1) The Government of Tonga has received a grant from the Asian Development Bank (ADB) toward the cost of the Outer Island Renewable Energy Project. Part of this grant will be used for payments under the contract named above. This contract will be jointly financed by the European Union, the Government of Australia and Asian Development Bank. The eligibility and procedures of ADB will govern the bidding process. Bidding is open to all Bidders without nationality restriction.

2) Tonga Power Limited (“the Employer”) invites sealed bids from eligible bidders for the Supply and Delivery of Material for the Outer Island Renewable Energy Project.

The Bidders shall have the option of submitting Bids for one, any combination, or all of the Lots. The Bid for each lot shall be submitted in a separate envelope with its corresponding bid securing declaration. One contract will be awarded individually for each lot. Bidder wishing to offer discounts in case they are awarded more than one contract will be allowed to do so provided that those discounts are included in the Letter of Bid.

3) International Competitive Bidding will be conducted in accordance with ADB’s Single-Stage: One-Envelope bidding procedure and is open to all Bidders without nationality restriction.

4) Only eligible Bidders with the following key qualifications should participate in this bidding:

The Bidder must have complete successfully at least one contract as main supplier within the last 3 years (2014-2016), that is the same or higher technical specification as the proposed goods under the corresponding lot. The contracts must not be less than the following amount:

---

**Asian Development Bank**
