

Invitation for Bids

Date:	22 November 2022
Loan No. and Title:	3963/3965-UZB: Central Asia Regional Economic Cooperation Corridor 2 Karakalpakstan Road (A380 Kungrad to Daut- Ata Section) Project
Contract Title:	KRP/OCB/SI/02: Design, Supply and Installation of Intelligent Transport System (ITS)
Deadline for Submission of Bids:	Extended to 5 April 2023 at 15:00 hours (Tashkent Time)

1. The Republic of Uzbekistan has received a loan from the Asian Development Bank (ADB) toward the cost of **Central Asia Regional Economic Cooperation Corridor 2 Karakalpakstan Road (A380 Kungrad to Daut- Ata Section) Project**, and it intends to apply part of the proceeds of this loan to payments under the contract named above. Bidding is open to Bidders from eligible source countries of ADB.
2. The **Committee for Roads** invites sealed bids from eligible Bidders for **Design, Supply and Installation of Intelligent Transport System**.
3. **Open Competitive Bidding (International Advertisement)** will be conducted in accordance with ADB's [Single-Stage: Two-Envelope](#) bidding procedure and is open to all Bidders from eligible countries as described in the Bidding Document.
4. Only eligible Bidders with following key qualifications should participate in this bidding:

Sl. No	Qualifications	Requirements, the Bidder must meet
1	History of nonperforming Contract	Did not occur as a result of contractor default since 1 January 2017
2	Pending litigation and arbitration	All pending litigation, arbitration, or other material events impacting the net worth and/or liquidity of the Bidder, if any, shall be treated as resolved against the Bidder and so shall in total not represent more than 75% of the Bidder's net worth calculated as the difference between total assets and total liabilities.
3	Historical financial performance	Submission of audited financial statements or, if not required by the law of the Bidder's country, other financial statements acceptable to the Purchaser, for the last five (5) years to demonstrate the current soundness of the Bidder's financial position.
4	Average annual turnover	Not less than US \$ 23 million calculated as total payments received by the Bidder for contracts completed or under execution over the last five (5) years.
5	Cash Flow Capacity	The Bidder must have availability of or access to liquid assets, lines of credit, and other finances sufficient to meet cash flow requirement of US \$ 3.75 million.

Sl. No	Qualifications	Requirements, the Bidder must meet
6	Experience and Technical Capacity.	Successful completion as main contractor or subcontractor within the last three (3) years of at least two (2) contracts each valued at least US\$12,000,000 with nature, and complexity similar to Design, Supply, Construction and Integration of Intelligent Transport Systems for the proposed project.
7	Environmental, Health and Safety Management Plan	The Bidder should demonstrate in the Plan the health and safety measures they will put in place on site in relation to COVID-19 prevention and controls, including but not limited to, PPE requirements, site set up, training, induction and mobilization of new personnel, equipment and plants cleaning and other hazard management measures while undertaking site work activities, site visitors' health and safety protocols, as well as the approach to the monitoring and reporting of the Plan. The Plan should be fit for purpose for the particular construction works of this contract and be aligned with any relevant government regulations and guidelines on COVID-19 prevention and controls, as well as workplace safety requirements or, where relevant, with international good practice guidelines [World Health Organization, Considerations for public health and social measures in the workplace in the context of COVID-19].

For the complete eligibility and qualification requirements, Bidders should refer to the Bidding Document.
