Grade II or above General Contracting Certificate of Municipal Public Works Construction issued by Ministry of housing and Urban-Rural Development of the People’s Republic of China. 2) Grade I Professional Contracting Certificate of Environmental Protection Engineering issued by each province or city level department of housing and Urban-Rural Development.
